APLICATIONS TO PARLIAMENT.

THE SENATE.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As revised and brought in force 22nd March, 1916.

Every applicant for a bill of divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia, or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but, otherwise, shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known, or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for a bill of divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage the names in full of the parties thereto, their ages and occupations, when, where, and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of, the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893.*

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(*1*) The petitioner's residence at the time of service.

(*2*) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(*3*) The name and address of the solicitor, if any, acting for the petitioner.

(*4*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*5*) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(*a*) The respondent's residence at the time of sending such notice.

(*b*) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(*c*) The name and address of the solicitor, if any, acting for the respondent.

(*d*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*6*) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(*7*) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the

satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars ($210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

DEMANDES AU PARLEMENT.

SÉNAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDURE DU SÉNAT CONCERNANT LES BILS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre, si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée «partie défenderesse.»

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables on été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante jours premiers de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicil conjugale, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat, aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse, et donner dans cet avis au greffier du Sénat:

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat, doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

A. E. BLOUNT,
Greffier du Sénat.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré dans la *Gazette du Canada;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada,* l doit en être publié un semblable, comme il suit:

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal,* —dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une *compagnie de télégraphe ou de téléphone,* —dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une *compagnie pour la confection de travaux quelconques,* dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une *compagnie de banque; une compagnie d'assurance;* une *compagnie de crédit;* une *compagnie de prêt;* ou une *compagnie industrielle,* sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les requérants devront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis,* que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de prolonger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

C) Dans tous ces cas, les avis insérés soit dans la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: *"Avis de bill privé";* ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes, mentionner en même temps et de la même manière les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toutes personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 60 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

A. E. BLOUNT,
Greffier du Sénat.

(*a*) In the case of an officer, warrant officer, or man with dependents who are entitled or who, if he had immediately prior to his retirement or discharge been in receipt of ordinary Canadian Expeditionary Force rates of pay and allowances, would have been entitled to receive a portion of the gratuity equal to Separation Allowance; if the amount of the gratuity to which he and his dependents are entitled as above, for a 31 day period, is less than $100.00, a consolidated rate of $100 00 will be paid in lieu of every payment of 31 or 30 days' pay and allowances, to which he and his dependents are or would have been entitled, as above.

3. Where Separation Allowance has been paid or was payable during the service of any officer, warrant officer or man to any dependent or dependents of his, and also in the case of the Naval Service, where Separation Allowance would have been payable to any dependent or dependents of his but for the fact that

6. Any overpayment made to any officer, warrant officer or man or to his dependents may be deducted from the gratuity hereby authorized.

7. If any officer, warrant officer or man, before he and his dependents have received any part of the whole of the gratuity to which they have become entitled under these regulations, is notified as having joined and has been in receipt of pay from any Canadian Naval or Land Force, other than that from which he is retired or discharged, the gratuity or the part thereof which at the time remains unpaid shall not be paid but such officer, warrant officer or man and his dependents, upon his subsequent retirement or discharge, shall, if then otherwise eligible to receive the gratuity, be entitled to receive the same or the part thereof which has not theretofore been paid, by reference either to the pay and allowances of which they were in receipt or to the pay and allowances of which they are in receipt at the time of such subsequent retirement or discharge, whichever were the higher, and he shall, for the purpose of determining the amount of the gratuity by reference to the length and the character of his service, be entitled to count his service in both forces.

8. No officer, warrant officer or man of the Naval or Land Forces, entitled to receive any gratuity in the nature of post discharge pay from the Imperial Government or his dependents shall receive the gratuity herein provided for unless the gratuity allowed under these regulations exceeds the amount of the gratuity granted by the Imperial Government, in which case the difference will be paid.

If any officer, warrant officer or man brought forward for retirement or discharge is entitled, pursuant to the recommendation of a Medical Board or a Medical Officer to receive pay and allowances (other than pension) from the Department of Soldiers' Civil Re-establishment he and his dependents shall not be paid the gratuity until he has submitted to such treatment as the Department of Soldiers' Civil Re-establishment direct and has ceased to receive full pay and allowances from such department. The gratuity when no longer not payable as above, shall be paid in alternate monthly instalments of 31 and 30 days' pay and allowances.

10. If a Naval or Military Medical Board or a Medical Officer of the Department of Soldiers' Civil Re-establishment reports that an officer, warrant officer or man should undergo treatment, and such officer, warrant officer or man unreasonably refuses to undergo such treatment, or if by reason of the misconduct of such officer, warrant officer or man, while undergoing treatment, it is necessary in the discretion of such Department to discontinue treatment, the gratuity aforesaid or any part thereof, to which such officer, warrant officer or man and his dependents, at the time such report is received or such treatment is discontinued by the said Department may be entitled, may be withheld until the said Department has certified that such officer, warrant officer or man has undergone and completed to the satisfaction of the said Department the treatment so recommended, or that such misconduct has been excused. Upon the gratuity being no longer withheld as above, the payments of same shall be made in alternate monthly instalments of 31 and 30 days' pay and allowances. The decision as to what under the provisions of this paragraph constitute unreasonable refusal or misconduct shall rest with the said Department, and its decision shall be final.

11. If any officer, warrant officer or man, before he and his dependents have received any part or the whole of the gratuity herein provided for, is reported as being entitled to or in receipt of full pay and allowances from the Department of Soldier 'Civil Re-establishment the gratuity or the part thereof which, at the time, remains unpaid, shall not be paid, but the officer, warrant officer or man and his dependents, upon his subsequent ceasing to be entitled to or to receive such pay and allowances, shall, if then otherwise eligible to receive the gratuity, be entitled to receive the same or the part thereof which remains unpaid in alternate monthly instalments of 31 and 30 days' pay and allowances.

12. (*a*) If any officer, warrant officer or man dies before he and his dependents have received any part or the whole of the gratuity herein provided for and if there survive him dependents who would have been entitled under paragraph 3, above, to a portion of the gratuity equal to Separation Allowance, or who would have been so entitled had the officer, warrant officer or man been in receipt of ordinary Canadian Expeditionary Force rates of pay and allowances immediately before his retirement or discharge, the portion of the gratuity unpaid at the time of his death shall be payable to such dependents.

(*b*) Except as provided in clause (*a*), above, if any officer, warrant officer or man dies before he has received any part or the whole of the gratuity herein provided for, the portion of the gratuity unpaid at the time of his death shall not become payable.

13. No officer, warrant officer or man and his dependents shall, irrespective of the length or character of his service in one or several forces, except as provided in paragraph 2, clauses (*a*) and (*b*), above, be entitled to receive in all a gratuity equal to more than 183 days' pay and allowances, calculated by reference to the highest rate of pay and allowances to which they were entitled at the time of any retirement or discharge, or calculated by reference to paragraph 2, above.

14. The gratuity herein provided for, except as in these regulations otherwise provided, shall be payable to any officer, warrant officer or man and his dependents, as follows :

31 days' pay and allowances on the day of his retirement or discharge and the remainder, if any, in alternate monthly payments thereafter of 30 and 31 days' pay and allowances.

15. Where it appears that an officer, warrant officer or man has, while in the service, omitted to make proper provision for his wife and children, whether legitimate or illegitimate, or in any case in which the circumstances seem to him to so require, the Director of the Naval Service in the case of the naval forces, or the Paymaster General, Militia and Defence, in the case of the land forces, may direct the gratuity hereby authorized to be applied in or towards the making of provision so far as possible for the said wife and children or as the circumstances may demand.

16. Nothing in these regulations shall adversely affect the rights of any officer, warrant officer or man heretofore retired or discharged under the Order in Council cancelled hereby and his dependents ; and in any case where an officer, warrant officer or man of the Naval Forces has served on active service in a ship of the Royal Navy, or where an officer, warrant officer or man of the Land Forces has served on active service at the Front in any actual theatre of war, and was entitled under the Regulations in force at the time of his retirement or discharge to no gratuity or to a gratuity smaller than the gratuity to which he would have been entitled had these regulations been in force at the time of such retirement or discharge, the gratuity provided for by these regulations, less the amount of post discharge pay paid, will be paid to the officer, warrant officer or man and his dependents.

19. Increase of Separation Allowance in the above cases will take effect from the date on which such promotion occurred.

20. The rate of Separation Allowance will not be reduced when an officer or soldier reverts or is reduced overseas to rank lower than the temporary substantive rank held by the officer or soldier on his arrival overseas, unless such reversion or reduction is in consequence of misconduct or inefficiency. If the rate of Separation Allowance is reduced in consequence of reversion or reduction to lower rank, such decrease will take effect from date of reversion or reduction.

21. In the cases of officers and soldiers who die while serving and whose dependents are in receipt of Separation Allowance, Separation Allowance and Assigned Pay will continue to be paid until the end of the month in which the casualty is reported.

22. In the cases of officers and soldiers who are reported missing and whose dependents are in receipt of Separation Allowance, Separation Allowance will continue to be paid monthly thereafter and Assigned Pay will continue as from the first day of the month following that in which the casualty is reported begin to be paid monthly thereafter at a rate equal to 15 days' pay of rank of the officer or soldier (Working Pay and Field Allowance excluded) until the end of the month in which the officer or soldier is officially reported dead. SECTION 4—WITHDRAWAL, CESSATION AND SUSPENSION.

24. The allowance will be discontinued to a dependent who is, owing to serious misconduct, unworthy to receive it.

25. Except as provided in para. 26, the allowance, if otherwise issuable, will not be withheld for periods in which the officer or soldier forfeits pay.

26. Payment of the allowance and assigned pay will be suspended upon an officer or soldier being reported absent without leave. The account will be closed from the date on which it was suspended, upon the officer or soldier having been absent without leave for 21 days. If the officer or soldier rejoins within seven days, payments suspended under the above provision will be resumed from the date suspended, but if he is absent without leave for more than seven days the allowance will be resumed only from the date upon which he rejoins, and assigned pay not exceeding fifteen days' pay of rank per month will be paid dependents from the date the allowance was resumed.

27. Dependents of officers and soldiers reported "Prisoners of War" will continue to draw the allowance as if the officer or soldier were still on active service.

28. When an officer is struck off strength or a soldier is discharged without Post Discharge Pay, or war service gratuity Separation Allowance will be continued to the end of the month in which the officer or soldier is struck off strength or discharged. When an officer is dismissed the service or a soldier is discharged with ignominy, the allowance will cease on the date of the promulgation of the sentence.

SECTION 5—WIVES AND LEGITIMATE CHILDREN.

29. The Allowance will not be granted for motherless children of an officer or soldier if it appear that the officer or soldier has not supported such children for a reasonable period.

30. When the Allowance is claimed by an officer or a soldier for his motherless children, a guardian of the children should be named in writing by the officer or soldier for the purpose of receiving the Allowance.

31. The Allowance will not be issued for dependents who are maintained in a Dominion or Provincial Institution at the expense of the Dominion or a Provincial Government.

32. Where a wife is separated from her husband by divorce, written Separation Agreement, Judicial Decree of Separation from bed and board, or other similar Judicial Decree parting her from her husband, and is entitled under such agreement or by order of a competent court to payments from her husband, she will be eligible to receive only the amount of such payments. Such payments will be made from Separation Allowance issued to her and, if the Separation Allowance does not equal the amount so agreed upon or ordered to be paid by the Court, a compulsory assignment of pay, equivalent to the difference between Separation Allowance and such payments, but not exceeding 15 days' pay of rank (Working Pay and Field Allowance excluded) of the officer or soldier, may be put into effect against the officer or soldier.

33. Where a wife is separated from her husband, as set out in para. 32 above, and is living apart from the children and is not charged with their care, Separation Allowance or Assigned Pay or a portion thereof, subject to any valid claim of the wife by virtue of Separation Agreement or Judicial Decree, may be issued to the guardian of the children.

34. If a wife has been separated from her husband by Divorce written Separation Agreement or Judicial Decree, and it does not appear that the husband is absolved from supporting her, and if the wife furnishes satisfactory explanations for not having obtained a judgement for alimony, Separation Allowance may be issued to the wife.

35. Where the separation is by virtue of divorce, written Separation Agreement or Judicial Decree, and the wife for a reasonable time prior to the enlistment of the officer or soldier was separated from him and was not in receipt of any payments from him or entitled to any payments under an order for maintenance, no issue of Separation Allowance will be made, unless the officer or soldier assigned to her 15 days' pay of rank (Working Pay and Field Allowance excluded). If the wife is entitled to payments from her husband under an order for maintenance, such payments may be made as prescribed by Order in Council (P.C. 186), dated 24th January, 1918.

SECTION 6—OTHER DEPENDENTS.

36. In case where the Allowance is issuable under para 4, clause (1), and the officer or soldier marries after enlistment, if the dependent under para. 4, clause (1), has one or more children of the officer or soldier, the Allowance will continue to be paid to her as the guardian of such children, but Assigned Pay may be transferred to the legal wife. If such dependent has no children of the officer or soldier and the legal wife of the soldier is eligible to receive the Allowance, the Allowance will be discontinued to the dependent above mentioned and be paid to the legal wife.

37. Any material improvement in the financial condition of a mother receiving the Allowance as a mother, must be at once communicated to the officer issuing Separation Allowance, and the withholding of such information whereby payments have been obtained shall be deemed to constitute fraudulent action.

38. The allowance to a widowed mother will cease upon her remarriage or upon the marriage of her son in respect of whom the Allowance has been granted.

SECTION 7—DEATH OF DEPENDENT.

39. In cases where a dependent who is in receipt of Separation Allowance dies, Separation Allowance and Assigned Pay must be paid for the month in which the dependent dies, in trust to be applied towards the funeral expenses of the dependent.

SECTION 8—PROCEDURE FOR MAKING CLAIMS ON ENLISTMENT.

40. On appointment, every officer, and, on enlistment, every soldier claiming Separation Allowance for a dependent will make application for same to the Paymaster of his unit. All applications for the allowance on the ground of "sole support" and as "guardian" must be accompanied by Statutory Declarations and such other documentary evidence as may be required to substantiate the claim.

41. A soldier who has a dependent, but considers such dependent not eligible for Separation Allowance under these Regulations, will be required to deliver to the Paymaster of his unit a statement under oath of the reason he considers such dependent not eligible for the Allowance. Otherwise, if such dependent make a claim for Separation Allowance, it will be assumed that the officer or soldier knows no valid reason why the Allowance should not be granted and a compulsory assignment put in force against him.

42. Where the claim for Separation Allowance under para. 40 is refused as inadmissable, the amount of pay assigned by the soldier will be paid to the person named, unless it appear that the soldier has a depend-

ent eligible for Separation Allowance, in which case Separation Allowance may be granted to such dependent and action taken in accordance with para. 16 above.

CLAIMS AFTER ENLISTMENT.

43. An officer or soldier intending to marry must inform his paymaster of such intention a sufficient length of time in advance of the marriage to allow steps to be taken to discontinue the issue of any Separation Allowance or Assigned Pay previously authorized for another dependent on his account. He will, at the same time, state whether such issue of Separation Allowance or Assigned Pay has been authorized and, if so, to whom.

44. As soon as the marriage has taken place upon the production to the Paymaster of the Marriage Certificate, notification, showing the date and place of marriage and the wife's full name and address, will appear in Part II Orders, and an application for Separation Allowance will be completed by the officer or soldier and delivered to the Paymaster. The latter will satisfy himself that the wife of the soldier is of good character before any action in respect of payment is taken. If there is any doubt in the matter, the fullest enquiry is to be made by the Paymaster and a report sent to the officer issuing the Separation Allowance and Assigned Pay.

45. In cases of dependents other than wives and legitimate children unless the application for Separation Allowance is made within sixty days of appointment or enlistment, no arrears of the allowance will be issued for the period prior to the first day of the month in which application was made. 28-1

THE SENATE.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As revised and brought in force 22nd March, 1916.

Every applicant for a bill of divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia, or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but, otherwise, shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called " the respondent."

If the residence of the respondent is not known, or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for a bill of divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage the names in full of the parties thereto, their ages and occupations, when, where, and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of, the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893.*

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(*1*) The petitioner's residence at the time of service.

(*2*) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(*3*) The name and address of the solicitor, if any, acting for the petitioner.

(*4*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*5*) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(*a*) The respondent's residence at the time of sending such notice.

(*b*) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(*c*) The name and address of the solicitor, if any, acting for the respondent.

(*d*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*6*) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(*7*) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the

satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars ($210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que le ministre de l'Intérieur fait rapport qu'il est opportun et d'intérêt public que certaines étendues des rives de l'océan Atlantique contiguës à la rivière Coppermine et à l'anse Bathurst, et que l'on dit receler des gisements de cuivre natif devraient être soustraites à l'application des dispositions des règlements des mines pour que le gisement de cuivre natif présumé se trouver dans cette région puisse être soumis à un examen minutieux.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, d'autoriser par les présentes le ministre de l'Intérieur à soustraire à l'application des dispositions des règlements régissant la concession des claims miniers de quartz sur les terres fédérales dans le Manitoba, la Saskatchewan, l'Alberta, les Territoires du Nord-Ouest et le Territoire du Yukon, établis par arrêté en conseil du 25 mai 1917, ainsi que des dispositions des règlements régissant les mines de placer du Manitoba, la Saskatchewan, l'Alberta et les Territoires du Nord-Ouest du Canada, établis par arrêté en conseil du 8 février 1909, cette partie des Territoires du Nord-Ouest située au nord du 65e parallèle de latitude nord et entre les 105e et 116e degrés de longitude ouest comprenant les îles du golfe Coronation et de l'anse Bathurst ainsi que le territoire adjoint.

Vendredi, le 27e jour de décembre 1918.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 20 décembre 1918, représentant que la compagnie dite "Canada Cement Company, Limited," a fait rapport de la découverte d'un gisement d'argile dans une partie de la subdivision légale 12 de la section 34, township 10, rang 6, à l'ouest du 4e méridien, comprenant une superficie de 21.26 acres, et que ladite argile a été trouvée convenable pour la fabrication du ciment :

Vu que cette argile, pour laquelle une demande de bail a été soumise, doit être employée comme un des ingrédients pour la fabrication du ciment et non pour la fabrication de la brique et autres produits de l'argile, le ministre demande l'autorisation de louer à la compagnie l'étendue de terrain demandée sous l'empire des dispositions des règlements régissant la cession à bail des terrains contenant du calcaire, du granit, de l'ardoise, du gypse, de la marne, du gravier, du sable ou toute pierre à bâtir, approuvés par arrêté en conseil du 13 mai 1910, et rétablis par arrêté en conseil du 16 août 1911. Ce bail ne sera pas sujet cependant aux dispositions de l'arrêté en conseil du 21 novembre 1912, qui traite de la cession à bail des terres fédérales contenant des gisements d'argile qui doit être employée dans la fabrication de la brique et autres produits de l'argile.

Le comité agrée cette recommandation et la soumet pour approbation.

4. Le paiement additionnel auquel il est fait allusion dans les paragraphes 1, 2 et 3 des présents règlements sera payable à dater du 1er septembre 1918, d'où date l'augmentation de l'allocation de séparation.

5. Les paiements de pension faits d'avance le 1er janvier 1919, pour le mois de janvier 1919, seront censés avoir été faits comme arrérages le 31 décembre 1918, pour le mois de décembre 1918 et, à l'avenir, le paiement des pensions aura lieu le dernier jour du mois pour tel mois au lieu du 1er jour de tel mois.

Mardi, le 24e jour de décembre 1918.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que le ministre de la Milice et de la Défense fait rapport que par un arrêté en conseil (C.P. 2375), daté le 25 août 1917, ont été approuvés certains règlements concernant l'allocation de séparation pour le Corps Expéditionnaire Canadien, et que par un arrêté en conseil (C.P. 3257), daté le 29 novembre 1917, et par un arrêté en conseil (C.P. 2753), daté le 7 novembre 1918, certains amendements ont été apportés à ces règlements concernant le tarif de l'allocation de séparation.

Et attendu qu'il est opportun d'appliquer les règlements susdits aux dépendants qui auront droit à l'allocation de séparation, et de reviser les règlements sous certains autres rapports.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil d'approuver par les présentes les règlements annexés concernant l'allocation de séparation pour le Corps Expéditionnaire Canadien, ces règlements étant mis en vigueur à partir du premier jour de janvier 1919.

RODOLPHE BOUDREAU,
Greffier du Conseil privé.

RÈGLEMENTS RÉGISSANT L'ALLOCATION DE SEPARATION POUR LE CORPS EXPEDITIONNAIRE CANADIEN.

ARTICLE 1—EXPLICATION.

1. L'allocation de séparation est une gratification payée par le Gouvernement du Canada à ceux qui dépendent des membres du Corps Expéditionnaires Canadien pendant qu'ils font partie de l'effectif de ce corps.

2. Le but de cette allocation est d'aider les membres de ce corps, pendant qu'ils sont en service, à soutenir et loger leurs dépendants respectifs.

3. "Allocation" dans le texte des présents règlements signifie "allocation de séparation".

4. "Dépendants" dans les présents règlements comprend :

(*a*) Epouse.

(*b*) Enfants légitimes, orphelins de mère d'un officier ou soldat, dans le cas de garçons au-dessous de 16 ans, et dans le cas de filles au-dessous de 17 ans.

(*c*) Enfants adoptifs d'un officier ou soldat ; dans le cas de garçons de moins de 16 ans, et dans le cas de filles de moins de 17 ans, pourvu que l'officier ou le soldat ait été le soutien régulier de ces enfants.

(*d*) Veuve-mère, si l'officier ou le soldat est son "seul soutien" et n'est pas marié dans le sens que l'entendent les présents règlements.

(*e*) Mère, abandonnée par son mari qui n'a pas été son soutien pendant une période raisonnable, si l'officier ou le soldat est son "seul soutien" et n'est pas marié dans le sens que l'entendent les présents règlements.

(*g*) Mère, ainsi que décrite aux paragraphes (d), (e) ou (f) ci-dessus, dont deux fils non mariés sont les principaux soutiens et sont tous deux membres du Corps Expéditionnaire Canadien. Si l'un de ces deux fils meurt en service actif et qu'aucune pension ne soit accordée, l'allocation continuera pour l'autre fils tant qu'il sera le principal soutien de la mère.

(*h*) Mère, ainsi que décrite aux paragraphes (d), (e) ou (f) ci-dessus, dont trois ou plus de trois fils non mariés sont le soutien, trois de ces fils étant membres du Corps Expéditionnaire Canadien. Si un ou plus d'un desdits fils meurent en service actif et qu'aucune pension ne soit accordée en ce qui le concerne, l'allocation sera continuée pour l'un des autres fils.

(*i*) Père dont la femme est morte et qui est totalement incapable de gagner sa vie, si l'officier ou le soldat est son "seul soutien" et n'est pas marié dans le sens que l'entendent les présents règlements.

(*j*) Père dont la femme est morte et qui est totalement incapable de gagner sa vie et dont deux fils non mariés sont les principaux soutiens, ces deux fils étant membres du Corps Expéditionnaire Canadien. Si l'un desdits fils meurt en service actif et qu'aucune pension ne soit accordée en ce qui le concerne, l'allocation sera continuée pour l'autre fils tant qu'il restera le principal soutien du père.

(*k*) Père dont la femme est morte et qui est totalement incapable de gagner sa vie et qui dépend de trois ou plus de trois fils non mariés, dont trois sont membres du Corps Expéditionnaire Canadien. Si un ou plus d'un desdits fils meurent en service actif et qu'aucune pension n'est accordée en ce qui le concerne, l'allocation sera continuée pour un des autres fils.

(*l*) Femme avec laquelle un officier ou soldat non marié vivait en relations domestiques et qu'il représentait publiquement comme étant sa femme et soutenait régulièrement sur un pied domestique depuis un temps raisonnable avant son enrôlement.

5. "Officiers" dans les présents règlements comprend tous les officiers et infirmières enrôlés dans le Corps Expéditionnaire Canadien.

6. "Soldats" dans les présents règlements signifie et comprend les hommes de tous grades, sauf les officiers, dûment enrôlés et servant dans l'effectif du Corps Expéditionnaires Canadien.

7. "Officiers et soldats non mariés" dans les présents règlements signifie et comprend les veufs sans enfants et les officiers et soldats mariés, pourvu qu'aucune allocation de séparation ne soit payée à leur femme ou à leurs enfants légitimes.

8. "Mère" dans les présents règlements signifie et comprend mère nourricière et belle-mère.

9. "Enfants" dans les présents règlements signifie et comprend beaux-fils et belles-filles.

ARTICLE 2.—INSTRUCTIONS GÉNÉRALES.

Les présents règlements seront en vigueur à partir du 1er jour de janvier 1919 et remplaceront tous autres règlements et décrets déjà promulgués en ce qui concerne l'allocation de séparation. Ils n'auront aucun effet rétroactif sauf celui de confirmer les décisions déjà rendues et ce qui a été fait conformément à leurs dispositions.

TARIF D'ALLOCATION.

(11) Le tarif d'allocation sera comme suit :

Simples soldats	$30.00	par mois.
Sergents et autres grades inférieurs à celui de sous-officier (1ère classe)	30.00	"
Sous-officiers (1ère classe)	35.00	"
Lieutenants	40.00	"
Capitaines	40.00	"
Majors	50.00	"
Officiers d'un grade supérieur à celui de major	60.00	"

12. Nulle personne ne recevra plus qu'une allocation pour elle-même ou à son propre bénéfice.

13. L'allocation de séparation ne sera pas accordée dans le cas d'une infirmière qui reçoit elle-même une allocation de séparation à titre de dépendante.

14, Il n'est accordé pour chaque officier et soldat qu'une seule allocation qui sera payée à et pour son dépendant. Toutefois, dans des cas exceptionnels, comme dans le cas d'une épouse résidant dans une localité et d'enfants d'une épouse précédente résidant dans un autre endroit, l'allocation peut être partagée.

15. Si l'officier ou le soldat reçoit un salaire du Gouvernement fédéral ou d'un gouvernement provincial tandis qu'il est en service dans le Corps Expéditionnaire Canadien, aucune allocation de séparation n'est payée à moins que le salaire en question soit moindre que l'allocation de séparation, alors que la différence est payée.

16. Les officiers au compte desquels l'allocation de séparation est payable en raison de ce qu'ils sont "seuls soutiens", et les soldats au compte desquels l'allocation de séparation est payable ou serait payable, sauf à cause du fait qu'un salaire leur est payable par le Gouvernement fédéral ou un gouvernement provincial, doivent déléguer à leurs dépendants au moins quinze jours de la solde régulière (la solde de service et l'allocation de campagne exceptées.) Les soldats qui reçoivent la solde de service devront remettre cinquante pour cent de leur solde de service à tels dépendants, en outre de la délégation obligatoire ci-dessus ; les soldats appartenant au corps forestier qui reçoivent des soldes pour services techniques devront remettre cinquante pour cent de telles soldes à leurs dépendants. Dans les cas où cette délégation n'a pas été faite, une délégation obligatoire de quinze jours de solde régulière (la solde de service et l'allocation de campagne exceptées) et une remise obligatoire de cinquante pour cent de la solde de service ou de la solde technique, ainsi que ci-dessus décrite, peuvent être faites pour cet officier ou ce soldat Dans les cas où une délégation ou remise obligatoire est faite pour un officier ou un soldat, cet officier ou ce soldat doit être immédiatement notifié de ce fait. S'il s'objecte et présente les raisons de ses objections, il sera décidé si la délégation ou remise obligatoire sera continuée ou non.

ARTICLE 3— PROMOTION, INVALIDITÉ, DISPARITION, ETC.

17. Dans le cas d'un officier et dans le cas d'un officier non-breveté promu au grade de sous-officier (1ère classe), l'allocation de séparation augmentera automatiquement avec la promotion, pourvu que cette promotion ait été confirmée et publiée dans la partie II des Ordres Quotidiens, citant l'autorité compétente.

18. La promotion à un grade provisoire comporte aussi une augmentation de l'allocation de séparation, pourvu que l'officier ou le sous-officier provisoire soit autorisé à retirer la solde et les allocations de tel grade supérieur provisoire ; ou s'il reçoit la solde consolidée, il retirera la solde de tout grade supérieur provisoire qu'il occupe, au lieu de la solde autorisée pour son grade nominal temporaire.

19. L'augmentation de l'allocation de séparation dans les cas ci-dessus comptera de la date de la promotion.

20. L'allocation de séparation ne sera pas réduite quand un officier ou soldat retournera ou sera réduit outre-mer à un grade inférieur au grade nominal temporaire de cet officier ou soldat à son arrivée outre-mer, à moins que ce retour ou cette réduction ait pour cause l'inconduite ou l'incapacité. Si l'allocation de séparation est réduite en conséquence du retour ou de la réduction à un grade inférieur, cette diminution datera du retour ou de la réduction.

21. Dans le cas d'officiers et soldats qui meurent en service et dont les dépendants reçoivent l'allocation de séparation, cette allocation et la solde déléguée continueront à être payées jusqu'à la fin du mois durant lequel la mort a été rapportée.

22. Dans le cas d'officiers et soldats qui sont rapportés disparus et dont les dépendants reçoivent l'allocation de séparation, cette allocation continuera à être payée mensuellement et la solde déléguée continuera à dater du premier jour du mois suivant celui durant lequel la disparition est rapportée et sera payée mensuellement en quotité égale à quinze jours de solde du grade de l'officier ou soldat (solde de service et allocation de campagne exceptées) jusqu'à la fin du mois dans lequel la mort de l'officier ou soldat est officiellement rapportée. Dans les cas où les allocations de la force permanente ont été payées à un dépendant au lieu de l'allocation de séparation, la délégation de solde continuera jusqu'à la fin du mois dans lequel la disparition a été rapportée, et une somme égale à l'allocation de séparation et à quinze jours de solde du grade de l'officier ou soldat (la solde de service et l'allocation de campagne exceptées) sera payée à dater du premier jour du mois suivant celui où la disparition de l'officier ou soldat a été officiellement rapportée jusqu'à la fin du mois dans lequel la mort de l'officier ou soldat est officiellement rapportée.

23. Dans le cas d'officiers et soldats qui meurent en service ou qui sont disparus et dont les dépendants ne reçoivent que la solde déléguée, le paiement de cette solde déléguée continuera jusqu'à la fin du mois au cours duquel la mort ou la disparition est premièrement rapportée.

ARTICLE 4—CESSATION ET SUSPENSION.

24. L'allocation sera discontinuée dans le cas d'un dépendant qui, à cause d'inconduite sérieuse, est indigne de la recevoir.

25. Sauf ainsi que prévu au paragraphe 26, l'allocation, si elle est autrement payable, ne sera pas retenue pour les périodes pendant lesquelles la solde de l'officier ou soldat est confisquée.

26. Le paiement de l'allocation et de la solde déléguée sera suspendu dès qu'il sera rapporté qu'un officier ou soldat est absent sans congé. Le compte sera clos de la date où l'allocation a été suspendue dès que l'officier ou soldat aura été absent sans congé pendant 21 jours. Si l'officier ou le soldat retourne en service dans les sept jours, les paiements suspendus sous l'empire des dispositions ci-dessus recommenceront de la date de la suspension, mais s'il est absent sans congé pour plus que sept jours l'allocation ne recommencera que de la date de son retour, et la solde déléguée n'excédant pas quinze jours par mois de la solde régulière sera payée aux dépendants à partir de la date où l'allocation a recommencé.

27. Les dépendants des officiers et soldats rapportés " prisonniers de guerre " continueront à recevoir l'allocation comme si ces officiers et soldats étaient en service actif.

28. Quand un officier est rayé de l'effectif ou qu'un soldat est congédié sans solde de congé ou sans gratification de service, l'allocation de séparation est continuée jusqu'à la fin du mois dans lequel l'officier ou soldat est rayé de l'effectif ou congédié. Quand un officier est réformé ou qu'un soldat est ignominieusement réformé, l'allocation cesse de la date de la promulgation du jugement.

ARTICLE 5—ÉPOUSES ET ENFANTS LÉGITIMES.

29. L'allocation ne sera pas accordée aux enfants orphelins de mère d'un officier ou soldat s'il appert que cet officier ou soldat n'a pas soutenu ces enfants pendant une période raisonnable.

30. Lorsqu'un officier ou soldat réclame l'allocation pour ses enfants orphelins de mère, l'officier ou le soldat doit désigner par écrit, pour recevoir cette allocation, un gardien des enfants.

31. L'allocation ne sera pas payée pour les dépendants qui sont maintenus dans une institution fédérale ou provinciale aux frais du gouvernement fédérale ou d'un gouvernement provincial.

32. Lorsqu'une femme est séparée de son mari par divorce, convention écrite ou décret judiciaire de séparation de corps et de biens, ou autre décret judiciaire semblable la séparant de son mari, et qu'elle a droit, en vertu de cette convention ou sous l'empire d'un ordre d'un tribunal compétent à des paiements de son mari, ces paiements seront versés à même l'allocation de séparation qui lui est payée, et si l'allocation de séparation n'égale pas le montant ainsi convenu ou que le tribunal a ordonné de payer, une délégation obligatoire peut être faite de la solde de l'officier ou du soldat égale à la différence entre l'allocation et tels paiements, mais n'excédant pas quinze jours de la solde régulière (la solde de service et l'allocation de campagne exceptées).

33. Quand une femme est séparée de son mari ainsi que spécifié au paragraphe 32 ci-dessus et qu'elle ne vit pas avec ses enfants et n'a pas charge de leur soutien, l'allocation de séparation ou la solde déléguée, ou une partie, peut être payée au gardien des enfants, sujet toutefois à tout droit qu'à la femme en vertu de la convention de séparation ou du décret judiciaire.

34. Si la femme a été séparée de son mari par divorce, convention de séparation ou décret judiciaire et qu'il n'appert pas que le mari est exempté de son soutien, et si la femme donne des raisons satisfaisantes pour n'avoir pas obtenu un jugement lui accordant une pension alimentaire, l'allocation de séparation peut être payée à la femme,

35. Quand la séparation n'est pas en vertu d'un divorce, d'une convention écrite ou d'un décret judiciaire

et que la femme était séparée de l'officier ou du soldat depuis un temps raisonable avant l'enrôlement sans recevoir de lui de paiements quelconques ou n'avait pas droit à des paiements en vertu d'un ordre lui accordant une pension alimentaire, il n'est pas payé d'allocation de séparation à moins que l'officier ou soldat ne lui ait délégué quinze jours de solde régulière (la solde de service et l'allocation de campagne exceptées). Si la femme à droit à des paiements de son mari en vertu d'un ordre lui accordant une pension alimentaire ces paiements peuvent être faits ainsi que prescrit par l'arrêté en conseil n° 186 daté le 24 janvier 1918.

ARTICLE 6—AUTRES DÉPENDANTS.

36 Dans le cas où l'allocation est payable en vertu du paragraphe 4, aliéna (1), et que l'officier ou soldat se marie après l'enrôlement, si le dépendant sous le régime du paragraphe 4, aliéna (1), a un enfant ou plus de l'officier ou soldat, l'allocation continuera à lui être payée à titre de gardienne de tels enfants, mais l'allocation de séparation peut être transférée à la femme légitime. Si cette dépendante n'a pas d'enfants de l'officier ou du soldat et que la femme légitime du soldat a droit de recevoir l'allocation, cette allocation sera discontinuée à la dépendante ci-dessus mentionnée et payée à la femme légitime.

37. Toute amélioration matérielle dans la condition financière d'une mère qui reçoit l'allocation à titre de mère doit être immédiatement communiquée à l'officier qui paie l'allocation de séparation, et le fait d'avoir caché ce renseignement et par là obtenu certains paiements sera censé constituer un acte frauduleux.

38. L'allocation à une veuve mère cessera dès qu'elle contractera un nouveau mariage ou que se mariera son fils pour lequel l'allocation avait été accordée.

ARTICLE 7—MORT DU DÉPENDANT.

39. Dans le cas où meurt un dépendant qui reçoit l'allocation de séparation, cette allocation et la solde déléguée peuvent être payées pour le mois dans lequel meurt le dépendant, en fidéicommis pour être appliquées au paiement des frais funéraires du dépendant.

ARTICLE 8.—PROCÉDURE À SUIVRE DANS LES RÉCLAMATIONS À L'ENRÔLEMENT.

40. Lors de sa nomination tout officier, et tout soldat lors de l'enrôlement, qui demandera l'allocation de séparation pour un dépendant doit se présenter à l'officier payeur de son unité. Toutes les demandes d'allocation à titre de "seul soutien" et de "gardien" doivent être accompagnées d'une déclaration statutaire et de telle autre preuve documentaire qui peut être requise pour établir la légitimité de la demande.

41. Un soldat qui a un dépendant qu'il considère ne pas avoir droit à l'allocation de séparation sous l'empire des présents règlements devra remettre à l'officier payeur de son unité une déclaration sous serment de la raison qui le fait considérer que ce dépendant n'a pas droit à l'allocation. Autrement, si ce dépendant demande l'allocation de séparation il sera présumé que l'officier ou le soldat ne connaît aucune raison valide de refuser le paiement de l'allocation ou la délégation obligatoire de sa solde.

42. Quand la demande d'allocation de séparation sous l'empire du paragraphe 40 est refusée comme étant inadmissible, le montant délégué par le soldat sur sa solde sera payé à la personne désignée à moins qu'il ne soit démontré que le soldat a un dépendant ayant droit à l'allocation de séparation ; dans ce dernier cas l'allocation peut être accordée à ce dépendant, et il peut en être fait conformément au paragraphe 16 ci-dessus.

RÉCLAMATIONS APRÈS L'ENRÔLEMENT.

43. Un officier ou soldat qui a l'intention de se marier doit en avertir son officier payeur assez longtemps avant son mariage pour lui permettre de prendre les mesures nécessaires afin de discontinuer l'allocation de séparation ou la délégation de la solde antérieurement autorisée pour un autre dépendant. Il déclarera en même temps si telle allocation de séparation ou délégation de solde a été autorisée, et, dans ce cas, à qui.

44. Dès que le mariage a eu lieu, sur présentation à l'officier payeur du certificat de mariage, un avis indiquant la date et le lieu du mariage et donnant les noms et prénoms et l'adresse de l'épouse sera publié dans la Partie II des Ordres, et une demande d'allocation de séparation et de de délégation de solde sera faite par l'officier ou le soldat et remise à l'officier payeur. Celui-ci constatera que la femme du soldat jouit d'une bonne réputation avant de faire quoi que ce soit en vue du paiement. S'il y a un doute quelconque à ce sujet, l'officier payeur fera une enquête minutieuse, puis adressera un rapport à l'officier qui autorise l'allocation de séparation et la délégation de la solde.

45. Dans les cas de dépendants autres que les épouses et les enfants légitimes, à moins que la demande n'ait été faite dans les soixante jours qui suivent l'enrôlement, aucun arrérage d'allocation ne sera payé pour la période antérieure au premier jour du mois dans lequel la demande a été faite. 28-1

HOTEL DU GOUVERNEMENT A OTTAWA.

Samedi, le 21e jour de décembre 1918.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que le ministre de la Milice et de la Défense et le ministre du Service Naval font rapport que par un arrêté en Conseil (C. P. 2032), daté le 17e jour d'août 1918, certains règlements ont été établis concernant le paiement de la solde de congé aux officiers, sous-officiers et soldats des forces navales et militaires du Canada ;

Qu'en vue de la signature de l'armistice dans la guerre européenne et la démobilisation qui s'ensuit, une gratification de service devrait être payée aux officiers, sous-officiers et soldats des forces navales et militaires au lieu de la solde de congé et que, de plus, il est désirable que les règlements qui suivent soient censés avoir été en vigueur depuis le commencement de la guerre en ce qui concerne les officiers, sous-officiers et soldats des forces navales qui ont servi sur un navire de la Marine Royale et les officiers, sous-officiers et soldats des forces militaires qui ont servi au front sur un théâtre actuel de guerre ; et du 11 novembre 1918, pour les officiers, sous-officiers et soldats qui n'ont pas fait tels services.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil de décréter par les présentes, que ledit arrêté en conseil du 17e jour d'août 1918 soit par les présentes abrogé et que les règlements suivants soient établis et lui soient substitués :

Règlements.

1. Dans les présents règlements, à moins que le contexte n'exige une interprétation différente,

(*a*) "Officier", "sous-officier" et "soldat" a la même signification que dans les "Ordres du Roi" et les Instructions de l'Amirauté ou dans la *Loi de la Milice*, selon le cas ; et "officier" comprend "infirmière" ;

(*b*) "retraite" comprend le retour à son unité dans la Milice d'un officier qui quitte le service actif et ne reçoit plus de paye.

(*c*) "congé définitif" comprend le retour à son unité non-permanente dans la milice qui n'est pas en service actif d'un homme appartenant à cette unité ;

(*d*) "outre-mer" signifie dans l'effectif pour la solde et les allocations.

(I) d'un état-major général ou administratif ;

(II) d'un des services ou départements administratifs ;

(III) d'une des unités du Corps Expéditionnaire Canadien qui était hors du Canada ou des Etats-Unis lorsque telles soldes et allocations sont devenues payables ;

(IV) ou du commandement des services de réforme ayant à une époque quelconque été en service hors du Canada ou des Etats-Unis ;

(*e*) "au front sur un théâtre réel de guerre" ne comprend pas le service en Canada, aux Etats-Unis, dans les Iles Britanniques, à Ste-Lucie, aux Bermudes ou sur les hautes mers.

(*f*) "solde et allocations" comprend la solde et les allocations percevables en argent par l'officier, le sous-officier ou soldat concerné ou par ses dépendants pour son service, excepté les allocations accordées au lieu des allocations pour rations, logement ou subsistance ou allocation d'ordinaire.

2. Sauf lorsque autrement prévu dans les présents règlements, tout officier, sous-officier ou soldat ayant servi ou pouvant à l'avenir servir dans les forces navales ou militaires du Canada en service actif, ainsi qu'indiqué dans la première colonne de l'annexe ci-jointe, qui faisait partie de l'effectif des forces navales ou militaires du Canada en service actif le 11 novembre 1918 ou qui, le ou après le 11 novembre 1918, prend sa retraite ou est mis en retraite ou reçoit son congé au cours de la présente guerre ou pendant la démobilisation qui s'ensuit, et ses dépendants ont droit à une gratification de guerre égale à la solde et aux allocations que lui et ses dépendants auraient reçues s'il était resté en service pendant 31, 61, 92, 122, 153, ou 183 jours après sa retraite ou la date de son congé, ainsi que spécifié dans la deuxième colonne de l'annexe, au même taux de solde et d'allocations que lui et ses dépendants recevaient ou avaient droit de recevoir à la date de sa retraite ou de son congé, ou, dans le cas du service naval, d'après la quotité de paye et d'allocation à laquelle lui et ses dépendants auraient eu droit s'il n'eut repris un grade inférieur ou n'eut été réduit ; pourvu toutefois que

(*a*) Dans le cas d'un officier, sous-officier ou soldat avec dépendants qui ont droit ou qui, si immédiatement avant sa mise en retraite ou la date de son congé il recevait la solde et les allocations ordinaires du Corps Expéditionnaire Canadien, auraient eu droit à une partie de la gratification égale à l'allocation de séparation ; si le montant de la gratification auquel lui et ses dépendants ont droit pour une période de 31 jours est moins de $100.00, une solde consolidée de $100.00 lui sera payée au lieu de chaque paiement de solde et allocations de 31 et 30 jours auquel lui et ses dépendants ont ou auraient eu droit, ainsi que plus haut spécifié.

(*b*) dans le cas d'un officier, sous-officier ou soldat sans dépendants, tels que spécifiés à l'article (*a*), si le montant de la gratification à laquelle il a droit, ainsi que ci-haut spécifié, pour une période de 31 jours est moins que $70, une solde consolidée de $70 lui sera payée au lieu du paiement de la solde et des allocations de chaque 31 ou 30 jours auquel il a droit, ainsi que spécifié plus haut.

3. Lorsque l'allocation de séparation a été payée ou était payable durant le service de tout officier, sous-officier ou soldat, à un ou plusieurs de ses dépendants, et aussi dans le cas du Service Naval, lorsque l'allocation de séparation aurait été payable à un ou plusieurs de ses dépendants s'il n'eut alors reçu d'allocation pour logement ou d'allocations au lieu de provisions, une partie de la gratification payable en vertu du paragraphe précédent égale à l'allocation de séparation pour la période d'après laquelle la gratification est calculée sera payée à un ou plusieurs des dépendants, selon le cas, de tel officier, sous-officier ou soldat qui y auraient eu droit si l'officier, le sous-officier ou le soldat avait continué son service, et sera censé être un paiement partiel de la gratification susdite en proportion du montant payé.

4. Nul officier et nul sous-officier des forces navales ou leurs dépendants et nul officier des forces militaires ou ses dépendants n'auront droit à la dite gratification

(*a*) s'il est cassé ou renvoyé du service par une cour martiale ;

(*b*) s'il perd son grade ou sa commission par inconduite ;

(*c*) s'il lui est ordonné de prendre sa retraite ou de démissionner de son grade ou de sa commission pour cause de mauvaise conduite ;

(*d*) si sa démission de membre du Corps Expéditionnaire Canadien est acceptée pour inconduite.

5. Nul soldat des forces navales ou militaires du Canada et aucun de ses dépendants n'aura droit à la dite gratification si ce soldat a été réformé

(*a*) ayant été condamné à être réformé avec ignominie ou, si dans le service naval, ayant été réformé sans disgrâce ;

(*b*) ayant été condamné aux travaux forcés ou ayant été condamné par une cour martiale à l'emprisonnement pour deux ans ou plus.

(*c*) au cours de son service, ayant été trouvé coupable par l'autorité civile d'un délit passible d'emprisonnement pour plus de deux ans, commis soit avant soit après l'enrôlement.

(*d*) pour inconduite.

(*e*) à sa propre demande ou à la demande de ses parents ou gardiens pour la raison qu'il n'était pas en âge (à moins que le Directeur du service naval ou l'officier payeur général, Milice et Défence, ne décide autrement.

6. Tout excès de paiement fait à un officier, sous-officier ou soldat ou à ses dépendants peut être déduit de la gratification autorisée par les présents règlements.

7. Si un officier, sous-officier ou soldat, avant que lui ou ses dépendants aient reçu une partie de la gratification ou toute la gratification à laquelle ils ont droit sous le régime des présents règlements, est enregistré comme enrôlé et a reçu une solde d'un corps naval ou militaire canadien autre que celui dont il est retraité ou a été congédié, la gratification ou la partie de la gratification qui reste alors impayée ne sera pas payée, mais cet officier, sous-officier ou soldat et ses dépendants, lors de sa retraite ou de son congé subséquent, s'il est autrement qualifié pour recevoir la gratification, aura droit de la recevoir ou d'en recevoir la partie qui n'a pas encore été payée, par rapport soit à la solde et aux allocations qu'ils recevaient ou à la solde et aux allocations qu'ils reçoivent lors de telle retraite ou de tel congé subséquent, et de celles-là les plus élevées ; et pour déterminer le montant de la gratification par rapport à la durée et le caractère de son service il aura droit de compter son service dans les deux corps.

8. Nul officier, sous-officier ou soldat des forces navales ou militaires ayant droit de recevoir une gratification de la nature d'une solde de congé du gouvernement impérial ni ses dépendants ne recevront la gratification par les présentes accordée, à moins que la gratification accordée sous le régime des présents règlements n'excède le montant de la gratification accordée par le gouvernement impérial ; dans ce dernier cas la différence sera payée.

9. Si un officier, sous-officier ou soldat qui se présente pour la retraite ou le congé a droit, d'après la recommandation d'un bureau médical ou d'un officier médical, de recevoir la solde et les allocations (autres que la pension) du département du Rétablissement civil des soldats, il ne sera payé ni à lui ni à ses dépendants aucune gratification avant qu'il se soit soumis à tel traitement que peut ordonner le département du Rétablissement civil des soldats, et qu'il ait cessé de recevoir pleine solde et allocations de ce département. Quand la gratification aura cessé de n'être plus payable, comme il est dit ci-dessus, elle sera payée en versements mensuels alternatifs de 31 et 30 jours de solde et d'allocations.

10. Si un Bureau médical naval ou militaire ou un officier médical du département du Rétablissement civil des soldats fait rapport qu'un officier, sous-officier ou soldat doit être soumis à un traitement médical, et que tel officier, sous-officier ou soldat refuse sans raisons valables de se soumettre à tel traitement, ou si à cause de l'inconduite de tel officier, sous-officier ou soldat sous traitement il devient nécessaire, dans l'opinion de tel département, de discontinuer le traitement, ladite gratification ou toute partie d'icelle à laquelle tel officier, sous-officier ou soldat ainsi que leurs dépendants ont droit à la date du rapport de refus de se conformer aux exigences de tel traitement ou à la date de la cessation de tel traitement, peut être retenue jusqu'à ce que ledit département ait certifié que tel officier, sous-officier ou soldat a subi le traitement à la satisfaction dudit département ou que son inconduite lui a été pardonnée. Lorsque la gratification ne sera plus retenue ainsi que ci-haut spécifié, le paiement en sera fait par versements alternatifs mensuels de

solde et d'allocations de 31 et 30 jours. L'interprétation de cette partie du contexte du présent paragraphe relativement au refus de se soumettre au traitement médical, ou à l'inconduite de la part de l'homme concerné est du ressort exclusif du département dont la décision en la matière sera finale.

11. Sur rapport qu'un officier, sous-officier ou soldat, avant que lui ou ses dépendants aient reçu une partie quelconque de la gratification ou toute la gratification prévue par les présentes, a droit à ou reçoit en plein la solde ou les allocations du département de Rétablissement civil des soldats, telle gratification ou telle partie non payée d'icelle lui sera retenue, mais l'officier, le sous-officier ou soldat et ses dépendants, quand il perd subséquemment son droit à recevoir cette somme et ces allocations, auront droit, s'il est autrement qualifié pour recevoir la gratification, à la recevoir en entier ou à en recevoir la quotité impayée en versements mensuels alternatifs de 31 et 30 jours de solde et d'allocations.

12 (*a*) Si un officier, sous-officier ou soldat meurt avant que lui et ses dépendants aient reçu une partie quelconque de la gratification ou toute la gratification prévue aux présentes, et s'il lui survit des dépendants qui auraient eu droit, en vertu du paragraphe 3, à une partie de la gratification égale à l'allocation de séparation, ou qui y auraient eu droit si l'officier, le sous-officier ou le soldat avait reçu le taux ordinaire de solde et d'allocation du corps expéditionnaire canadien immédiatement avant sa retraite ou son congé, la partie de la gratification non payée à sa mort sera payée à tels dépendants.

(*b*) Sauf ainsi que prescrit au paragraphe (a) précédent, si un officier, sous-officier ou soldat meurt avant d'avoir touché une partie quelconque ou le plein montant de la gratification prévue aux préprésentes, la partie de la gratification non payée à sa mort ne sera pas payable.

13. Nul officier, sous-officier ou soldat et ses dépendants, nonobstant la durée de son service dans un ou plusieurs corps, sauf tel que prévu au paragraphe 2, alinéas (*a*) et (*b*) ci dessus, n'auront droit à une gratification totale de plus de 183 jours de solde et allocations, basée sur le taux le plus élevé de solde et d'allocations à laquelle il avait droit lors d'une mise en retraite ou congé, ou calculée conformément aux dispositions du paragraphe 2 qui précède.

14. La gratification prévue aux présentes, sauf lorsque les présents règlements prescrivent autrement, sera payable à tout officier, sous-officier ou soldat et ses dépendants comme suit :—

solde et allocations de 31 jours lors de sa mise en retraite ou de son congé et le reste, s'il y en a, en versements alternatifs mensuels de solde et d'allocations de 31 et 30 jours.

15. Lorsqu'il appert qu'un officier, sous-officier ou soldat, lorsqu'il était au service, a négligé de pourvoir raisonnablement aux besoins de sa femme et de ses enfants, légitimes ou non, ou en tout autre cas où l'autorité ci-après nommée se croit justifiée par les circonstances de ce faire, le directeur du Service Naval, lorsqu'il s'agit de la marine, ou le payeur général de la Milice et de la Défense, s'il s'agit des forces militaires, peut ordonner que la gratification prévue aux présentes soit employée autant que possible à pourvoir aux besoins de ladite femme et desdits enfants selon que les circonstances l'exigent.

16. Rien dans les présents règlements n'affectera les droits de tout officier, sous-officier ou soldat mis en congé ou en retraite en vertu de l'arrêté en conseil par les présentes rescindé, ni les droits de ses dépendants ; et lorsqu'un officier, sous-officier ou soldat des forces navales a fait du service sur un navire de la Marine Royale, ou lorsqu'un officier, sous-officier ou soldat de l'armée de terre a été en service actif au front sur tout théâtre réel de la guerre, et qu'il n'avait droit en vertu des règlements en vigueur lors de sa mise en retraite ou de son congé définitif à aucune gratification ou à une gratification moindre que celle à laquelle il aurait eu droit, si les présents règlements eussent été en vigueur lors de sa mise en retraite ou en congé, la gratification prévue aux présents règlements, moins le montant de la solde de congé payée, sera versée à l'officier, sous-officier ou soldat et leurs dépendants.

DEMANDES AU PARLEMENT.

SÉNAT.

Substances des règles et formes de procédure du Sénat concernant les bils de divorce.

Telles que revisées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre, si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée «partie défenderesse.»

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables on été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante jours premiers de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicil conjugale, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat, aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse, et donner dans cet avis au greffier du Sénat:

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat, doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

A. E. BLOUNT,
Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré dans la *Gazette du Canada;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada,* l doit en être publié un semblable, comme il suit:

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal,* —dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une *compagnie de télégraphe ou de téléphone,* —dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une *compagnie pour la confection de travaux quelconques,* dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une *compagnie de banque; une compagnie d'assurance;* une *compagnie de crédit;* une *compagnie de prêt;* ou une *compagnie industrielle,* sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les requérants devront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis,* que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de prolonger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs), d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit dans la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: *"Avis de bill privé";* ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes, mentionner en même temps et de la même manière les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toutes personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 60 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

A. E. BLOUNT,
Greffier du Sénat.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, mais tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôts de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenue de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollars.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:

(*a*) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill, pour chaque suspension..........	100 00
(*b*) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième............	100 00
(*c*) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session............	200 00
(*d*) Lorsque le capital social projeté d'une compagnie dépasse $250,000, et n'excède pas $500,000...........	100 00
(*e*) Lorsque le capital social projeté d'une compagnie dépasse $500,000, et n'excède pas $750,000...........	150 00
(*f*) Lorsque le capital social projeté d'une compagnie dépasse $750,000, et n'excède pas $1,000,000..........	200 00
(*g*) Lorsque le capital social projeté d'une compagnie dépasse $1,000,000, et n'excède pas $1,500,000..........	300 00
(*h*) Lorsque le capital social projeté d'une compagnie dépasse $1,500,000, et n'excède pas $2,000,000..........	400 00
(*i*) Pour chaque million ou fraction de million de dollars additionnels....	100 00

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de $300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accorde le pouvoir d'augmenter à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire, imposée sous l'empire des alinéas *b* ou *c* de l'article 3, ne sera pas exigée.

W. B. NORTHRUP,
Greffier des Communes.

Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL:

HIS Excellency the Governor General in Council, on the recommendation of the Secretary of State, is pleased to approve and doth hereby approve the following Regulations which have been prepared by the Civil Service Commission, in accordance with the provisions of subsection 2 of section 4 of The Civil Service Act, 1918.

REGULATIONS

OF

THE CIVIL SERVICE COMMISSION OF CANADA

(Approved by His Excellency the Governor General in Council on the 21st December, 1918.)

In accordance with subsection 2 of section 4 of the Civil Service Act, 1918, requiring that the duties of the Civil Service Commission shall be performed in accordance with regulations made by the Commission, and approved by the Governor in Council, the following regulations have been prepared by the Commission and are submitted for approval:—

Examinations for Entrance to the Civil Service.

A. INSIDE SERVICE.

1. In order to comply with section 38, of the Civil Service Act, 1918, which declares that "except as herein otherwise provided, and except in the case of commissioners and other members of any royal or other commission or board, and deputy heads, appointments to positions in the Civil Service shall be by competitive examination, which shall be of such a nature as will determine the qualifications of the candidates for the particular position to which they are to be appointed, and shall be held by the Commission in accordance with regulations to be made by the Commission and approved by the Governor in Council," the Commission will provide for general competitive examinations for entrance to the following divisions and grades of the Inside Service:—

(*a*) Third Division.
(*b*) Grade C of the Second Division for Junior Clerkships.
(*c*) Grade C of the Second Division for Typists.
(*d*) Grade C of the Second Division for Junior Stenographers.
(*e*) Grade B of the Second Division for Senior Clerkships.
(*f*) Grade B of the Second Division for Senior Stenographers.
(*g*) Grade F of the First Division.

2. The general competitive examination for positions in the Third Division shall include the following subjects of the ordinary public school standard: writing, spelling, and the first four rules of arithmetic. The maximum number of marks for each subject shall be one hundred. The minimum percentage of qualification shall be fifty per cent on each subject and sixty per cent on the whole examination.

3. The general competitive examination for junior clerkships of Grade C of the Second Division shall include the following subjects: writing and copying manuscripts, spelling, composition, arithmetic, and geography. The maximum number of marks for each subject shall be one hundred, except in the subjects of writing and copying manuscripts, for each of which the maximum number shall be fifty marks. A maximum rating of 200 marks shall be given for office experience to be determined by length of service, character of work and efficiency therein. No candidate shall be selected for appointment who secures less than fifty per cent of the marks assigned to each subject and sixty per cent of the marks assigned to the whole examination. There shall be no minimum percentage in office experience and marks given therefor shall be in the nature of a bonus to candidates who obtain the required percentage in all other subjects.

4. The general competitive examination for Typists in Grade C of the Second Division shall include the following subjects: writing, copying manuscripts, spelling, and typewriting at 25 words a minute. The maximum number of marks for the subjects of writing and copying manuscripts shall be fifty, for spelling one hundred and for typewriting three hundred. 6. (1) The general competitive examination for senior clerkships in Grade B of the Second Division shall include the following subjects: Writing, copying manuscripts, spelling, letter writing, arithmetic, geography, clerical work and experience. The maximum number of marks assigned to the subjects of writing and copying manuscripts shall be fifty; to spelling, letter writing, arithmetic and geography one hundred; to clerical work three hundred and to experience two hundred. Candidates will be required to have had at least three years' office experience in order to be admitted to this examination. No candidate shall be selected for appointment who secures less than fifty per cent of the marks assigned to each subject and sixty per cent of the marks assigned to the whole examination. There shall be no minimum percentage in office experience and marks given therefor shall be in the nature of a bonus to candidates who obtain the required percentage in all other subjects.

(2) Candidates who fail to secure sufficient marks to pass the examination for senior clerkships in Grade B, but whose rating would, in the judgment of the Commission, be adequate to qualify for junior clerkship of Grade C, may be placed on the list of persons eligible for appointment to that grade of the Service.

7. (1) The general competitive examination for senior stenographers in Grade B of the Second Division, shall include the following subjects: writing, copying manuscripts, spelling, letter writing, stenography (taking business letters at 100 and 120 words a minute and transcribing the notes), and typewriting at 50 words a minute. The maximum number of marks assigned to the subjects of writing and copying manuscripts shall be fifty; to spelling and letter writing one hundred; to stenography three hundred and to typewriting two hundred. Candidates will be required to have had at least three years' office experience in order to be admitted to this examination. There shall be no minimum percentage in office experience and marks given therefor shall be in the nature of a bonus to candidates who obtain the required percentage in all other subjects.

(2) Candidates who fail to secure sufficient marks to pass the examination for senior stenographers in Grade B, but whose rating would in the judgment of the Commission, be adequate to qualify for positions of junior stenographer Grade C, may be placed on the list of persons eligible for appointment to that grade of the Service.

8. (1) Candidates in the general competitive examinations for clerkships of Grade F of the First Division shall take all subjects in Group A of the following list, and any five in Group B:—

A

Writing.

B

(2) The maximum number of marks for each subject shall be one hundred, except in the subject of writing, for which the maximum number of marks shall be fifty. A maximum rating of 200 marks shall be given for office experience to be determined by length of service, character of work and efficiency therein.

(3) No candidate shall be selected for appointment to a position in Grade F of the First Division who secures less than forty per cent of the marks assigned to each subject in Group A, and sixty per cent of the marks assigned to the whole group.

No candidate shall be selected for appointment to a position in Grade F of the First Division who secures less than thirty per cent of the marks assigned to each subject in Group B, and forty per cent of the marks assigned to the five subjects selected.

There shall be no minimum percentage in office experience and marks given therefor shall be in the nature of a bonus to candidates who obtain the required percentage in all other subjects.

(4) The standard of examination shall require a good general knowledge of the subjects selected from the above groups. In order that due regard may be had to the different educational systems in Canada, a curriculum shall be prepared by the Commission showing with as much detail as possible, the ground to be covered under each of the subjects in the above groups A and B. A copy of this curriculum shall be supplied to any person on making application to the Secretary of the Commission.

9. No person shall be appointed to grade F of the First Division unless he is to discharge the duties of a junior administrative, executive or technical officer, and the deputy head when making application to the Commission for a clerk to be assigned to that grade of the Service, shall state the exact nature of the duties to be discharged by such officer.

10. Persons who successfully competed for appointment to the Inside Service under the Civil Service Amendment Act, 1908, and who have not received appointments, may be placed on the list of those eligible for appointment to the corresponding division and grade of the Inside Service for which they had previously qualified.

Provided, however, that no such person who declined without good reason to accept a permanent appointment when offered him or who would not be eligible under the Civil Service Act, 1918, or these Regulations, for admission to the general examinations and appointment to the Inside Service for any other reason than the age limit shall be placed on such list.

11. Where the deputy head of a department applies to the Commission for a nomination to a clerkship requiring special qualifications not covered by the general examinations and which is not a position that can be classified as professional or technical, the Commission shall, after consultation with the deputy head of the department in which the appointment is to be made, provide a special competitive examination or test, which may or may not involve written answers to questions, but shall be of such a nature as to secure a person well qualified for the position to be filled. In determining the qualifications of a candidate for such positions, the examination or test may also have special reference to executive ability and tact, to such special business training as may be required, and to a successful experience in duties similar to those pertaining to the position to be filled.

12. (1) Where the appointment is one which is to be made under section 15 of the Civil Service Act, 1918, the Commission, upon receiving a notice from the deputy head that such a position requires to be filled, shall decide, first, whether the knowledge and ability requisite for such position in the Civil Service are wholly or in part professional or technical; secondly, whether there is an officer in the Service qualified for such position who could be promoted thereto; thirdly, whether open competition is practicable or necessary in the public interest. Should open competition be decided upon, the Commission shall proceed to fill the position in the manner prescribed by Section 11.

(2) Where competition is considered impracticable or unnecessary in the public interest, the Commission shall ascertain the qualifications of the person proposed to be appointed, and having satisfied themselves that he possesses the requisite knowledge and ability and is duly qualified as to health, character and habits, shall certify the appointment. In all cases where a position under this section is exempt by the Commission from competition, the reason for such exemption shall be submitted to Parliament in the annual report of the Commission.

Provided that where the public interest requires that the clerkship or position to be filled under sections 11 and 12 of these regulations shall be immediately filled, the Commission may certify a person for temporary employment pending a permanent appointment as a result of open competition.

Provided further that the Commission may exempt from examination or competition under section 11 and the present section for purpose of temporary employment

(*a*) Any person required to render professional, scientific, technical or other expert service of a temporary or exceptional character.

(*b*) Any person required to render services for which, because of their temporary and exceptional character, it would not be practicable to hold competition of any kind.

B. Outside Service.

13. Until schedules are prepared containing the titles of the positions in the Outside Service and the salaries and duties attached thereto, as required by section 52 of the Civil Service Act, 1918, the Commission enacts the following interim regulations as to entrance to this branch of the Civil Service.

The Third Division Examination for the Inside Service, as provided in section 2, to qualify successful candidates for positions as messengers, letter carriers, sorters, porters, packers, caretakers, janitors, watchmen, guards, stewards, orderlies, office boys and positions of a similar nature in all departments of the Outside Service.

The Second Division Examinations for the Inside Service, as outlined in sections 3 and 6, to qualify for clerical positions in the corresponding classes of the Outside Service for which a special examination is not prescribed.

The Examinations for Typists and Stenographers as outlined in sections 4, 5 and 7, to qualify for positions of typists and stenographers in the corresponding classes of the Outside Service.

14. Persons who heretofore passed the Preliminary, Qualifying or other examination provided by the Civil Service Act (chapter 162, R.S.C.), or who were exempt from examination under the said Act, and who have not yet received an appointment to the Civil Service, may be placed on the list of persons eligible for appointment to positions for which these examinations previously qualified, provided that they are within the age limits and otherwise qualified under the Civil Service Act, 1918, and the present regulations.

15. Where a Department applies to the Commission for permanent or temporary nomination to a position in the Outside Service requiring special qualifications not covered by the general competitive examinations above referred to, or for nomination to a position requiring qualifications of a professional or technical nature, such position shall be filled in accordance to the provisions of sections 11 and 12 of the present regulations.

16. Where the appointment of a Postmaster in any of the smaller offices throughout the Dominion is required, the Commission shall, through the responsible official of the Post Office Department, institute inquiries in the locality in which the appointment is to be made, with a view to securing a suitable person, suitably located, for such position, and, having made a selection and having satisfied themselves that such person possesses sufficient education to enable him to efficiently discharge the duties of the position and that he is duly qualified as to health, character, and habits, the certificate required for his appointment shall be issued. In the filling of all positions of Postmaster in the large centres and in offices where the net salary exceeds $1,000 per annum, the vacancy shall, as far as possible, be filled by promotion or transfer.

Where such procedure, for sufficient reason, is considered inadvisable in the public interest, the Commission shall invite applications for the position by public advertisement, in the locality in which the appointment is to be made, and shall select from among those applying the person who, in their judgment, is best qualified for the position. For the purpose of such selection, the Commission may make such inquiries and hold such an examination or test to determine the qualifications of the person or persons so applying as they may deem necessary.

17. The procedure outlined in subsection (2) of section 12 of these regulations shall be observed in the filling of any positions for which a suitable candidate cannot be secured from the lists established by means of the several examinations prescribed by these regulations, and for any other position for which, in the opinion of the Commission, local competition, but not necessarily written examinations, seems the most desirable and practicable means of selection.

C. Examinations under Various Statutes.

18. In all cases where an examination is provided for under any statute for any special position, or positions (such as Lay Inspectors, Veterinary Inspectors, Egg Inspectors, Grain Inspectors, Steamship Inspectors, Cullers, Public Analysts, Inspectors and Assistant Inspectors of Electricity), such examinations shall be held under the direction of the Civil Service Commission and successful candidates appointed in order of merit in accordance with the Civil Service Act, 1918, and the present regulations. These special competitions shall include such academic subjects, technical papers or practical tests as may be agreed upon between the departments and the Commission, and shall be of such a character as shall best determine the qualifications of the applicant for the position to be filled.

19. (1) The competitive examination for positions as Veterinary Inspector in the Department of Agriculture shall include the following subjects: anatomy, histology, pathology, regulations, contagious diseases and meat inspection. The maximum number of marks for each subject shall be as follows: anatomy, histology, pathology and regulations, 20 each; contagious diseases and meat inspection, 60 each.

(2) No candidate shall be selected for appointment to a position as Veterinary Inspector who secures less than fifty per cent of the marks assigned to the whole examination. The standard of examination shall be the standard of the leading veterinary colleges of the country. The limits of age shall be twenty-one years and forty years on the first day of the examination. This examination is limited to qualified veterinarians. The places of examination to be as advertised for each examination.

(3) Should the number of those qualifying under subsection (2) next preceding be insufficient to meet the requirements of the department, the Commission may certify to the appointment of persons who have passed the examination for Veterinary Inspectors held in previous years under the authority of the Meat and Canned Foods Act, but the names of those thus appointed in a permanent capacity shall be published in the *Canada Gazette.* The persons thus to be appointed shall be taken according to the year of their examination, those of the last examinations, by years, coming first, and in order of merit.

20. The competitive examination for positions as Lay Inspectors in the Department of Agriculture shall include the following subjects: writing, spelling, composition, arithmetic and practical questions. The maximum number of marks for each subject shall be as follows: writing, 50; spelling, composition and arithmetic, 100 each; practical questions, 200.

No candidate shall be selected for appointment to a position of Lay Inspector who secures less than fifty per cent of the marks assigned to the whole examination. The standard of examination for the academic subjects shall be that of a good commercial education. The technical paper shall consist of questions on the ordinary work of packing houses or any other questions pertaining in general to the inspection of meat.

The limits of age shall be 21 years and 40 years on the first day of the examination. The places of examination to be as advertised for each examination.

21. The competitive examination for positions as Egg Inspectors in the Department of Agriculture shall include the following subjects: writing, spelling, composition, arithmetic, two technical papers and a practical test. The maximum number of marks for each subject shall be as follows: writing, 50 marks; spelling, composition and arithmetic, 100 each; the two technical papers, 150 each; the practical test, 350. No candidate shall be selected for appointment to a position as Egg Inspector who secures less than eighty per cent of the marks assigned to the practical test and less than sixty per cent on the whole examination. The standard of examination for the academic subjects shall be that of a good commercial education. The technical papers shall consist of general questions based on a practical working knowledge of trade conditions in handling, marketing and storing eggs; the practical test will be such as will determine the ability of the candidate to handle and grade eggs in accordance with the Canadian standards. The limits of age shall be 21 years and 40 years on the first day of the examination. The places of examination to be as advertised for each examination.

Season Positions.

22. All positions in the Civil Service where the nature of service is such that it is not continuous through the year but recurs in each successive year, shall be designated as "Season Positions", and shall be subject to the provisions of the regulations applicable generally to positions to be filled by open competition. Any person originally appointed to a "Season Position" and whose services have been terminated by reason of the expiration of the season in any year shall be entitled to reappointment to the same position in the next ensuing or subsequent years upon filing in the office of the Commission in such form as may be prescribed, an application for such reappointment endorsed by the deputy head of the department, at least one month before the date when he shall again be required to report for service. The Commission shall certify the persons who have made such formal requests that they shall be reappointed to their former positions, provided that in the meantime they have not been reported against and are not otherwise disqualified.

Provided that for sufficient reason the Commission may waive the time limit for filing applications.

General Temporary Employment.

23. When it becomes necessary, on account of temporary pressure of work, the absence of permanent officers on leave, or for any other cause, to obtain temporary assistance in any department, or portion of the Civil Service, the deputy head, or other responsible officer, when applying to the Commission, shall state in detail the nature of the assistance required, the length of time for which it is needed, and also, in his opinion, what is a proper remuneration to be allowed for the performance of the work done and the appropriation to which the salary is to be charged.

24. (1) Assignments for such temporary employment shall be made in the following order:—

(*a*) from the lists of candidates qualified for permanent employment;

(*b*) from the lists of those, in order of merit, who obtained the required minima at the last competition, or competitions, but were not high enough on the list to come within the number declared successful for permanent appointment;

(*c*) from the lists of those who have failed to obtain the required minima but who in the opinion of the Commissioners may be considered as having a minimum of qualifications for such temporary employment.

(2) When these lists are insufficient to meet the needs of the service for temporary assistance, the Commission may hold competitive examinations for temporary employment, or may select for such employment persons who have filed an application with the Commission on the prescribed form for temporary employment. These applications shall be graded as follows:—

(*a*) Superior educational qualifications (matriculation or the equivalent standing being the minimum qualification), plus office experience.

(*b*) Ordinary educational qualifications only.

(*c*) Business experience only.

Applicants who are not considered by the Commissioners to possess sufficient qualifications to place them in one of these three classes, or are disqualified in any other way, shall be notified that their applications cannot be considered, and the forms may be destroyed.

Selections shall be made from the lists thus established in the order of merit and, qualifications being equal, in the order in which the applications are received.

25. When selecting persons for periodical work, or for brief periods of temporary employment, the preference shall be given to those persons who were previously employed, whose services were satisfactory, and who may be available for further service.

26. When employees are required on short notice for emergency work, the responsible agent or official of the department requiring such extra assistance may engage the necessary employees, and the said officer in each such case shall report to the Commission through the deputy head of his department the names of the persons so employed, the character of their previous employment, the terms of their employment, by whom last employed, references, age, evidence as to character and the rate of compensation to be paid them. No such employment shall extend beyond thirty days unless the Commission shall issue a certificate. The report of the appointing officer shall be accompanied by the following declaration:—

(*a*) that the employment of each such person is necessary for the efficient carrying on of the work of the department,

(*b*) that the selection has been made without reference to personal or political considerations and strictly on the merit principle as between persons applying or available for such positions,

(*c*) that such persons have satisfied the appointing officer as to their qualifications, (*d*) that they are suitable as to age, character and habits,

(*e*) that they are not transferred from any other Department or Branch of the Civil Service,

(*f*) that the salary or wages paid are fair and reasonable and do not exceed the rates approved by the department or prescribed by the Civil Service Act, 1918.

Exchanges and Transfers.

27. (1) Whenever an exchange of positions between two officers, clerks or employees serving in different departments, or in different branches of the Civil Service is contemplated, or whenever the filling of a vacancy in a department by a transfer from one department to another in either the Inside or the Outside Service or from the Inside to the Outside Service or from the Outside to the Inside Service, in the same department, or in different departments, or in different branches of the Civil Service, is contemplated, the deputy head or deputy heads of the department or departments affected shall submit a report for the approval of the Commission giving the following information:—

(*a*) the name, or names, of the officers, clerks or employees to be exchanged or transferred and the branches of the service in which they are serving, also, in the case of a transfer, the branch of the service in which the transfer is to be made.

(*b*) date, age and salary on entering service;

(*c*) examination passed on entering service; or, if no examination, special grounds or qualifications upon which appointment was made;

(*d*) date and nature of the different promotions, and present salary; in the case of a transfer, the salary at which the transfer is to be made;

(*e*) in the case of an exchange, the duties in the last three years of the officers to be exchanged, and in the case of a transfer the duties in the last three years of the officers to be transferred and the duties pertaining to the vacancy to be filled by such transfer (to be set out in detail);

(*f*) days of sick, or special, leave in the last two years;

(*g*) a detailed statement as to conduct and efficiency in the last two years;

(*h*) reason of the exchange or transfer. Upon the approval of such report the Commission shall issue a certificate, or certificates, for such exchange or transfer.

(2) No transfer or exchange of positions involving any considerable increase of salary shall be approved unless it can be shown that there are substantial and exceptional reasons for such special treatment.

(3) No person shall be transferred whose age at the date of his first appointment exceeded the age at which he might have been appointed to the position to which he is being transferred, as prescribed by the law or regulations in force at the date of his first appointment.

Promotions.

28. Promotion from one grade, or from one class, to another shall take place only on the occurrence of a vacancy in the higher grade or class.

29. Where a vacancy is to be filled by promotion, merit shall be the determining factor and the recommendation of the deputy head to the Commission shall state:—

(*a*) the name of the officer to be promoted;

(*b*) date of, age and salary on entering Service;

(*c*) examination passed on entering Service, or, if no examination, special grounds or qualifications upon which appointment was made;

(*d*) present salary;

(*e*) present duties (to be set out in detail);

(*f*) proposed new duties, if any; if no change in duties special grounds upon which promotion is to be made;

(*g*) whether the officer to be promoted is the senior officer in his grade or class; if not, why he is recommended in preference to the senior officer or to any other officer, or officers that might be eligible for promotion.

30. In order to enable the deputy head of the department and the Commission to judge of the relative merits of clerks recommended for promotion, there shall be kept in each department of the Civil Service a record of the conduct and efficiency of all officers, clerks and employees below Grade B of the First Division, if in the Inside Service, and in receipt of a salary less than $2,800, if in the Outside Service. These records shall be kept on file in the department, and copies shall be sent to the Commission every six months. Should reports thus made be adverse or unfavourable, they shall be shown by the deputy head of the department, or such officer as may be designated by him, to the person respecting whom they are made. In no case will a promotion be approved where the conduct and efficiency record of the person recommended has been unsatisfactory in any period for the two years immediately preceding the recommendation for promotion.

31. Promotion shall be effective from the date the Commission signifies its approval unless antedated at the request of the deputy head; provided, however, that only in exceptional cases shall a promotion be antedated for any period in a previous fiscal year and the reasons therefor shall be fully set out in the recommendation of the deputy head.

32. Where two or more persons in the employment of a department eligible for promotion to any vacant position are recommended for the promotion by the deputy head, the Commission may, on its own initiative, or at the request of the deputy head of the department, provide a competitive examination on the work of the department limited to those who are thus recommended for promotion. Such an examination shall have regard to the requirements of the grade or class to which the promotion is to be made, and the special duties of the position to be filled. Upon the results of the examination, if satisfactory, the Commission shall issue the required certificate of promotion in favor of the most highly qualified candidate.

33. Subsections 2 and 3 of section 45 of the Civil Service Act, 1918, provides that as far as the Inside Service is concerned:—

> "There shall be no promotion from the Second Division to the First Division and there shall be no promotion from the Third Division; but any person in either of these

Divisions may enter for examination for appointment to a higher division;

"Provided that any person placed in the Third Division (now the Second Division), under the provisions of the Civil Service Amendment Act, 1908, and who has passed the Qualifying Examination or had been appointed under the authority of sections 37 or 40 of the Civil Service Act, Chapter 16 of the Revised Statutes of Canada, 1906, may be promoted from the Second Division to the First Division under the provisions of section 16."

34. Inasmuch as the Civil Service Act, 1918, prescribes that stenographers and typists shall be classified in Grades C and B of the Second Division, no employee who entered the Service through the Grade C or Grade B stenographers and typists examinations shall be promoted to Grade A of the Second Division unless he is to perform the duties of a clerk.

35. Until schedules are prepared containing the titles of the positions of the Outside Service and the salaries and duties attached thereto, in accordance with section 52 of the Civil Service Act, 1918, all promotion examinations prescribed for the Outside Division of any department at the coming into force of the new Act, are hereby maintained and shall be held in accordance with the law and the regulations then governing them.

Leave of Absence.

36. In the case of illness, the deputy head may grant to any permanent officer, clerk or other employee in his department, upon satisfactory proof, in his opinion, of such illness, leave of absence for the periods prescribed in the following schedule:

Class of Officer.	On full pay not exceeding	On half pay not exceeding

To every officer, clerk or employee who has served over twenty-five years.	Twelve consecutive months.	

37. Sick leave in excess of the periods prescribed in the foregoing schedule may be granted without pay by the deputy head with the approval of the Commission.

38. Whenever any sick leave granted under sections 36 and 37 of these regulations exceeds six consecutive days the person applying for such leave shall obtain from one of the medical practitioners, designated in different centres by the Commission for such purpose, and forward to the deputy head a certificate stating that the applicant is, has been, or will probably be, unable to attend to his official duties during such leave of absence.

39. Temporary employees may be granted sick leave with full pay for a period of six days during the first six months' service and for each two months' further service, an additional two days, but the term of sick leave to temporary employees with full pay shall not exceed twelve days within a period of twelve consecutive months. It shall always be competent for a deputy head to grant a temporary employee such further leave without pay as he may determine.

40. Should any officer be incapacitated from work by reason of injuries accidentally received in the performance of his duties and not caused by negligence on his part, the deputy head may, with the approval of the Commission on production of a certificate from one of the medical practitioners designated by the Commission, grant leave of absence with pay for such period as in the opinion of the deputy head may be necessary for his recovery.

41. In addition to statutory leave or sick leave the deputy head may grant to any permanent officer, clerk or employee in his department special leave of absence on compassionate or other grounds for a period not exceeding six consecutive working days at a time or fifteen working days in any one fiscal year, with or without pay or with half pay during such period, or periods, or such part of the same, as determined by him.

When the special leave thus applied for covers a longer period or periods in any one fiscal year the same may be granted by the deputy head with the approval of the Commission, with or without pay, or with half pay during such period or periods, or such part of the same, as recommended by him and approved by the Commission.

42. The provisions of the preceding sections shall not become effective before the first day of December, 1918, and sick leave, or special leave granted in accordance with the law as it existed before the adoption of the Civil Service Act, 1918, or granted after the adoption of said Act by the deputy head or the Governor in Council in the absence of any other regulations are confirmed by the present regulations.

Provided, however, that sick leave, or special leave, granted but not yet expired on the first day of December, 1918, shall become subject to the present regulations.

Provided, also, that if on the first day of December, 1918, any such leave has already been granted to any Civil Servant in the twelve months preceding, or in the fiscal year 1918-19, as the case may be, it shall, wherever possible, be charged against him, in registering leave of absence under the present regulations.

43. In all cases where sick or special leave is granted under these regulations, whether to permanent or temporary employees, a report shall forthwith be made to the Auditor General and the Commission, in order that an accurate record of all such leave of absence may be maintained.

44. As soon as possible after the 1st December, 1918, a report shall be made to the Auditor General and the Commission of all sick, or special leave, granted in the twelve months preceding, or in the fiscal year 1918-19, as the case may be, to any permanent or temporary civil servant still in the employ of the Government at the date of such report.

45. The Commission shall designate in different centres duly qualified medical practitioners who shall furnish the medical certificates required under these regulations, and they shall be entitled to a fee of $2 for such certificates to be paid by the person applying. These certificates shall be on a standard form to be prepared and furnished by the Commission.

46. The provisions of these regulations shall not be construed as taking away any of the privileges of the Governor in Council to remove or retire at any time any officer, clerk or employee on account of health.

47. Section 25 of the Civil Service Act, 1918, provides that:

"(1) The deputy head may grant to each officer, clerk or other employee, a yearly leave of absence for a period not exceeding eighteen days in any one fiscal year, exclusive of Sundays and holidays, after they have been at least one year in the service.

(2) Every such officer, clerk or employee shall take the leave so granted at such time each year as the deputy head determines."

General Regulations.

48. Persons employed in any temporary capacity in the Civil Service prior to the 24th May, 1918, who were qualified for permanent appointment, may be considered eligible for such permanent appointment, provided they are recommended to the Commission by the deputy head of the department with the express statement that the public interest will best be served thereby, and provided that their temporary services have proved satisfactory.

49. When a department applies to the Commission for labourers or for tradesmen or other employees whose qualifications are not covered by either the Third Division or the Second Division Examinations provided herein, the Commission may authorize the department to proceed as set forth in sections 23 to 26 inclusive hereof or may prescribe such other method of filling the position as will ensure to all applicants an equal opportunity of receiving due consideration of their respective qualifications.

50. If the Commission requires the services of any officer in any department in connection with any appointment or promotion to be made to the Public Service, or any other matter coming under the jurisdiction of the Commission, such officer shall hold himself in readiness to co-operate with the Commission and shall place his services at the disposal of the Commission in any way and at any time.

51. In accordance with paragraph 1 of section 39 of the Civil Service Act, 1918, the number of competitors to be selected at each general competitive examination, for appointment to the Civil Service, shall be computed by the Commission on the basis of the reports from the several departments as to their probable requirements for a certain stated period. The reports must give separate lists for the Inside and for the Outside Service, and for each of their divisions, grades or classes respectively, stating the number of male and female candidates to be appointed. The title or the nature of the positions are to be given whenever possible.

52. All general competitive examinations for entrance to the Civil Service shall be advertised in the *Canada Gazette* in accordance with section 40 of the Civil Service Act, 1918, at least four weeks before the examinations are to take place. The date of these examinations shall be as advertised, but usually they will be held in May and November of each year. Special competitive examinations shall be advertised in the *Canada Gazette* at least two weeks before the examinations are to take place. Such advertisements shall, as far as practicable, state the number of positions to be competed for, the positions that are then vacant, the essential conditions to be complied with by the competitors, the subjects to be covered by any special examinations, and the places at which the examinations may be held.

53. Successful candidates in any examination for the Outside Service will be appointed to the various cities or towns of the province in which they are *bona fide* residents upon a consideration of all the circumstances, including their own wishes; but the requirements of the Civil Service must rank before every other consideration.

54. A successful competitor at any of the examinations held under the direction of the Commission for permanent employment in the Civil Service who declines to accept a permanent appointment when it is offered him, shall forfeit all future right to such appointment and his name shall be immediately removed from the eligible list unless he offers, in the judgment of the Commission, good and sufficient reason for his action, in which case his name, in the order of merit, shall be placed on the next list with those who remain unappointed as set forth in subsection (2) of section 39 of the Civil Service Act, 1918.

55. The Commission may select for any office or employment any person who is a successful competitor for a higher office or employment, provided that no such selection shall be made to the prejudice of any person on the list of successful competitors for such lower office or employment.

56. A candidate may take more than one examination at a time if they are not held on the same day, but when successful at more than one examination he shall lose his standing on the lower examination list and his name shall appear, in order of merit, only on the higher list for which he qualified. Provided, however, that in accordance with the

provisions of section 39 of the Civil Service Act, 1918, he shall not be debarred from appointment to a lower office than he is credited as being qualified for.

57. In all examinations, competitions or appointments persons who have been on active service overseas in the military or naval forces of His Majesty or of any of the Allies of His Majesty during the present war, who have left such service with an honourable record or who have been honourably discharged, and who obtain sufficient marks to pass such examinations or who possess a minimum of qualifications, shall, irrespective of the marks they have obtained, or of the relative qualifications of the other candidates, be placed in the order of merit on the list of successful candidates or competitors above all other candidates or competitors.

58. (1) Except as otherwise specified in the Civil Service Act, 1918, and in the present regulations, no person shall be appointed to a clerical or lower grade position in the Civil Service or be admitted to any general competitive examination qualifying to such positions unless he has attained the full age of eighteen years and is not over thirty-five years on the first day of the examination. Provided, however, that during the continuance of the present war the minimum age limit shall be sixteen instead of eighteen. The age limits in competitions for special, professional or technical positions shall be as advertised in the *Canada Gazette* for each competition.

(2) The age limit does not apply to persons who have been on active service overseas in the military or naval forces of His Majesty or of any of the Allies of His Majesty during the present war, who have left such service with an honourable record or who have been honourably discharged; but the Commission must certify that such persons are of such an age that they are able to perform the duties of the office and will probably be able to do so for a reasonable period after appointment.

(3) Any person holding a permanent appointment in the Civil Service may enter for any open competition or examination if such person when first appointed was not older than the maximum age prescribed for the position for which the examination is being held and if successful thereat may be appointed irrespective of age.

59. No person shall, without the authority of the Governor in Council, be admitted to any examination unless he is a natural born or a naturalized British subject, and also has been a resident of Canada for at least three years.

60. Every successful candidate, before receiving a permanent appointment in the Civil Service, must furnish the Commission with a certificate of good health, which shall be filled out on standard form to be furnished by the Commission.

Provided, however, that persons who have been on active service in the military or naval forces of His Majesty or of any of the Allies of His Majesty during the present war; who have left such service with an honourable record or who have been honourably discharged must furnish the Commission with a certificate of health establishing that they are able to perform the duties of the office to which they are to be appointed and will probably be able to continue so to do for a reasonable period after appointment.

(2) There shall be designated by the Commission in each place where an examination is held or in such other places as is found advisable, one or more medical examiners, from whom such certificates shall be obtained.

(3) The fee to be paid by the applicant for the health certificate shall be:

For messengers, porters, sorters, packers, and for temporary clerks..........	$2 00
For clerks in the Second Division of the Inside Service and for clerks in the Outside Service................	3 00
For clerks in the First Division of the Inside Service..................	5 00

61. Every successful candidate, before receiving an appointment to the Civil Service, must furnish the Commission with reference to at least three reputable persons who may be able to give adequate information as to the candidate's character and habits.

As to the Holding of Examinations.

62. No person shall be admitted to an examination from whom the Secretary of the Civil Service Commission has not received, on or before the date set in the *Canada Gazette* for such examination, an application in the hand-writing of the candidate, on the prescribed form and accompanied by the required fee. Forms, on which applications for these positions shall be made will be provided by the Commission and may be had on application to the Secretary of the Commission, to the presiding Supervisors at any examination centre or to the Postmaster at any such centre.

63. The general competitive examinations shall be held at the following places (provided that not less than three candidates make application to write at the same place):

Prince Rupert, Victoria, Vancouver and Nelson, in the Province of British Columbia; Edmonton and Calgary, in the Province of Alberta; Saskatoon and Regina, in the Province of Saskatchewan; Brandon and Winnipeg, in the Province of Manitoba; Port Arthur, Sault Ste. Examinations may also be held at other places where three or more candidates make application to write.

Provided that where competitive examinations are required involving technical or scientific subjects and necessitating the use of scientific apparatus, it shall not be necessary to hold such examinations at each of the above places, but the Commission shall, as far as possible, arrange for at least one place in each province where such examinations may be taken.

64. Any subject of any examination may be written in either English or French at the option of the candidate, but the choice of language must be made at the time of application.

Fees for Examinations.

65. (1) The following shall be the schedule of fees to be paid by the candidates at the several examinations held under the direction of the Commission.

4. L'examen de concours général pour dactylographes dans le grade C de la deuxième division comprendra les sujets suivants: écriture, transcription de manuscrits, orthographe et dactylographie à 25 mots à la minute. Le maximum des points pour l'écriture et la transcription de manuscrits sera 50, pour l'orthographe, 100, et pour la dactylographie, 300. Nul candidat ne sera nommé à un emploi s'il obtient moins de cinquante pour cent des points assignés à chaque sujet et soixante pour cent sur leur ensemble.

5. L'examen de concours général pour sténographes juniors dans le grade C de la deuxième division comprendra les sujets suivants: écriture, transcription de manuscrits, orthographe, rédaction de lettres, sténographie (lettres d'affaires dictées à 75 et à 90 mots à la minute, et transcription des notes), et la dactylographie à 25 mots à la minute. Le maximum des points pour l'écriture et la transcription de manuscrits sera 50; pour l'orthographe et la rédaction de lettres, 100; pour la sténographie, 300, et pour la dactylographie, 200. Nul candidat ne sera nommé à un emploi s'il obtient moins de cinquante pour cent des points assignés à chaque sujet et soixante pour cent sur leur ensemble.

6. (1) L'examen de concours général pour commis seniors dans le grade B de la deuxième division comprendra les sujets suivants: écriture, transcription de manuscrits, orthographe, rédaction de lettres, arithmétique, géographie, travail de bureau et expérience. Le maximum des points pour l'écriture et la transcription de manuscrits sera 50; pour l'orthographe, la rédaction de lettres, l'arithmétique et la géographie, 100; pour le travail de bureau, 300, et pour l'expérience, 200. Les aspirants devront avoir eu au moins trois ans d'expérience dans un bureau pour être admis à cet examen. Nul candidat ne sera nommé à un emploi s'il n'obtient cinquante pour cent des points assignés à chaque sujet et soixante pour cent sur leur ensemble. Il n'y aura pas de percentage minimum en expérience de bureau et les points seront accordés comme boni aux candidats qui obtiennent le percentage requis sur tous les autres sujets.

(2) Les candidats qui n'obtiennent pas un nombre de points suffisant pour qu'ils soient déclarés heureux dans l'examen pour positions de commis senior dans le grade B, mais qui, dans l'opinion de la Commission, conservent assez de points pour les positions de commis junior du grade C, pourront être placés sur la liste des personnes éligibles pour nomination à ce grade du service.

7. (1) L'examen de concours général pour sténographes seniors dans le grade B de la deuxième division comprendra les sujets suivants: écriture, transcription de manuscrits, orthographe, rédaction de lettres, sténographie (lettres d'affaires dictées à 100 et à 120 mots à la minute, et transcription des notes), et dactylographie à 50 mots à la minute. Le maximum des points pour l'écriture et la transcription de manuscrits sera 50; pour l'orthographe et la rédaction de lettres, 100; pour la sténographie, 300, et pour la dactylographie, 200. Les aspirants devront avoir eu au moins trois ans d'expérience dans un bureau pour être admis à cet examen. Nul candidat ne sera nommé à un emploi s'il n'obtient cinquante pour cent des points assignés à chaque sujet et soixante pour cent sur leur ensemble. Il n'y aura pas de percentage minimum en expérience de bureau et les points seront accordés comme boni aux candidats qui obtiennent le percentage requis sur tous les sujets.

(2) Les candidats qui n'obtiennent pas un nombre de points suffisant pour qu'ils soient déclarés heureux dans l'examen pour positions de sténographe senior dans le grade B, mais qui, dans l'opinion de la Commission, conservent assez de points pour les positions de sténographe junior du grade C, pourront être placés sur la liste des personnes éligibles pour nomination à ce grade du service.

8. (1) Les candidats dans les examens de concours généraux pour positions de commis du grade F de la première division devront subir l'épreuve sur tous les sujets du groupe A, et, à leur choix, sur cinq matières du groupe B dans la liste suivante:—

A

Ecriture.
Orthographe.
Composition.
Littérature.
Arithmétique.

B

Algèbre.
Géométrie.
Physique.
Chimie.
Géologie (y compris minéralogie).
Biologie (zoologie et botanique).

Latin.
Allemand.
Espagnol.
Histoire (moderne).
Science politique.
Economie politique.
Géographie (générale, physique et commerciale).
Philosophie (scolastique ou générale).
Loi (anglaise ou code civil).

(2) Le maximum des points sur chaque sujet sera 100, excepté en écriture où il ne sera que de cinquante. Un maximum de 200 points sera accordé pour l'expérience de bureau à être jugée d'après la longueur du service, la nature du travail et le succès obtenu.

(3) Nul candidat ne sera nommé à un emploi dans le grade F de la première division s'il n'obtient quarante pour cent des points assignés à chaque matière du groupe A et soixante pour cent sur leur ensemble.

Nul candidat ne sera nommé à un emploi dans le grade F de la première division s'il n'obtient trente pour cent des points assignés à chaque matière du groupe B et quarante pour cent sur leur ensemble.

Il n'y aura pas de percentage minimum en expérience de bureau et les points seront accordés comme boni aux candidats qui obtiennent le percentage requis sur tous les autres sujets.

(4) Le niveau des études en ces examens devra comporter une connaissance générale des matières choisies dans les groupes ci-dessus. Afin de correspondre aux diverses méthodes d'enseignement universitaire au Canada, la Commission devra préparer un programme explicatif et détaillé, indiquant clairement la somme de connaissances requises sur chacune des matières des groupes A et B. Le Secrétaire adressera un exemplaire de ce programme à ceux qui lui en feront la demande.

9. Nulle personne ne sera nommée au grade F de la première division à moins qu'elle ne doive être assignée à des fonctions techniques, adminis-

tratives ou exécutives, et le sous-ministre, lorsqu'il fait à la Commission la demande d'un commis qui doit être nommé à ce grade du service, devra donner la nature exacte des fonctions que cet employé sera appelé à remplir.

10. Les personnes qui ont réussi dans un concours pour nomination au service intérieur sous la loi du service civil de 1908, amendant la loi du service civil, et qui n'ont pas encore été nommées, peuvent être placées sur la liste des personnes éligibles pour nomination aux divisions et grades du service intérieur correspondants à ceux pour lesquels elles avaient précédemment concouru. Pourvu, toutefois, qu'aucune personne qui a refusé sans de bonnes raisons d'accepter un emploi permanent quand il lui a été offert, ou qui n'est pas éligible sous la loi du service civil de 1918, ou les présents règlements, pour admission aux examens généraux et pour nomination au service intérieur pour toute autre raison que pour la limite d'âge, ne sera placée sur cette liste.

11. Advenant, à la demande d'un sous-ministre, le cas d'une nomination à un emploi exigeant des aptitudes spéciales non comprises dans les examens généraux et qui n'est pas un emploi qui peut être classifié comme professionnel ou technique, la Commission, après consultation avec le sous-ministre du département dans lequel la nomination doit se faire, préparera une épreuve ou examen de concours spécial, qui pourra, ou non, comporter une épreuve écrite, mais toutefois de nature à leur assurer un fonctionnaire compétent. Ces épreuves auront surtout pour objet de vérifier le tact et la capacité exécutive du candidat, sa connaissance spéciale des affaires, et son expérience et son succès passé dans une fonction similaire.

12. (1) Advenant le cas d'une nomination prévue par l'article 15 de la loi du service civil de 1918, la Commission, sur réception d'un avis du sous-ministre que telle position doit être remplie, décidera d'abord si les connaissances et les qualités nécessaires pour remplir cette position dans le service civil sont entièrement ou en partie professionnelles ou techniques; deuxièmement, s'il y a, ou non, un fonctionnaire dans le service qui pourrait être promu à cette position; troisièmement, si, ou non, un concours est possible ou nécessaire dans l'intérêt public. S'il est décidé de tenir un concours, la Commission remplira la position de la manière prescrite par l'article 11.

(2) S'il est jugé impossible ou inutile dans l'intérêt public de tenir un concours, la Commission s'assurera des aptitudes de la personne recommandée pour nomination et, s'étant convaincue qu'elle possède les connaissances et l'habileté nécessaires et qu'elle est dûment qualifiée sous le rapport de la santé, de la conduite et des mœurs, émettra le certificat de nomination. Dans tous les cas où une position aura été exemptée d'un concours sous l'autorité de cet article, la raison de cette exemption devra être soumise au Parlement dans le rapport annuel de la Commission.

Toutefois, s'il est nécessaire dans l'intérêt public qu'une position qui doit être remplie sous l'autorité des articles 11 et 12 de ces règlements soit remplie immédiatement, la Commission peut émettre un certificat en faveur de l'emploi d'une personne à titre temporaire en attendant une nomination à titre permanent à la suite d'un concours.

Pourvu aussi que la Commission puisse exempter d'examen ou de concours sous l'autorité de l'article 11 et du présent article dans le cas d'emploi temporaire

(*a*) Toute personne appelée à rendre des services professionnels, scientifiques, techniques ou de quelqu'autre façon spéciaux, et d'un caractère temporaire ou exceptionnel.

(*b*) Toute personne appelée à rendre des services pour lesquels, à cause de leur caractère temporaire et exceptionnel, il ne serait pas possible de tenir un concours d'aucun genre.

B. Service extérieur.

13. En attendant que des tableaux soient préparés contenant les titres des positions du service extérieur et les traitements et les fonctions qui s'y attachent, tel que requis par l'article 52 de la loi du service civil de 1918, la Commission promulgue les règlements intérimaires suivants pour entrer dans cette division du service civil.

L'examen de troisième division du service intérieur, tel que prévu par l'article 2, rendra les candidats heureux éligibles aux positions de messager, facteur, trieur, porteur, emballeur, gardien, concierge, surveillant, garde, ordonnance, garçon de bureau, et aux positions de même nature dans tous les départements du service extérieur.

Les examens de la deuxième division du service intérieur, tels que décrits dans les articles 3 et 6, rendront les candidats heureux éligibles aux positions de commis dans les classes correspondantes du service extérieur pour lesquelles un examen spécial n'est pas prescrit.

Les examens pour dactylographes et sténographes, tels que décrits dans les articles 4, 5 et 7, rendront les candidats heureux éligibles aux positions de dactylographe et de sténographe dans les classes correspondantes du service extérieur.

14. Les personnes qui ont déjà subi avec succès les examens préliminaires, d'aptitudes ou autres examens prévus par la loi du service civil (chapitre 16, S.R.C.), ou qui étaient exemptées d'examens en vertu de cette loi, et qui n'ont pas encore reçu de nomination au service civil, peuvent être placées sur la liste des personnes éligibles pour nomination aux positions pour lesquelles ces examens les qualifiaient précédemment, pourvu qu'elles soient dans les limites d'âge et autrement qualifiées sous l'autorité de la loi du service civil de 1918, et les présents règlements.

15. Si un ministère demande à la Commission une nomination à titre temporaire ou à titre permanent à une position dans le service extérieur qui demande des aptitudes spéciales non comprises dans les examens de concours généraux mentionnés ci-dessus, ou une nomination à une position exigeant des aptitudes d'une nature professionnelle ou technique, telle position sera remplie de la façon prescrite dans les articles 11 et 12 des présents règlements.

16. S'il est nécessaire de nommer un maître de poste dans l'un des petits bureaux du pays, la Commission devra, par l'entremise d'un employé responsable du ministère des Postes, prendre des renseignements dans la localité où la nomination doit se faire, dans le but de trouver une personne qualifiée, convenablement située, pour remplir cette position,

et ayant fait un choix, et s'étant assurée que cette personne possède une instruction suffisante pour lui permettre de remplir efficacement les devoirs de la position et qu'elle est dûment qualifiée sous le rapport de la santé, de la conduite et des mœurs, elle émettra le certificat de nomination. Toutes les positions de maître de poste dans les grands centres et dans les bureaux où le traitement net dépasse $1,000 par année devront, autant que possible, être remplies par promotion ou transfert.

Si, pour des raisons suffisantes, une telle procédure n'est pas jugée recommandable dans l'intérêt public, la Commission devra solliciter des demandes pour la position par annonce publique dans la localité dans laquelle la nomination doit se faire, et devra choisir parmi ceux qui se sont inscrits la personne qui, dans leur opinion, est la mieux qualifiée pour remplir la position. Dans le but de faire ce choix, la Commission pourra faire telles enquêtes et tenir tels examens ou épreuves qu'elle jugera nécessaires pour déterminer les aptitudes de la personne, ou des personnes qui se sont ainsi inscrites.

17. La procédure expliquée dans la clause (2) de l'article 12 de ces règlements sera suivie pour remplir toute position pour laquelle il n'est pas possible d'obtenir un candidat convenable sur les listes établies au moyen des divers examens prescrits par ces règlements, et pour toute autre position pour laquelle, dans l'opinion de la Commission, un concours local, mais non pas nécessairement des examens écrits, semble être le mode de choix le plus à recommander et le plus pratique.

C. Examens sous divers statuts.

18. Dans tous les cas où un examen est prévu sous un statut quelconque pour une certaine position spéciale, ou pour certaines positions spéciales (telle qu'inspecteur laïque, inspecteur vétérinaire, inspecteur des œufs, inspecteur des grains, inspecteur des bateaux à vapeur, mesureur de bois, analyste public et inspecteur et aide-inspecteur en électricité), tels examens seront tenus sous la direction de la Commission du service civil et les candidats heureux nommés par ordre de mérite conformément aux dispositions de la loi du service civil de 1918 et les présents règlements. Ces examens de concours comprendront tels sujets académiques, devoirs techniques ou épreuves pratiques qui peuvent être prescrits par les départements et la Commission, et devront être de nature à faire bien ressortir les aptitudes de l'aspirant pour la position à remplir.

19. (1) L'examen de concours pour positions d'inspecteur vétérinaire au ministère de l'Agriculture comprendra les sujets suivants: anatomie, histologie, pathologie, règlements, maladies contagieuses et inspection de la viande. Le maximum des points sur chaque sujet sera comme suit: anatomie, histologie, pathologie et règlements, 20 chacun; maladies contagieuses et inspection de la viande, 60 chacun.

(2) Nul candidat ne sera nommé à une position d'inspecteur vétérinaire s'il n'obtient cinquante pour cent des points assignés à l'ensemble de l'examen. Le niveau d'études sera celui des principaux collèges de médecine comparée du pays. Cet examen est réservé aux médecins vétérinaires admis. Les endroits de l'examen seront tel qu'annoncé pour chaque examen.

(3) S'il advenait que le nombre de ceux qui se sont qualifiés sous la clause (2) précédente fut insuffisant pour répondre aux besoins du ministère, la Commission pourrait approuver la nomination de personnes qui ont subi avec succès l'examen pour inspecteurs vétérinaires tenu les années précédentes sous l'autorité de la loi relative à l'inspection des viandes et des produits alimentaires en boîte, mais les noms de ceux qui auront ainsi été nommés à titre permanent seront publiés dans la *Gazette du Canada.* Les personnes à être ainsi nommées seront choisies d'après l'année de leur examen, ceux des derniers examens, par année, à être les premiers et par ordre de mérite.

20. L'examen de concours pour positions d'inspecteur laïque au ministère de l'Agriculture comprendra les sujets suivants: écriture, orthographe, composition, arithmétique et questions pratiques. Le maximum des points sur chaque sujet sera comme suit: écriture, 50; orthographe, composition et arithmétique, 100 chacun; questions pratiques, 200.

Nul candidat ne sera nommé à une position d'inspecteur laïque s'il n'obtient cinquante pour cent des points assignés à l'ensemble de l'examen. Le niveau d'études pour les sujets académiques sera celui d'une bonne instruction commerciale. Le devoir technique consistera en questions sur le travail ordinaire des abattoirs ou toutes autres questions qui relèvent en général de l'inspection des viandes.

Les limites d'âge seront 21 ans et 40 ans le premier jour de l'examen. Les endroits de l'examen seront tel qu'annoncé pour chaque examen.

21. L'examen de concours pour positions d'inspecteur des œufs au ministère de l'Agriculture comprendra les sujets suivants: écriture, orthographe, composition, arithmétique, deux devoirs techniques et une épreuve pratique. Le maximum des points sur chaque sujet sera comme suit: écriture, 50; orthographe, composition et arithmétique, 100 chacun; les deux devoirs techniques, 150 chacun; l'épreuve pratique, 350. Nul candidat ne sera nommé à une position d'inspecteur des œufs s'il n'obtient quatre-vingts pour cent des points assignés à l'épreuve pratique et soixante pour cent sur l'ensemble de l'examen. Le niveau d'études pour les sujets académiques sera celui d'une bonne instruction commerciale. Les devoirs techniques consisteront en questions générales comportant une connaissance pratique des conditions du commerce quant au maniement, à la vente et à l'entreposage des œufs; l'épreuve pratique sera de nature à s'assurer de l'habileté du candidat à manier et à classifier les œufs d'après les étalons du Canada.

Les limites d'âge seront 21 ans et 40 ans au premier jour de l'examen. Les endroits de l'examen seront tel qu'annoncé pour chaque examen.

Positions de saison.

22. Toutes les positions au service civil où la nature du service est telle qu'il ne dure pas toute l'année mais se répète chaque année seront connues sous le nom de "Positions de saison," et seront sujettes aux exigences des règlements qui s'appliquent d'une façon générale aux positions remplies par concours. Toute personne qui a été une fois nommée à une position de saison et dont les services ont cessé à la terminaison de la saison aura droit d'être nommée de nouveau à la même position l'année, ou les années suivantes, en présentant au

bureau de la Commission, sous la forme prescrite, une demande de nouvelle nomination approuvée par le sous-ministre du département, au moins un mois avant la date à laquelle ses services seront de nouveau requis. La Commission nommera les personnes qui ont ainsi fait la demande d'une nouvelle nomination à leur ancienne position, pourvu qu'entre-temps on ait eu rien à leur reprocher et qu'elles n'aient pas été rendues inéligibles de quelqu'autre façon.

Pour raisons suffisantes la Commission peut toutefois ne pas tenir compte de la limite de temps fixée pour inscrire sa demande.

Emploi temporaire général.

23. Quand il devient nécessaire par suite d'un surcroît temporaire de travail, de l'absence de commis à titre permanent en congé, ou pour toute autre cause, d'obtenir de l'aide temporaire dans tout ministère, ou partie du service civil, le sous-ministre, ou autre employé en charge, quand il en fait la demande à la Commission, doit expliquer en détail la nature de l'aide requise, la longueur du temps pendant lequel elle sera requise, et aussi quelle est, dans son opinion, la juste rémunération pour le travail à faire et à quel item du budget le traitement doit être chargé.

24. (1) Les nominations à cet emploi temporaire seront faites dans l'ordre suivant:—

(*a*) d'après les listes des candidats éligibles aux emplois permanents;

(*b*) d'après les listes de ceux qui, par ordre de mérite, ont obtenu les minimums requis au dernier concours, ou concours, mais dont le rang n'était pas assez élevé sur la liste pour être déclarés éligibles aux emplois permanents;

(*c*) d'après les listes de ceux qui n'ont pas obtenu les minimums requis mais qui, dans l'opinion des Commissaires, sont considérés comme ayant un minimum d'aptitudes pour tel emploi temporaire.

(2) Quand ces listes sont insuffisantes pour répondre aux besoins du service pour aide temporaire, la Commission peut tenir des examens de concours pour emploi temporaire, ou peut choisir pour tel emploi des personnes qui ont fait une demande à la Commission sur la formule prescrite pour emploi temporaire. Ces aspirants seront classifiés d'après la méthode suivante:—

(*a*) Instruction supérieure (le diplôme d'inscription à une université, ou une instruction équivalente, est le minimum requis) et expérience des affaires;

(*b*) Instruction ordinaire seulement;

(*c*) Expérience des affaires seulement.

Les aspirants que les commissaires jugeront inéligibles à l'une de ces trois classes par suite du manque d'aptitudes, ou qui sont inéligibles pour toute autre raison, seront avertis que leur demande est rejetée, et leur formule pourra être détruite.

Les nominations seront faites d'après les listes ainsi établies par ordre de mérite et, les aptitudes étant égales, par ordre de date des demandes.

25. Dans le choix de personnes pour travail périodique, ou pour de brèves périodes d'emploi à titre temporaire, préférence sera donnée aux personnes déjà précédemment employées dont les services ont été satisfaisants et qui sont disponibles pour un nouvel emploi.

26. Quand des employés sont requis à bref délai pour travail d'urgence, l'agent ou employé responsable du département qui a besoin de cette aide additionnelle peut engager les employés nécessaires, et le dit fonctionnaire dans chacun de ces cas doit faire connaître à la Commission par l'entremise du sous-ministre de son département les noms des personnes ainsi employées, le caractère de leur emploi précédent, les termes de leur emploi, par qui employées en dernier lieu, les références, l'âge, les preuves de bonne conduite et le taux de rémunération à leur être payée. Nul emploi de cette nature ne devra durer plus de trente jours sans que la Commission émette un certificat. Le rapport du fonctionnaire qui nomme devra être accompagné de la déclaration suivante:—

(*a*) que l'emploi de chacune de ces personnes est nécessaire pour l'expédition du travail du ministère;

(*b*) que le choix a été fait sans considération de motifs personnels ou politiques et strictement d'après le principe du mérite des aspirants ou des personnes disponibles pour ces emplois;

(*c*) que ces personnes ont démontré leurs aptitudes au fonctionnaire qui nomme;

(*d*) qu'elles sont qualifiées sous le rapport de l'âge, de la conduite et des mœurs;

(*e*) qu'elles ne sont pas transférées d'un autre département ou branche quelconque du service civil;

(*f*) que le traitement ou les gages payés sont justes et raisonnables et ne dépassent pas les taux approuvés par le département ou prescrits par la loi du service civil de 1918.

Permutations et transferts.

27 (1) Quand on veut faire un échange de positions entre deux fonctionnaires, commis ou employés, appartenant à différents ministères, ou à différentes branches du service civil, ou quand on veut remplir une vacance dans un ministère par un transfert d'un ministère à un autre soit dans le service intérieur ou dans le service extérieur, ou du service extérieur au service intérieur, ou du service intérieur au service extérieur, dans le même ministère, ou dans différents ministères, ou dans différentes branches du service civil, le sous-ministre ou les sous-ministres intéressés devront soumettre à l'approbation de la Commission un rapport donnant les renseignements suivants:—

(*a*) le nom, ou les noms, des fonctionnaires, commis ou employés à être échangés, ou transférés et les branches du service auxquelles ils appartiennent, aussi, dans le cas d'un transfert, la branche du service à laquelle le transfert doit se faire;

(*b*) la date, l'âge et le traitement d'admission au service;

(*c*) l'examen subi à l'admission au service, ou, si sans examen, les raisons ou aptitudes spéciales qui ont justifié la nomination;

(*d*) la date et la nature des différentes promotions, et le traitement actuel; dans le cas d'un transfert, le traitement auquel le transfert doit être fait;

(*e*) dans le cas d'un échange, les devoirs dans les derniers trois ans des fonctionnaires à être échangés, et dans le cas d'un transfert les devoirs dans les derniers trois ans des fonctionnaires à être transférés et les devoirs qui relèvent de la vacance à être remplie par tel transfert (à être donnés en détail);

(*f*) les jours de congé pour causes de maladie, ou pour causes spéciales, dans les derniers deux ans;

(*g*) un relevé détaillé de la conduite et des notes de service dans les derniers deux ans;

(*h*) le motif de l'échange ou du transfert.

Après approbation de tel rapport, la Commission émettra le certificat, ou les certificats, pour tel échange ou transfert.

(2) Nul transfert ou échange de positions comportant une augmentation considérable de traitement ne sera approuvé sans qu'il soit démontré qu'il y a des raisons sérieuses et exceptionnelles pour justifier telle considération spéciale.

(3) Nulle personne ne sera transférée dont l'âge à la date de sa première nomination excédait l'âge auquel elle aurait pu être nommée à la position à laquelle elle est transférée, tel que prescrit par la loi ou les règlements en vigueur à la date de sa première nomination.

Promotions.

28. Il n'y aura de promotion d'un grade, ou d'une classe, à un autre que quand il se produira une vacance dans le grade, ou la classe, plus élevé.

29. Quand une vacance doit être remplie par promotion, le mérite doit être le facteur déterminant et la recommandation du sous-ministre à la Commission devra mentionner:—

(*a*) le nom du fonctionnaire à être promu;

(*b*) la date, l'âge et le traitement d'admission;

(*c*) l'examen subi à l'admission au service, ou, si sans examen, les motifs ou aptitudes spéciales qui ont justifié la nomination;

(*d*) le présent traitement;

(*e*) les devoirs présents (à être donnés en détail);

(f) les nouveaux devoirs, s'il y en a; s'il n'y a pas de changements dans les devoirs, les raisons spéciales de la promotion;

(*g*) si le fonctionnaire à être promu est le fonctionnaire senior dans son grade ou sa classe; si non, pourquoi il est proposé de préférence au fonctionnaire senior ou à tout autre fonctionnaire, ou fonctionnaires qui peuvent être éligibles pour promotion.

30. Afin de permettre au sous-ministre du département et à la Commission de juger des mérites relatifs des commis recommandés pour promotion, on devra garder dans chaque département du service civil un registre de la conduite et des services de tous les fonctionnaires, commis et employés au-dessous du grade B de la première division, si dans le service intérieur, et dont le traitement est de moins de $2,800, si dans le service extérieur. Ces registres seront gardés dans le département et copies en seront envoyées à la Commission tous les six mois. Si ces rapports sont mauvais ou non favorables, le sous-ministre du département, ou tel fonctionnaire qu'il désignera, les montrera à la personne contre qui ils sont faits. Nulle promotion ne sera accordée si la conduite et les états de service de la personne recommandée n'ont pas été satisfaisants à une période quelconque des deux ans qui précèdent immédiatement la recommandation pour promotion.

31. La promotion comptera de la date à laquelle la Commission signifie son approbation, à moins qu'elle ne soit antidatée à la demande du sous-ministre; une promotion ne pourra toutefois être antidatée d'une période quelconque d'une année fiscale précédente que dans des cas exceptionnels et les raisons devront en être données en détail dans la recommandation du sous-ministre.

32. Quand deux personnes, ou plus, à l'emploi d'un département sont éligibles pour promotion à une position vacante quelconque et sont recommandées pour cette promotion par le sous-ministre, la Commission peut, de sa propre initiative, ou à la demande du sous-ministre du département, prescrire un examen de concours sur le travail du département, examen ouvert à ceux qui sont ainsi recommandés pour promotion. Tel examen devra se rapporter aux exigences du grade ou de la classe à laquelle la promotion doit être faite, et aux devoirs spéciaux de la position à remplir. Si les résultats de cet examen sont satisfaisants, la Commission émettra le certificat de promotion requis en faveur du candidat le mieux qualifié.

33. Les clauses 2 et 3 de l'article 45 de la loi du service civil de 1918 stipulent qu'en ce qui regarde le service intérieur—

> "Il n'y aura pas de promotion de la deuxième à la première division et il n'y aura pas de promotion de la troisième division; mais toute personne dans l'une ou l'autre de ces divisions peut prendre part à un examen pour admission à une division plus élevée;
>
> "Toute personne placée dans la troisième division (maintenant la deuxième division) sous l'autorité de la loi de 1908 amendant la loi du service civil, et qui a subi avec succès les examens d'aptitudes, ou qui a été nommée sous l'autorité des articles 37 ou 40 de la loi du service civil, chapitre 16, des statuts revisés du Canada de 1906, peut toutefois être promue de la deuxième à la première division sous l'autorité de l'article 16."

34. Comme la loi du service civil de 1918 prescrit que les sténographes et les dactylographes doivent être classifiés dans les grades C et B de la deuxième division, aucun employé admis au service par suite des examens des sténographes du grade C et du grade B ne sera promu au grade A de la deuxième division s'il n'est appelé à remplir les fonctions d'un commis.

35. D'ici à ce que les tableaux contenant les titres des positions du service extérieur et les traitements et les fonctions attachés à chacune d'elles soient préparés en conformité de l'article 52 de la loi du service civil de 1918, tous les examens de promotion prescrits pour la division extérieure de tout ministère à la mise en vigueur de la nouvelle loi sont par les présentes maintenus et seront tenus en conformité de la loi et des règlements qui les régissaient alors.

Congés.

36. En cas de maladie, le sous-ministre peut accorder à tout fonctionnaire, commis ou autre employé à titre permanent dans son département, sur

preuve satisfaisante, dans son opinion, de telle maladie, un congé durant les périodes prescrites dans l'échelle suivante:—

Classe de fonctionnaires.	Avec paie entière n'excédant pas	Avec demi-paie n'excédant pas
A tout fonctionnaire, commis ou employé qui a servi moins de cinq ans.	2 mois dans douze mois consécutifs.	1 mois dans les mêmes douze mois.
A tout fonctionnaire, commis ou employé qui a servi plus de cinq ans et pas plus de dix ans.	3 mois dans douze mois consécutifs.	3 mois dans les mêmes douze mois.
A tout fonctionnaire, commis ou employé qui a servi plus de dix ans et pas plus de quinze ans.	4 mois dans douze mois consécutifs.	4 mois dans les mêmes douze mois.
A tout fonctionnaire, commis ou employé qui a servi plus de quinze ans et pas plus de vingt ans.	5 mois dans douze mois consécutifs.	5 mois dans les mêmes douze mois.
A tout fonctionnaire, commis ou employé qui a servi plus de vingt ans et pas plus de vingt-cinq ans.	6 mois dans douze mois consécutifs.	6 mois dans les mêmes douze mois.
A tout fonctionnaire, commis ou employé qui a servi plus de vingt-cinq ans.	Douze mois consécutifs.	

37. Un congé de maladie excédant les périodes prescrites dans l'échelle ci-dessus peut être accordé sans paie par le sous-ministre avec l'approbation de la Commission.

38. Quand un congé accordé en vertu des articles 36 et 37 de ces règlements excède six jours consécutifs, la personne qui demande tel congé devra obtenir de l'un des médecins désignés à cette fin par la Commission dans différents centres et envoyer au sous-ministre un certificat établissant que l'aspirant est, a été, ou sera probablement incapable de vaquer à ses devoirs officiels durant tel congé.

39. Il pourra être accordé aux employés à titre temporaire un congé de maladie avec pleine paie durant une période de six jours au cours des six premiers mois de service et pour chaque deux mois de service additionnels, deux autres jours, mais le terme de congé avec pleine paie aux employés à titre temporaire ne devra pas excéder douze jours dans une période de douze mois consécutifs. Il sera toujours du ressort d'un sous-ministre d'accorder à un employé à titre temporaire tel congé additionnel sans paie qu'il jugera à propos.

40. Advenant le cas où un fonctionnaire deviendrait incapable de travailler par suite de blessures reçues accidentellement dans l'accomplissement de ses fonctions et sans qu'il y ait eu négligence de sa part, le sous-ministre peut, avec l'approbation de la Commission, sur présentation d'un certificat de l'un des médecins désignés par la Commission, accorder un congé avec paie pour telle période qui dans l'opinion du sous-ministre peut être nécessaire à son rétablissement.

41. En plus des vacances statutaires ou du congé de maladie le sous-ministre peut accorder à tout fonctionnaire, commis ou employé à titre permanent dans son département, un congé spécial pour raisons de sympathie ou autres pour une période n'excédant pas six jours ouvrables à la fois ou quinze jours ouvrables dans une année fiscale quelconque, avec ou sans paie, ou avec demi-paie, durant telle période, ou telles périodes, ou telle partie d'icelles, qu'il le jugera à propos.

Quand le congé spécial ainsi demandé couvre une période, ou des périodes plus longues dans une même année fiscale quelconque, le sous-ministre peut l'accorder avec l'approbation de la Commission, avec ou sans paie, ou avec demi-paie, durant telle période, ou telles périodes, ou telle partie d'icelles, qu'il jugera à propos et que la Commission aura approuvé.

42. Les stipulations des articles précédents n'entreront en vigueur qu'au premier décembre 1918, et les congés de maladie et les congés spéciaux accordés conformément à la loi telle qu'elle existait avant l'adoption de la loi du service civil de 1918, ou accordés après l'adoption de ladite loi par le sous-ministre ou le Gouverneur en conseil en l'absence de tous autres règlements, sont confirmés par les présents règlements.

Toutefois, les congés de maladie, ou les congés spéciaux accordés mais non encore expirés au premier décembre 1918, deviendront sujets aux présents règlements.

Aussi, si au premier décembre 1918, un tel congé a déjà été accordé à un employé civil dans les douze mois précédents, ou dans l'année fiscale 1918-19, suivant le cas, il sera, quand il est possible, porté à son compte, en enregistrant les congés en vertu des présents règlements.

43. Dans tous les cas où un congé de maladie ou un congé spécial est accordé en vertu de ces règlements, soit aux employés à titre permanent ou à titre temporaire, un rapport devra être fait immédiatement à l'Auditeur général et à la Commission, afin qu'un tableau exact de ces congés puisse être gardé.

44. Aussitôt que possible après le 1er décembre 1918, un rapport devra être fait à l'Auditeur général et à la Commission de tous les congés de maladie, ou congés spéciaux, accordés dans les douze mois précédents, ou dans l'année fiscale 1918-19, suivant le cas, à tout employé civil à titre permanent ou à titre temporaire encore à l'emploi du Gouvernement à la date dudit rapport.

45. La Commission désignera dans différents centres des médecins dûment qualifiés qui fourniront les certificats de médecin requis par ces règlements et ils auront droit à un honoraire de $2.00 à être payé par la personne examinée. Ces certificats seront rédigés sur une formule spéciale préparée et fournie par la Commission.

46. Les stipulations de ces règlements ne peuvent déroger au pouvoir du Gouverneur en conseil de congédier ou de mettre à la retraite en tout temps tout fonctionnaire, commis ou employé, pour cause de mauvaise santé.

47. L'article 25 de la loi du service civil de 1918 stipule que

"(1) Le sous-ministre peut accorder à chaque fonctionnaire, commis ou autre employé, des vacances annuelles pour une période n'excédant pas dix-huit jours dans une même année fiscale quelconque, les dimanches et les jours de fête non compris, après qu'ils auront été au moins une année au service.

“ (2) Chaque fonctionnaire, commis ou employé prendra les vacances ainsi accordées à telle époque chaque année que déterminera le sous-ministre.”

Règlements généraux.

48. Les personnes employées à titre temporaire au service civil avant le 24 mai 1918, qui étaient qualifiées pour emploi permanent, peuvent être considérées éligibles à tel emploi permanent, pourvu qu'elles soient recommandées à la Commission par le sous-ministre du département avec la déclaration expresse que la chose est dans l'intérêt public, et pourvu que leurs services à titre temporaire aient été satisfaisants.

49. Quand un département demande à la Commission des journaliers ou des hommes de métier ou autres employés dont les aptitudes ne relèvent pas des examens de troisième division ou de deuxième division prescrits dans les présents règlements, la Commission pourra autoriser le département à procéder de la façon prescrite dans les articles 23 à 26 inclusivement des présents règlements, ou pourra prescrire telle autre méthode de nomination de nature à assurer à tous les aspirants une chance égale de recevoir due considération de leurs aptitudes respectives.

50. Si la Commission requiert les services d'un fonctionnaire dans un département quelconque relativement à toute nomination ou promotion à être faite au service public, ou relativement à toute autre matière de la juridiction de la Commission, ce fonctionnaire devra se montrer prêt à coopérer avec la Commission et devra mettre ses services à la disposition de la Commission de toute façon et en tout temps.

51. Conformément au paragraphe 1 de l'article 39 de la loi du service civil de 1918, le nombre de concurrents à être choisis à chaque examen de concours général, pour nomination au service civil, sera déterminé par la Commission d'après les rapports des différents départements concernant leurs besoins probables pour une certaine période donnée. Les rapports doivent donner des listes séparées pour le service intérieur et pour le service extérieur, et pour chacune de leurs divisions, grades ou classes respectivement, mentionnant le nombre d'hommes et de femmes à être nommés. Le titre ou la nature des positions doit être donné, si possible.

52. Tous les examens de concours généraux pour admission au service civil seront annoncés dans la *Gazette du Canada* conformément à l'article 40 de la loi du service civil de 1918, au moins quatre semaines avant la date des examens. La date de ces examens sera telle qu'annoncée, mais ordinairement ils seront tenus en mai et novembre de chaque année. Les examens de concours spéciaux seront annoncés dans la *Gazette du Canada* au moins deux semaines avant la date des examens. Ces annonces devront en autant que possible donner le nombre de positions offertes au concours, les positions qui sont alors vacantes, les conditions essentielles que doivent observer les concurrents, les sujets que doit comprendre tout examen spécial, et les endroits où les examens doivent être tenus.

53. Les candidats heureux aux examens du service extérieur seront nommés dans les diverses villes ou cités de la province dans laquelle ils sont résidents de bonne foi après considération de toutes les circonstances, y compris leurs propres désirs; mais les exigences du service civil doivent être placées avant toute autre considération.

54. Un candidat heureux à l'un quelconque des examens tenus sous la direction de la Commission pour emploi permanent au service civil qui refuse d'accepter un emploi permanent quand il lui est offert, perdra tous ses droits à telle nomination et son nom sera immédiatement rayé de la liste des personnes éligibles, à moins qu'il n'offre, dans l'opinion de la Commission, de bonnes et suffisantes raisons de son refus, dans lequel cas son nom, par ordre de mérite, sera placé sur la liste suivante avec ceux qui n'ont pas encore été nommés, tel que prescrit dans la clause (2) de l'article 39 de la loi du service civil de 1918.

55. La Commission peut choisir pour toute position, ou tout emploi, toute personne qui a été un concurrent heureux pour une position, ou un emploi plus élevé, pourvu que tel choix ne soit pas fait au préjudice de toute personne sur la liste des concurrents heureux pour telle position, ou tel emploi moins élevé.

56. Un candidat peut subir plus d'un examen à la même époque s'ils ne sont pas tenus le même jour, mais s'il réussit dans plus d'un examen, il perdra son rang sur la liste d'examen la moins élevée et son nom n'apparaîtra, par ordre de mérite, que sur la liste d'examen la plus élevée. Pourvu, toutefois, que, conformément à l'article 39 de la loi du service civil de 1918, il ne perde pas ses droits d'être nommé à une position moins élevée que celle à laquelle il est considéré éligible.

57. Dans tous les examens, concours ou nominations, les personnes qui ont fait du service outre-mer dans les armées ou la marine de Sa Majesté, ou de l'un quelconque des Alliés de Sa Majesté, au cours de la présente guerre, qui ont quitté le service avec un certificat de bonne conduite, ou qui ont été honorablement réformées, et qui obtiennent un nombre de points suffisants pour réussir dans tels examens, ou qui possèdent le minimum des aptitudes requises, seront, sans considération des points qu'elles ont obtenus, ou des aptitudes relatives des autres candidats, placées par ordre de mérite sur la liste des candidats ou des concurrents heureux avant tous les autres candidats ou concurrents.

58. (1) Sauf les dispositions à ce contraire de la loi du service civil de 1918 et des présents règlements, nulle personne ne sera nommée à une position de commis ou dans les grades inférieurs du service civil, ou admise à l'un des examens de concours qualifiant pour telles positions, à moins qu'elle ne soit âgée d'au moins dix-huit ans et de pas plus de trente-cinq ans le premier jour de l'examen. Pourvu, toutefois, qu'au cours de la présente guerre la limite minimum d'âge sera de seize ans au lieu de dix-huit ans. Les limites d'âge dans les concours pour positions spéciales, professionnelles ou techniques, seront telles qu'annoncées dans la *Gazette du Canada* pour chaque concours.

(2) La limite d'âge ne s'applique pas aux personnes qui ont fait du service actif outre-mer dans les armées ou dans la marine de Sa Majesté, ou de l'un quelconque des Alliés de Sa Majesté, au cours

de la présente guerre, qui ont quitté le service avec un certificat de bonne conduite, ou qui ont été honorablement réformées; mais la Commission doit certifier que ces personnes sont d'un âge tel qu'elles peuvent remplir les fonctions de leur emploi et qu'elles pourront probablement continuer à les remplir durant une période raisonnablement longue après leur nomination.

(3) Toute personne employée à titre permanent au service civil peut prendre part à tout concours ou examen général, si à sa première nomination elle n'était pas plus âgée que l'âge maximum prescrit pour la position pour laquelle l'examen est tenu, et, si elle réussit, elle peut être nommée sans considération d'âge.

59. Personne ne sera, sans l'autorité du Gouverneur en conseil, admis à un examen, s'il n'est sujet britannique de naissance ou par naturalisation, et aussi s'il n'a résidé au moins trois ans au Canada.

60. (1) Tout candidat heureux, avant de recevoir une nomination à titre permanent au service civil, doit fournir à la Commission un certificat de bonne santé, lequel sera fait sur des formules spéciales fournies par la Commission.

Pourvu, toutefois, que les personnes qui ont fait du service actif outre-mer dans les armées ou dans la marine de Sa Majesté, ou de l'un quelconque des Alliés de Sa Majesté, au cours de la présente guerre, qui ont quitté le service avec un certificat de bonne conduite, ou qui ont été honorablement réformées, doivent fournir à la Commission un certificat de santé établissant qu'elles sont capables de remplir les devoirs de la position à laquelle elles doivent être nommées et qu'elles pourront probablement continuer à les remplir durant une période raisonnablement longue après leur nomination.

(2) La Commission désignera dans chaque endroit où un examen est tenu, ou en tels autres endroits qu'il sera jugé opportun, un ou plusieurs médecins, de qui ces certificats pourront être obtenus.

(3) Les honoraires que les aspirants devront payer pour le certificat de santé seront:—

Pour les messagers, trieurs, emballeurs, et pour commis temporaires	$2 00
Pour les commis dans la deuxième division du service intérieur et pour les commis du service extérieur	$3 00
Pour les commis de la première division du service intérieur	$5 00

61. Tout candidat heureux, avant de recevoir une nomination au service civil, doit fournir à la Commission les noms de trois personnes recommandables capables de donner de bons renseignements sur la conduite et les mœurs du candidat.

Tenue des examens.

62. Personne ne sera admis à un examen de qui le Secrétaire de la Commission du service civil n'a pas reçu, à, ou avant la date fixée dans la *Gazette du Canada* pour tel examen, une demande d'inscription de la main de l'aspirant, sur la formule prescrite accompagnée des honoraires requis. Les formules sur lesquelles les demandes d'inscription à ces examens seront faites seront fournies par la Commission et on pourra les obtenir en s'adressant au Secrétaire de la Commission, aux surveillants aux centres d'examens, ou au maître de poste à ces centres

63. Les examens de concours généraux seront tenus aux endroits suivants (pourvu qu'au moins trois candidats s'inscrivent au même endroit): Prince Rupert, Victoria, Vancouver et Nelson, dans la Colombie-Britannique; Edmonton et Calgary, dans l'Alberta; Saskatoon et Régina, dans la Saskatchewan; Brandon et Winnipeg, dans le Manitoba; Port Arthur, Sault-Sainte-Marie, North Bay, Windsor, Sarnia, London, Woodstock, Hamilton, Toronto, Peterboro, Kingston et Ottawa, dans l'Ontario; Montréal, Sorel, Sherbrooke, Trois-Rivières et Québec, dans Québec; Fredericton, Chatham, Saint-Jean et Moncton, dans le Nouveau-Brunswick; Charlottetown et Summerside, dans l'Ile du Prince-Edouard; Yarmouth, Halifax et Sydney, dans la Nouvelle-Ecosse.

Les examens pourront aussi être tenus à d'autres endroits si trois candidats, ou plus, s'inscrivent.

Pourvu qu'advenant le cas d'un examen de concours d'ordre technique ou scientifique, nécessitant l'usage de certains appareils, la Commission pourra se dispenser de le tenir dans chacun de ces endroits, mais elle devra, autant que possible, en choisir un dans chaque province de la Puissance.

64. Tout candidat pourra, à son choix, subir en anglais ou en français les différents examens, mais le choix de la langue doit être fait à l'époque de l'inscription.

Honoraires d'examens.

65. (1) L'échelle des honoraires à être payés par les aspirants aux différents examens tenus sous la direction de la Commission sera la suivante:—

Pour les positions dans la troisième division	$2 00
Pour les positions dans la deuxième division, grade C	$4 00
Pour les positions dans la deuxième division, grade B	$6 00
Pour les positions dans la première division	$8 00

Pour les examens spéciaux, les honoraires, quand il y en aura, seront tels que prescrits par les Commissaires.

Comme les examens d'admission au service extérieur seront, pour le présent, ceux du service intérieur, la même échelle d'honoraires sera en vigueur.

(2) Les honoraires pour tous les examens seront payables à l'époque de la demande d'inscription. Si un aspirant après avoir demandé l'inscription et payé les honoraires requis se trouve incapable de se présenter à l'examen, la moitié de ses honoraires lui seront remis. Si, toutefois, un aspirant avertit la Commission avant qu'un examen soit tenu, qu'il est incapable de se présenter pour cause de maladie, ou pour toute autre cause, les honoraires lui seront remis en entier. Pourvu que quand un examen est tenu à un centre où il n'y a pas plus de trois aspirants, les honoraires ne seront pas remis à un candidat qui ne se présente pas à cet examen.

(3) Un aspirant qui a servi outre-mer dans les armées de Sa Majesté, ou dans les armées de l'un des Alliés de Sa Majesté, au cours de la présente guerre, et qui a été honorablement réformé, ou un aspirant qui détient un certificat d'un bureau médical à l'effet qu'il est devenu invalide par suite de service militaire avant de traverser les mers, n'aura pas à payer d'honoraires pour admission aux différents examens tenus sous la direction de la Com-

mission du service civil pour admission ou promotion au service civil, soit intérieur, soit extérieur.

66. (1) La Commission choisira des examinateurs compétents pour préparer les devoirs d'examen nécessaires et pour corriger les réponses des candidats aux examens généraux et spéciaux prévus par la loi du service civil de 1918 et les présents règlements.

(2) Les devoirs d'examen de première division seront, sauf dans les cas où la Commission ne jugera pas la chose nécessaire, préparés et corrigés par deux examinateurs.

(3) Au cas d'examens de promotion et d'examens spéciaux ou techniques pour la première division, autant que possible, un des deux examinateurs sera choisi dans le ministère intéressé et l'autre en dehors.

67. Chaque examinateur pour chaque sujet soumettra à la Commission du service civil avec ses rapports une échelle montrant comment il a distribué les points pour les différentes questions et montrant surtout comment il a marqué des réponses partielles types.

Serment d'office d'un examinateur du service civil.

68. Chaque examinateur nommé par la Commission du service civil devra prêter le serment d'office suivant:—

Je, A. B., promets solennellement et jure que je ne confierai à personne les questions que je préparerai pour un examen du service civil et que je prendrai toutes les précautions voulues pour qu'elles demeurent secrètes tant qu'elles resteront entre mes mains; que si je fais une traduction des questions je ne la montrerai à aucune personne non autorisée; que je ne garderai pas une copie de mes questions et que si elles se gravent dans ma mémoire je ne ferai ou dirai rien, directement ou indirectement, qui puisse les faire connaître à une personne non autorisée.

Je promets de plus solennellement et je jure que je corrigerai les cahiers d'examen qui me seront envoyés avec tout le soin possible et au meilleur de ma connaissance, sans favoritisme ou préjudice.

Ainsi, Dieu me soit en aide!

ORDERS IN COUNCIL.

[3154]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, 21st day of December, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Minister of the Interior reports that it is considered advisable and in the public interest that certain areas on the shores of the Arctic Ocean, adjacent to the Coppermine River and Bathurst Inlet, which are reported to contain deposits of Native Copper, should be withdrawn from the provisions of the Mining Regulations in order that the deposit of Native Copper reported to exist in that region may be thoroughly examined,—

Therefore, His Excellency the Governor General in Council, is pleased to authorize and doth hereby authorize the Minister of the Interior to withdraw from the provisions of the regulations for the disposal of quartz mining claims on Dominion lands in Manitoba, Saskatchewan, Alberta, the North West Territories and the Yukon Territory, established by Order in Council dated the 25th of May, 1917, and from the provisions of the regulations governing placer mining in Manitoba, Saskatchewan, Alberta and the North West Territories of Canada, established by Order in Council dated the 8th of February, 1909, that portion of the North West Territories lying north of the 65th parallel of North Latitude, and between the 105th and the 116th degrees of West Longitude, comprising the islands in and the territory adjacent to Coronation Gulf and Bathhurst Inlet.

RODOLPHE BOUDREAU,

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 27th day of December, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 20th December, 1918, from the Minister of the Interior, stating that The Canada Cement Company, Limited, has reported the discovery of a deposit of clay on a portion of legal subdivision 12 of Section 34, Township 10, Range 6, west of the 4th Meridian, containing an area of 21·26 acres, which clay has been found to be suitable for use in connection with the manufacture of cement.

As the clay, for a lease of which application has been made, is to be used as one of the ingredients in the production of cement, and not for the manufacture of brick or other clay products, the Minister recommends that he be authorized to lease to the company the tract applied for under the provisions of the regulations for the leasing of lands containing limestone, granite, slate, gypsum, marl, gravel, sand or any building stone, approved by Order in Council dated the 13th of May, 1910, and re-established by Order in Council dated the 16th of August, 1911, but not subject to the provisions of the Order in Council dated the 21st day of November, 1912, which provides for the leasing of Dominion lands containing deposits of clay to be used for the manufacture of brick and other clay products.

The Committee concur in the foregoing recommendation, and submit the same for approval.

RODOLPHE BOUDREAU,
28-4 Clerk of the Privy Council.

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Acting Minister of Marine and Fisheries reports as follows:—

That the sub-joined by-law has been enacted as By-law No. 1 of the New Westminster Harbour Commissioners, in accordance with the provisions of section 20 of 3-4 George V, chapter 158,—"The New Westminster Harbour Commissioners Act."

That the said By law has been submitted to the Department of Justice for an opinion as to its legality and that Department has reported that they find no legal objection to its approval.

That the Inspector of Harbour Commissions reports that there is no objection to the provisions of said By-law from the Department's standpoint and recommends its approval; and in this recommendation the Deputy Minister of the Department concurs,—

Therefore, His Excellency the Governor General in Council, is pleased to approve and doth hereby approve of the following as By-law No. 1 of the New Westminster Harbour Commissioners:—

"Whereas the Fraser River Bridge is situate within the harbour of New Westminster;

"And whereas the draw of the said Fraser River Bridge is situated so as to cause all large vessels for safety to use the port side of the draw coming down and going up the river, contrary to the provisions of the Rules of the Road owing to the position of a sand-bar which is north of the draw, and to the current.

"And whereas it is necessary to regulate and control navigation and to make rules for the safety of navigation in that vicinity,—

"Now therefore be it resolved, and it is hereby enacted, as a By-law by the New Westminster Harbour Commissioners, subject to the confirmation of the Governor in Council hereto, as follows:—

1. "That the following Rule be and the same is hereby adopted as the Rule of the Road in connection with the navigation by all vessels navigating the Fraser River between Shoal Point, Annacis Island eighteen cables below the Bridge, and Liverpool eight and one-half cables above the Bridge:

RULE OF THE ROAD.

"All vessels navigating the Fraser River within the "limits of the above area shall keep to that side of "the main channel which lies on the port side of "such vessel, and in passing through the draw of "the Fraser River Bridge shall use the port draw "both coming down and going up the river.

2. This by-law may be known as "Fraser River Bridge Rule of the Road By-law."

"Passed at a meeting of the New Westminster Harbour Commissioners held on the 26th day of February, A.D. 1917, the meeting being a regular one called by notice duly given and attended by all the Commissioners and carried unanimously on a motion by Commissioner George Blakely, seconded by Commissioner Frederick N. Sinclair.

"Signed" F. J. Coulthard, Chairman.
F. N. Sinclair, Secretary."

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 17th day of December, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 9th December, 1918, from the Minister of the Interior, stating that Mr. Samuel Ingram of Maple Creek, Saskatchewan, is entitled to patent to his purchased homestead, the southwest quarter Section 34, Township 9, Range 25, west of the 3rd Meridian, having completed the requisite settlement duties and payments. The land owned by Mr. Ingram, which is unsuitable for agricultural development, has been reserved for inclusion in the Cypress Hills Forest Reserve in case it should become vacant, Mr. Ingram has surrendered all his right, title, and interest to the southwest quarter of Section 34, Township 9, Range 25, west of the 3rd Meridian, and desires to be granted in exchange patent for the northwest quarter of Section 23, Township 22, Range 28, west of the 3rd Meridian, which land is at present available for disposal,—

The Minister, therefore, recommends that the issuance of Patent to Mr. Samuel Ingram for the said northwest quarter of Section 23, Township 22, Range 28, west of the 3rd Meridian, in lieu of the land surrendered by Mr. Ingram, be authorized in accordance with subsection *f*, section 76 of The Dominion Lands Act.

The committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 6th day of January, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency the Governor General in Council on the recommendation of the Acting Minister of Trade and Commerce, and under and in virtue of the authority conferred by "The War Measures Act" 1914, is pleased to make the following Regulations respecting Trade Marks, Industrial Designs and Copyrights, and the same are hereby made and enacted accordingly:—

Regulations.

1. "Minister" means the Minister of Trade and Commerce, and includes the Deputy of the Minister of Trade and Commerce.

2. The Minister may at any time during the continuance of these Orders and Regulations extend the time prescribed by "The Trade Mark and Design Act", or the "Copyright Act", or any rules made under either of the said Acts, for doing any act or filing any documents upon such terms and subject to such conditions as he may think fit, where it is shown to his satisfaction that the applicant or proprietor, as the case may be, was prevented from doing the said act or filing the said documents by reason of active service or enforced absence from this country, or any other circumstances arising from the present war, which in the opinion of the Minister would justify such extension.

Such extension of any prescribed time, if granted after its expiration, shall have the same effect as if granted prior thereto, provided such expiration occurred on or after the 4th day of August, 1914.

3. The Minister may refuse to register an assignment of any trade mark, industrial design or copyright made by a subject of any State at war with His Majesty, and filed on or after the 4th day of August, 1914, unless he is satisfied that such assignment was made in good faith, and not for the purpose of evading any law or restriction that applies to such person in consequence of such person being an alien enemy.

4. The term "person" used in these Orders and Regulations shall, in addition to the meaning given thereto by par. 20 of section 34 of "The Interpretation Act," include any Government Department.

5. These Orders and Regulations shall come into operation as from the 4th day of August, 1914.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

APLICATIONS TO PARLIAMENT.

THE SENATE.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As revised and brought in force 22nd March, 1916.

Every applicant for a bill of divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia, or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but, otherwise, shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known, or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee, that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for a bill of divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage the names in full of the parties thereto, their ages and occupations, when, where, and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of, the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(*1*) The petitioner's residence at the time of service.

(*2*) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(*3*) The name and address of the solicitor, if any, acting for the petitioner.

(*4*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*5*) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(*a*) The respondent's residence at the time of sending such notice.

(*b*) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(*c*) The name and address of the solicitor, if any, acting for the respondent.

(*d*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*6*) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(*7*) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the

satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars ($210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 20 décembre 1918, représentant que la compagnie dite "Canada Cement Company, Limited," a fait rapport de la découverte d'un gisement d'argile dans une partie de la subdivision légale 12 de la section 34, township 10, rang 6, à l'ouest du 4e méridien, comprenant une superficie de 21.26 acres, et que ladite argile a été trouvée convenable pour la fabrication du ciment :

Vu que cette argile, pour laquelle une demande de bail a été soumise, doit être employée comme un des ingrédients pour la fabrication du ciment et non pour la fabrication de la brique et autres produits de l'argile, le ministre demande l'autorisation de louer à la compagnie l'étendue de terrain demandée sous l'empire des dispositions des règlements régissant la cession à bail des terrains contenant du calcaire, du granit, de l'ardoise, du gypse, de la marne, du gravier, du sable ou toute pierre à bâtir, approuvés par arrêté en conseil du 13 mai 1910, et rétablis par arrêté en conseil du 16 août 1911. Ce bail ne sera pas sujet cependant aux dispositions de l'arrêté en conseil du 21 novembre 1912, qui traite de la cession à bail des terres fédérales contenant des gisements d'argile qui doit être employée dans la fabrication de la brique et autres produits de l'argile.

Le comité agrée cette recommandation et la soumet pour approbation.

Règlements.

1. Les règlements approuvés par un arrêté en conseil du 25 septembre 1918, ainsi que modifiés par les arrêtés en conseil du 7 et du 15 novembre 1918, au sujet des associations illégales, publications et autres matières déterminées dans ces règlements, sont modifiés comme suit :

(*a*) Nul ne peut être convaincu d'infraction des règlements susdits ou de tout règlement les modifiant à moins que le solliciteur général de la province où l'infraction est alléguée avoir été commise n'ait consenti à la poursuite et l'ait approuvée ;

(*b*) Sauf quant à toute poursuite actuellement pendante, les peines et amendes prescrites par les règlements susdits seront dorénavant imposées ou recouvrées par voie de mise en accusation de la manière prescrite par le Code pénal pour les actes criminels, pourvu que la juridiction d'un magistrat sous le régime de la Partie XVI du Code pénal concernant le jugement sommaire des actes criminels s'étende, avec le consentement de l'accusé, à toute infraction des présents règlements, et le magistrat, subordonnément aux dispositions de ladite Partie XVI et conformément à la procédure qui y est prescrite, jugera et décidera l'accusation de manière sommaire.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 9 décembre 1918, représentant que M. Samuel Ingram, de Maple-Creek, de Saskatchewan, s'étant acquitté de ses obligations d'établissement et de paiement, a droit à la patente de son homestead acheté, soit le quart de section sud-ouest 34, township 9, rang 25, à l'ouest du 3e méridien. Le terrain appartenant à M. Ingram est impropre à l'agriculture et a été réservé pour inclusion dans la réserve forestière de Cypress-Hills au cas où il deviendrait inoccupé. M. Ingram a cédé tous ses droits, titres et intérêts au quart de section sud-ouest 34, township 9, rang 25, à l'ouest du 3e méridien, et désire obtenir en échange la patente du quart nord-ouest de la section 23, township 22, rang 28, à l'ouest du 3e méridien, actuellement disponible,—

Le Ministre recommande par conséquent que soit délivrée à M. Samuel Ingram patente dudit quart nord-ouest de la section 23, township 22, rang 28, à l'ouest du 3e méridien, en échange du terrain cédé par lui, conformément aux dispositions du paragraphe *f* de l'article 76 de la *Loi des terres fédérales*.

Le comité agrée cette recommandation et la soumet pour approbation.

ATTENDU que le ministre de l'Intérieur fait rapport qu'il est opportun et d'intérêt public que certaines étendues des rives de l'océan Atlantique contiguës à la rivière Coppermine et à l'anse Bathurst, et que l'on dit receler des gisements de cuivre natif devraient être soustraites à l'application des dispositions des règlements des mines pour que le gisement de cuivre natif présumé se trouver dans cette région puisse être soumis à un examen minutieux.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, d'autoriser par les présentes le ministre de l'Intérieur à soustraire à l'application des dispositions des règlements régissant la concession des claims miniers de quartz sur les terres fédérales dans le Manitoba, la Saskatchewan, l'Alberta, les Territoires du Nord-Ouest et le Territoire du Yukon, établis par arrêté en conseil du 25 mai 1917, ainsi que des dispositions des règlements régissant les mines de placer du Manitoba, la Saskatchewan, l'Alberta et les Territoires du Nord-Ouest du Canada, établis par arrêté en conseil du 8 février 1909, cette partie des Territoires du Nord-Ouest située au nord du 65e parallèle de latitude nord et entre les 105e et 116e degrés de longitude ouest comprenant les îles du golfe Coronation et de l'anse Bathurst ainsi que le territoire adjoint.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

IL plaît à Son Excellence le Gouverneur général en Conseil, à la recommandation du ministre suppléant de l'Industrie et du Commerce et en vertu de l'autorité qui lui est conférée par la *Loi des mesures de guerre, 1914*, d'établir les règlements suivants concernant les marques de commerce, les dessins de fabrique et les droits d'auteur et ces règlements sont par les présentes faits et promulgués en conséquence :

Règlements.

1. "Ministre" signifie le Ministre de l'Industrie et du Commerce et comprend le sous-ministre de l'Industrie et du Commerce.

2. Le Ministre peut, en tout temps, tant que régiront les présents décrets et règlements, accorder une extension de la période prescrite par la *Loi des marques de commerce et dessins de fabrique* ou la *Loi des droits d'auteur* pour faire toute chose ou disposer tout document, selon que ledit Ministre jugera à propos, s'il est établi à sa satisfaction que le requérant ou le propriétaire, selon le cas, a été empêché de faire toute telle chose ou de déposer tout tel document du fait qu'il était en service actif ou forcé de s'absenter de ce pays, ou à cause de toute autre circonstance provoquée par la guerre actuelle, toutes raisons qui, dans l'opinion du Ministre, motiveraient telle extension.

Cette extension, si elle est accordée après l'expiration de telle période, aura le même effet que si elle avait été accordée avant la fin de telle période, pourvu qu'elle soit expirée le ou après le 4e jour d'août 1914.

3. Le ministre peut refuser d'enregistrer la cession de toute marque de commerce, dessin de fabrique ou droit d'auteur faite par un sujet d'un Etat en guerre avec Sa Majesté et déposé le ou après le 4e jour d'août 1914, s'il n'est établi à sa satisfaction que cette cession a été faite de bonne foi et non pour éluder une loi ou restriction qui s'applique à tel sujet étranger en conséquence du fait qu'il est un ennemi.

4. L'expression "personne" dans les présents décrets et règlements comprend, outre l'interprétation que lui donne le paragraphe 20 de l'article 34 de la *Loi d'interprétation*, tout département du gouvernement.

5. Les présents décrets et règlements ont force de loi comme s'ils étaient entrés en vigueur le 4e jour d'août 1914.

Ledit règlement a été soumis au Département de la Justice pour avis quant à sa légalité, et le département déclare ne voir aucune objection légale à son approbation.

" Attendu que le pont de la rivière Fraser est situé dans les limites du havre de New-Westminster ;

" Et attendu qu'il est nécessaire de réglementer et de contrôler la navigation pour en assurer la sûreté dans ce voisinage.

" Il est par conséquent résolu que ce qui suit soit par les présentes sanctionné à titre de règlement par les commissaires du havre de New-Westminister, sujet à confirmation par le Gouverneur général en conseil :

1. " Le règlement suivant est par les présentes adopté à titre de règlement de la route à suivre par tout vaisseau navigant dans la rivière Fraser entre Shoal Point, l'île Annacis, à dix-huit encâblures en aval du pont, et Liverpool, à huit encâblures et demie en amont du pont.

" remontant la rivière.

" 2. Le présent règlement peut être cité sous le titre
" Règle du pont de la rivière Fraser du règlement de

DEMANDES AU PARLEMENT.

SÉNAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDURE DU SÉNAT CONCERNANT LES BILS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre, si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée «partie défenderesse.»

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables on été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante jours premiers de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicil conjugale, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat, aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse, et donner dans cet avis au greffier du Sénat:

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat, doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

A. E. BLOUNT,
Greffier du Sénat.

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis,* que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de prolonger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs), d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit dans la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: *"Avis de bill privé";* ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes, mentionner en même temps et de la même manière les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toutes personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 60 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

A. E. BLOUNT,
Greffier du Sénat.

CHAMBRE DES COMMUNES.

RÉGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, mais tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôts de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenue de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollars.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:

(*a*) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill, pour chaque suspension..........	100 00
(*b*) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième.............	100 00
(*c*) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session............	200 00
(*d*) Lorsque le capital social projeté d'une compagnie dépasse $250,000, et n'excède pas $500,000...........	100 00
(*e*) Lorsque le capital social projeté d'une compagnie dépasse $500,000, et n'excède pas $750,000...........	150 00
(*f*) Lorsque le capital social projeté d'une compagnie dépasse $750,000, et n'excède pas $1,000,000..........	200 00
(*g*) Lorsque le capital social projeté d'une compagnie dépasse $1,000,000, et n'excède pas $1,500,000..........	300 00
(*h*) Lorsque le capital social projeté d'une compagnie dépasse $1,500,000, et n'excède pas $2,000,000..........	400 00
(*i*) Pour chaque million ou fraction de million de dollars additionnels....	100 00

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de $300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accôrde le pouvoir d'augmenter à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire, imposée sous l'empire des alinéas *b* ou *c* de l'article 3, ne sera pas exigée.

War Office,
2nd December, 1918.

HIS Majesty the KING has been graciously pleased to approve of the following awards to the undermentioned Officers and Warrant Officers in recognition of their gallantry and devotion to duty in the Field:—

Second Bar to Distinguished Service Order.

CANADIAN FORCE.

Lt.-Col. John Arthur Clark, D.S.O., 72nd Bn., Can. Infy., British Columbia R.

For conspicuous gallantry and resourceful leadership. When one of his companies was held up by machine-gun fire from a wood, he led his men forward and by skilful tactics captured the machine-guns with their crews. Two days later, when his men were again checked in front of a village, he dashed to the front and led them to their objective, saving many casualties by his skill and fearlessness.

For conspicuous gallantry and devotion to duty. During the attack on a village he skilfully led his men against a strong line of machine-gun posts, and succeeded in capturing two heavy trench mortars and a number of machine guns. When his company commander was wounded he took command and reached the final objective. Two days later he again led the company in a successful attack, with very few casualties. He set a fine example to his men under heavy fire during these operations.

4803 R.S.M. T. Adams, D.C.M., 13th Bn., L'pool R. (Halifax, Can.)

(D.C.M. gazetted 3rd September, 1918.)

HIS Majesty the KING has been graciously pleased to approve of the award of the Distinguished Conduct Medal to the undermentioned Warrant Officers, Non-Commissioned Officers and Men for gallantry and distinguished service in the Field:—

[LONDON GAZETTE *of the 5th December, 1918.*]

CANADIAN FORCE.

106001 L./Sjt. R. E. Alexander, 1st Bn., Can. Mtd. Rif.

For conspicuous gallantry during an attack. After his platoon had captured all objectives he observed an enemy machine gun firing from a flank and inflicting heavy casualties on his platoon. He crawled up in the grass, rushed the gun post, killed three and captured five of the occupants and brought back the gun. He showed splendid courage and saved many casualties.

414154 Sjt. H. Cassidy, 25th Bn., Can. Infy.

For conspicuous gallantry and devotion to duty. This N.C.O. led his platoon through two days' fighting under very heavy artillery and machine-gun fire with skill and resource. At every available opportunity he reorganized his men, and by his leadership and disregard of danger on his own account set a fine example to his men.

743215 Pte. W. H. Gibbons, 26th Bn., Can. Infy.

For conspicuous gallantry and devotion to duty. This man, who was a company runner, in returning to the firing line went through a gap and found himself upon a machine-gun post. He rushed it, and when the firing line came up to him they found three of the enemy dead and three prisoners. He saved many casualties by his splendid daring and promptitude.

69369 Sjt. C. J. Gilker, 26th Bn., Can. Infy.

For conspicuous gallantry and devotion to duty during four days' operations as acting C.S.M. On one occasion, when all but one of the company officers had become casualties, and the advance was checked by the fire of machine guns, he collected two sections, and, working round to a flank, rushed the post and eased the situation. Later, when progress was again stopped, he assisted his officer in organizing a defensive position. He was severely wounded in the head shortly afterwards, having set a fine example to his men.

743100 Sjt. R. W. Handren, 24th Bn., Can. Infy.

For conspicuous gallantry and devotion to duty during attacks on a village and wood. He commanded a platoon on the first day, and, on the following day, when all his officers had become casualties, he took command of the company, bringing it through heavy shelling and machine-gun fire to the objective, when it dug in. At this point he moved up and down the company line exposed to machine-gun fire and sniping, encouraging his men and superintending the placing of Lewis guns. His judgment and initiative were such that the men were ready to follow him anywhere.

279325 C./S./M. J. J. McDonald, 8th Bn., Can. Rly. Troops.

For conspicuous gallantry and devotion to duty. While engaged on light railway work the enemy suddenly opened an intense bombardment, which wounded five of his men and cut off two trains. He first rescued the wounded and got them under cover from the shell fire, then returned and repaired the broken track, but the two tractors of the trains were so badly damaged they could not work, so he and his party pushed the trains out of the shelled area. He then went on repairing the line, getting up material, etc., under constant shelling, with the utmost perseverance and determination.

67947 Sjt. A. McIsaac, M.M., 25th Bn., Can. Infy.

For conspicuous gallantry and devotion to duty. When his platoon was in support, seeing that the leading troops had suffered heavy casualties, he brought his men forward under heavy fire to their assistance and saved the situation, reorganizing and consolidating the position. His personal dash and leadership were a great asset in the attack.

414629 Sjt. J. D. Sinclair, 25th Bn., Can. Infy.

For conspicuous gallantry and devotion to duty in leading his platoon, which was without an officer through three days' fighting. His skill in directing his men through several barrages minimized casualties and materially helped the attacks by the battalion. When the leading troops were in difficulties he brought up some of his men and relieved a difficult situation. His personal courage was an inspiration to his men.

405445 Cpl. A. Wallace, M.M., 26th Bn., Can. Infy.

For conspicuous gallantry and devotion to duty. Throughout four days' fighting this N.C.O., who was medical orderly, displayed coolness and courage in attending to the wounded. On several occasions he dressed wounded men under very heavy machine-gun fire and sniping, accompanying the medical officer over the fire-swept area. By his attentive care of the wounded he earned their gratitude and inspired confidence.

[*Extract from the 2nd Supplement to* THE LONDON GAZETTE *of the 13th December, 1918.*]

WAR OFFICE,
14th December, 1918.

HIS Majesty the KING has been graciously pleased to approve of the award of the Victoria Cross to the undermentioned Officers, Warrant Officer, Non-commissioned Officers and Men:—

Lt.-Col. William Hew Clark-Kennedy, C.M.G., D.S.O., 24th Bn., Quebec R.

For most conspicuous bravery, initiative and skilful leading on the 27th and 28th August, 1918, when in command of his battalion.

On the 27th he led his battalion with great bravery and skill from Crow and Aigrette trenches in front of Wancourt to the attack on the Fresnes-Rouvroy line. From the outset the brigade, of which the 24th Battalion was a central unit, came under very heavy shell and machine-gun fire, suffering many casualties, especially amongst leaders. Units became partially disorganized and the advance was checked. Appreciating the vital importance to the brigade front of a lead by the center, and undismayed by annihilating fire, Lt.-Col. Clark-Kennedy, by sheer personality and initiative, inspired his men and led them forward. On several occasions he set an outstanding example by leading parties straight at the machine-gun nests which were holding up the advance and overcame these obstacles.

By controlling the direction of neighbouring units and collecting men who had lost their leaders, he rendered valuable services in strengthening the line, and enabled the whole brigade front to move forward.

By the afternoon, very largely due to the determined leadership of this officer and disregard for his own life, his battalion, despite heavy losses, had made good the maze of trenches west of Cherisy and Cherisy Village, had crossed the Sensee River bed, and had occupied Occident Trench in front of the heavy wire of the Fresnes-Rouvroy line; under continuous fire he then went up and down his line until far into the night, improving the position, giving wonderful encouragement to his men, and sent back very clear reports.

On the next day he again showed valorous leadership in the attack on the Fresnes-Rouvroy line and Upton Wood. Though severely wounded soon after the start he refused aid, and dragged himself to a shell-hole, from which he could observe. Realizing that his exhausted troops could advance no further he established a strong line of defence and thereby prevented the loss of most important ground. Despite intense pain and serious loss of blood he refused to be evacuated for over five hours, by which time he had established the line in a position from which it was possible for the relieving troops to continue the advance.

It is impossible to overestimate the results achieved by the valour and leadership of this officer.

Capt. Bellenden Seymour Hutcheson, Can. A. Med. Corps, attd. 75th Bn., 1st Central Ontario R.

For most conspicuous bravery and devotion to duty on September 2, when under most intense shell, machine-gun and rifle fire, he went through the Quéant-Drocourt Support Line with the battalion. Without hesitation and with utter disregard of personal safety he remained on the field until every wounded man had been attended to. He dressed the wounds of a seriously wounded officer under terrific machine-gun and shell fire, and, with the assistance of prisoners and of his own men, succeeded in evacuating him to safety, despite the fact that the bearer party suffered heavy casualties.

Immediately afterwards he rushed forward, in full view of the enemy, under heavy machine-gun and rifle fire, to tend a wounded sergeant, and, having placed him in a shell-hole, dressed his wounds. Captain Hutcheson performed many similar gallant acts, and, by his coolness and devotion to duty, many lives were saved.

Lt. Graham Thomson Lyall, 102nd Bn., 2nd Central Ontario R.

For most conspicuous bravery and skilful leading during the operations north of Cambrai.

On September 27, 1918, whilst leading his platoon against Bourlon Wood, he rendered invaluable support to the leading company, which was held up by a strong point, which he captured, by a flank movement, together with thirteen prisoners, one field gun and four machine guns.

Later, his platoon, now much weakened by casualties, was held up by machine guns at the southern end of Bourlon Wood. Collecting any men available, he led them towards the strong point, and springing forward alone, rushed the position single-handed and killed the officer in charge, subsequently capturing at this point forty-five prisoners and five machine guns. Having made good his final objective, with a further capture of forty-seven prisoners, he consolidated his position and thus protected the remainder of the company.

On October 1, in the neighbourhood of Blecourt, when in command of a weak company, by skilful dispositions he captured a strongly defended position, which yielded eighty prisoners and seventeen machine guns.

During two days of operations Lt. Lyall captured in all 3 officers, 182 other ranks, 26 machine guns and one field gun, exclusive of heavy casualties inflicted. He showed throughout the utmost valour and high powers of command.

No. 177239 Pte. John Francis Young, 87th Bn., Quebec R.

For most conspicuous bravery and devotion to duty in attack at Dury-Arras sector on the 2nd September, 1918, when acting as a stretcher-bearer attached to "D" Company of the 87th Bn., Quebec Regiment.

This company in the advance over the ridge suffered heavy casualties from shell and machine-gun fire.

Pte. Young, in spite of the complete absence of cover, without the least hesitation went out, and in the open fire-swept ground dressed the wounded. Having exhausted his stock of dressings, on more than one occasion he returned, under intense fire, to his company headquarters for a further supply. This work he continued for over an hour, displaying throughout the most absolute fearlessness.

To his courageous conduct must be ascribed the saving of the lives of many of his comrades.

Later, when the fire had somewhat slackened, he organized and led stretcher parties to bring in the wounded whom he had dressed.

All through the operations of 2nd, 3rd, and 4th September Pte. Young continued to show the greatest valour and devotion to duty.

No. 2204279 Pte. Walter Leigh Rayfield, 7th Bn., British Columbia R.

For most conspicuous bravery, devotion to duty, and initiative during the operations east of Arras from 2nd to 4th September, 1918.

Ahead of his company, he rushed a trench occupied by a large party of the enemy, personally bayoneting two and taking ten prisoners.

Later, he located and engaged with great skill, under constant rifle fire, an enemy sniper who was causing many casualties. He then rushed the section of trench from which the sniper had been operating, and so demoralized the enemy by his coolness and daring that thirty others surrendered to him.

Again, regardless of his personal safety, he left cover under heavy machine-gun fire and carried in a badly wounded comrade.

His indomitable courage, cool foresight, and daring reconnaissance were invaluable to his Company Commander and an inspiration to all ranks.

No. 410935 Pte. Claude Joseph Patrick Nunney, D.C.M., M.M., 38th Bn., Eastern Ontario R.

For most conspicuous bravery during the operations against the Drocourt-Quéant line on the 1st and 2nd September, 1918.

On 1st September, when his battalion was in the vicinity of Vis-en-Artois, preparatory to the advance, the enemy laid down a heavy barrage and counter-attacked. Pte. Nunney, who was at this time at company headquarters, immediately on his own initiative proceeded through the barrage to the company outpost lines, going from post to post and encouraging the men by his own fearless example. The enemy were repulsed and a critical situation was saved. During the attack on 2nd September his dash continually placed him in advance of his companions, and his fearless example undoubtedly helped greatly to carry the company forward to its objectives.

He displayed throughout the highest degree of valour until severely wounded.

ORDERS IN COUNCIL.

[38/27]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 7th day of January, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Minister of the Interior reports as follows:—

That application has been made by the Synod of the Diocese of Athabasca for a free grant of Lot numbered 10 of Wabiskaw Settlement, in the Province of Alberta, by virtue of occupation of the land at the date of the extinguishment of the Indian title; that evidence has been submitted showing the Synod, through its agents, to have been in actual occupation of the said lot at the date of the conclusion of Indian Treaty No. 8, in the summer of 1899,—

Therefore, His Excellency the Governor General in Council, under and in virtue of the provisions of section 76 of The Dominion Lands Act, is pleased to authorize a grant of Lot numbered 10 of Wabiskaw Settlement, in the Province of Alberta, containing by admeasurement 37·60 acres, more or less, to the Synod of the Diocese of Athabasca.

RODOLPHE BOUDREAU,

[3193]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 6th day of January, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency the Governor General in Council on the recommendation of the Acting Minister of Trade and Commerce, and under and in virtue of the authority conferred by "The War Measures Act" 1914, is pleased to make the following Regulations respecting Trade Marks, Industrial Designs and Copyrights, and the same are hereby made and enacted accordingly:—

Regulations.

1. "Minister" means the Minister of Trade and Commerce, and includes the Deputy of the Minister of Trade and Commerce.

2. The Minister may at any time during the continuance of these Orders and Regulations extend the time prescribed by "The Trade Mark and Design Act", or the "Copyright Act", or any rules made under either of the said Acts, for doing any act or filing any documents upon such terms and subject to such conditions as he may think fit, where it is shown to his satisfaction that the applicant or proprietor, as the case may be, was prevented from doing the said act or filing the said documents by reason of active service or enforced absence from this country, or any other circumstances arising from the present war, which in the opinion of the Minister would justify such extension.

Such extension of any prescribed time, if granted after its expiration, shall have the same effect as if granted prior thereto, provided such expiration occurred on or after the 4th day of August, 1914.

3. The Minister may refuse to register an assignment of any trade mark, industrial design or copyright made by a subject of any State at war with His Majesty, and filed on or after the 4th day of August, 1914, unless he is satisfied that such assignment was made in good faith, and not for the purpose of evading any law or restriction that applies to such person in consequence of such person being an alien enemy.

4. The term "person" used in these Orders and Regulations shall, in addition to the meaning given thereto by par. 20 of section 34 of "The Interpretation Act," include any Government Department.

5. These Orders and Regulations shall come into operation as from the 4th day of August, 1914.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

[3168]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 9th day of November, 1917.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS it is deemed desirable that the provisions contained in section 154 of the Army Act with respect to the mode in which the civil police should deal with deserters and the provisions of section 163 of the Army Act with respect to evidence should be applied in Canada to the civil police and to proceedings in courts having civil jurisdiction:

Therefore His Excellency the Governor General in Council for the purpose of regulating the procedure with respect to deserters and absentees without leave and of prescribing rules of evidence as regulated and enacted in the sections of the Army Act above referred to with certain modifications and additions, and of revising, amending and consolidating therewith the provisions of the Orders in Council of 5th August, 1916, and 4th November, 1916, is pleased, on the recommendation of the Minister of Justice and under the authority conferred upon the Governor General in Council by the Military Service Act, 1917, the War Measures Act, 1914, or otherwise to sanction the following Regulations in connection with the enforcement of the Military Service Act, 1917, and the same are hereby made and sanctioned accordingly, viz:—

Regulations.

1. The regulations prescribed by the Orders in Council of 5th August and 4th November, 1916 (P. C 1873 and P.C. 2741), are hereby repealed.

2. For the purpose of this Order in Council:—

(*a*) The expressions "Court of summary jurisdiction" and "Court" shall, unless the context otherwise requires, mean any justice or justices of the peace, police, stipendiary or other magistrate by whatever name called to whom jurisdiction is given or who is authorized to act under Part XIV, XV or XVI of the Criminal Code, although the offence may have been committed outside the territorial division in which such justice, police, stipendiary or other magistrate ordinarily has, or exercises jurisdiction.

(*b*) The expression "surrender himself" shall mean the voluntary delivery of himself into custody by a person who at the time of such delivery, and as a reason therefor, alleges himself to be a deserter or absentee without leave from the Canadian Expeditionary Force or the active militia.

3. Upon reasonable suspicion that a person is a deserter or is absent without leave from the Canadian Expeditionary Force or from the active militia of Canada, it shall be lawful for any peace officer to apprehend without warent such suspected person and forthwith bring him before a court of summary jurisdiction.

4. Where a person surrenders himself to a peace officer as being a deserter or absentee without leave, the officer of police in charge of the station detachment or force to or at which such person surrenders himself or to which he is brought shall forthwith enquire into the case, and if it appears to him from the confession of such person that such person is a deserter or absentee without leave, he may cause him to be delivered into military custody without bringing him before a court of summary jurisdiction and in such case shall send to the general or other officer commanding the military district a certificate signed by himself as to the fact, date, and place of such surrender and confession.

5. A justice of the peace, police or stipendiary magistrate, or other person having authority to issue a warrant for the apprehension of a person charged with crime, may, if satisfied by evidence on oath or otherwise that a person who is a deserter or is absent without leave from the Canadian Expeditionary Force or from the active militia of Canada, is, or is reasonably suspected to be, within his jurisdiction, issue a warrant authorizing such deserter or person absent without leave to be apprehended and brought forthwith before a court of summary jurisdiction.

6. Where a person is brought before a court of summary jurisdiction charged with being a deserter or being absent without leave from the Canadian Expeditionary Force or the active militia of Canada, such court may deal with the case in like manner as if such person had been brought before a court charged with an indictable offence.

7. The court shall, if it appears that such person is a deserter or is absent without leave and is not guilty of an offence under the Military Service Act, 1917, or if it appears that such person, although guilty of an offence under the said Act, has surrendered himself forthwith or as it may seem to the court most expedient, cause him either to be delivered into military custody in such manner as the court may deem most expedient, or until he can be so delivered, or until further information can be obtained, to be committed to some prison, police station or other place legally provided for the confinement of persons in custody for such time as appears to the court reasonably necessary.

8. The court may from time to time remand the said person for a period not exceeding eight days in each instance, and not exceeding in the whole such period as appears to the court reasonably necessary.

9. If it appears to the court that such person is a deserter or is absent without leave and is guilty of an offence under the Military Service Act, 1917, but has not surrendered himself, the court shall report the facts forthwith to the Minister of Justice, and in the event of the consent of the minister to the conviction of such person being given under Section 16, Subsection 4, of the said Act, the court shall consider whether such person should or should not be convicted under the said Act, and if convicted whether any, and if any, what punishment should be imposed upon him.

10. If the court determines that such person should not be convicted, or, if he should be convicted, that sentence upon him should be suspended, the court shall forthwith cause such person to be delivered into military custody as set out in paragraph 7 of these regulations.

11. If such person is convicted and sentenced to imprisonment, the court shall forthwith make a return to the Minister of Justice of the conviction and the sentence imposed, and the minister may direct the execution of the said sentence, or the unexpired portion thereof to be postponed until after such person has performed such military service as may be required of him, and may direct his delivery into military custody for such purpose.

12. When the court causes a person either to be delivered into military custody or to be committed as a deserter, or as absent without leave, the court shall send to the general or other officer commanding the military district a return in relation to such deserter or person absent without leave, containing a full description of such person, full particulars of the date, place, and circumstances of his apprehension and a statement of the inquiry made and action taken by the court in relation to such person.

13. Every person who deserts or is absent without leave from the Canadian Expeditionary Force or the active militia of Canada, is guilty of an offence and liable, upon summary conviction under Part XV of the Criminal Code to imprisonment with or without hard labour for a term not exceeding two years, provided that no conviction shall be made under the provisions of this paragraph unless the man charged has, before he deserted or became absent without leave, been taken on the strength of the Canadian Expeditionary Force or the active militia of Canada and unless the general or other officer commanding the district in which the man is charged or the officer exercising the authority of such first-mentioned officer, consents to such conviction.

14. The enlistment of a person in, or the fact that any person has been taken on the strength of the Canadian Expeditionary Force or in the active militia of Canada may be proved by the production of the attestation paper, particulars of recruit or service roll purporting to be signed by such person or by the production of a copy of such attestation paper or particulars of recruit or of such part of the service roll as refers to him, such copy being certified to be a true copy by the officer having the custody of the attestation paper or service roll, without proof of the handwriting of such officer, or of his having the custody of the paper or roll.

15. The attestation paper, particulars of recruit, or service roll purporting to be signed by any person on his being attested for service in, or taken on the strength of the Canadian Expeditionary Force or the active militia of Canada, shall be evidence of such person having given the answers therein set out to all the questions which he is therein represented as having answered.

16. A letter, return, or other document respecting the service of any person in, and the discharge of any person from the Canadian Expeditionary Force or the active militia of Canada, or certifying that any person has not served in or belong to any named portion of the Canadian Expeditionary Force or the active militia of Canada, if purporting to be signed by or on behalf of the Minister of Militia and Defence, or the Militia Council or the Commanding Officer of any portion of the Canadian Expeditionary Force or of the active militia of Canada, to which such person appears to have belonged, or alleges himself to belong or to have belonged, shall be evidence of the facts stated in such letter, return or other document.

17. Copies purporting to be printed by the King's Printer or, in the United Kingdom, by a government printer, of the King's Regulations and Orders for the Army, of the Regulations and Orders for the Army, of the Regulations and Orders for the Canadian Militia, of Royal Warrants, Army or Militia Regulations, circulars or orders, or rules, orders or regulations, made by His Majesty or the Governor in Council, or a Minister of the Crown or the Militia Council in pursuance of the Militia Act or the Military Service Act, 1917, shall be evidence of such Regulations, Royal Warrants, circulars, orders and rules.

18. An Army or Militia List or Gazette purporting to be published by authority or to be printed by the King's Printer, or in the United Kingdom to be printed by a government printer, or by His Majesty's Stationery Office, shall be evidence of the status and rank of officers therein mentioned, and of the corps, or battalion, or arm or branch of the service to which such officers belong.

19. All warrants or orders made by any military authority shall be evidence of the matters and things therein stated, and a copy of any such warrant or order purporting to be certified to be a true copy by the officer by whom such warrant or order purports to be issued or by an officer therein alleged to be authorized by the Minister of Militia and Defence or by the Militia Council to certify the same, shall be admissible in evidence to the same extent and for the same purposes as the original warrant or order.

20. Where a record is made in one of the regimental books in pursuance of the King's Regulations and Orders for the Army, or the King's Regulations and Orders for the Canadian Militia or otherwise in pursuance of military duty and such record purports to be signed by the officer whose duty it is to make such record, such record shall be evidence of the facts therein stated.

21. A copy of any record in one of the said regimental books purporting to be certified to be a true copy by the officer having the custody of such book, shall be evidence of such record.

22. A return made by a court pursuant to these Regulations and purporting to be signed by a police, stipendiary, Justice of the Peace, or other Magistrate, shall be evidence of the matters therein stated.

23. A certificate purporting to be signed by a constable, provost-marshal, assistant provost-marshal or an officer commanding a military district, or other officer, or by the commanding officer of a portion of His Majesty's forces to whom any officer or man of the Canadian Expeditionary Force or the Active Militia of Canada, has surrendered himself as being a deserter or as absent without leave and stating the fact, date and place of such surrender shall be evidence of the facts therein stated.

24. A certificate purporting to be signed by a Registrar, or Deputy Registrar under the Military Service

Act, 1917, and stating that any person therein mentioned has not reported for service or claimed exemption under the provisions of the said Act, and that no claim for exemption has been made on behalf of such person, shall be evidence of the facts therein stated.

25. The provisions with regard to evidence contained in these Regulations shall apply in any prosecution of any person before either a civil court or a court martial.

26. Notwithstanding any consent under paragraph 13 of these Regulations, the Court before which any person is or has been charged under that paragraph shall, upon the request of the General or other officer commanding the Military District or the officer exercising the authority of such first mentioned officer, whether such request is made before or after conviction and sentence, direct the release of such person, and his delivery into military custody, and such person shall be released and delivered accordingly.

27. If any person is delivered into military custody after conviction under paragraph 13 of these Regulations, no proceedings according to the provisions of Military Law shall thereafter be taken against such person for such offence, but if sentence of imprisonment has been imposed upon such person, he may be retained in military custody subject to the same conditions and in the same way in all respects as if instead of having been sentenced to imprisonment, he had been sentenced, by Court Martial, to detention for the same term.

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS changes in the trans-Pacific service to Canada have so materially reduced the boat accommodation that there are now in China many Chinese legally entitled to return to Canada who are unable to secure transportation;

And whereas this situation has been brought about by war conditions,—

> All Chinese, who have registered out between November 15, 1917, and November 15, 1918, may prolong their return to Canada without in any way affecting their right to free re-entry until six months after a proclamation has been published in the *Canada Gazette* declaring that a state of war no longer exists.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 6th January, 1919, from the Acting Minister of Justice, stating that he deems it proper to direct attention to the fact that the police throughout Canada, both provincial and municipal, or belonging to the counties or districts, have very cheerfully and efficiently attended to the numerous extra police duties imposed by the emergency legislation or war measures of the Dominion, including the troublesome matter of investigating, registering and reporting upon aliens of enemy nationality, the protection of the public interest against enemy activities and other matters of a like nature, and the Minister considers that these services of the local police, which have in general been gratuitously rendered, and with very satisfactory results, should be recognized by a public expression of due appreciation and gratitude on behalf of the Government,—

The Minister, therefore, recommends that this report, when approved, be published in the *Canada Gazette* for general information.

The Committee concur in the foregoing recommendation, and submit the same for approval.

RODOLPHE BOUDREAU,

WHEREAS the Minister of the Interior reports that application has been made by the Grande Prairie Agricultural Society of Grande Prairie, in the Province of Alberta, for a grant for exhibition grounds and experimental station purposes of the northeast quarter of Section 25, Township 71, Range 6, west of the Sixth Meridian, in the Province of Alberta, which land was set apart during pleasure for the purpose of the said society by an Order in Council dated the 15th February, 1911,—

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of the Interior, is pleased to rescind and doth hereby rescind the said Order in Council of the 15th February, 1911, and is further pleased under and in virtue of the provisions of section 76 of The Dominion Lands Act, to set apart and appropriate the said northeast quarter of Section 25, Township 71, Range 6, west of the Sixth Meridian, in the Province of Alberta, for exhibition grounds and experimental station purposes, and to authorize a grant thereof to the Grande Prairie Agricultural Society for the said purposes.

Friday, the 27th day of December, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 20th December, 1918, from the Minister of the Interior, stating that The Canada Cement Company, Limited, has reported the discovery of a deposit of clay on a portion of legal subdivision 12 of Section 34, Township 10, Range 6, west of the 4th Meridian, containing an area of 21·26 acres, which clay has been found to be suitable for use in connection with the manufacture of cement.

As the clay, for a lease of which application has been made, is to be used as one of the ingredients in the production of cement, and not for the manufacture of brick or other clay products, the Minister recommends that he be authorized to lease to the company the tract applied for under the provisions of the regulations for the leasing of lands containing limestone, granite, slate, gypsum, marl, gravel, sand or any building stone, approved by Order in Council dated the 13th of May, 1910, and re-established by Order in Council dated the 16th of August, 1911, but not subject to the provisions of the Order in Council dated the 21st day of November, 1912, which provides for the leasing of Dominion lands containing deposits of clay to be used for the manufacture of brick and other clay products.

The Committee concur in the foregoing recommendation, and submit the same for approval.

APLICATIONS TO PARLIAMENT.

THE SENATE.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As revised and brought in force 22nd March, 1916.

Every applicant for a bill of divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia, or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but, otherwise, shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known, or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for a bill of divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage the names in full of the parties thereto, their ages and occupations, when, where, and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of, the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(*1*) The petitioner's residence at the time of service.

(*2*) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(*3*) The name and address of the solicitor, if any, acting for the petitioner.

(*4*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*5*) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(*a*) The respondent's residence at the time of sending such notice.

(*b*) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(*c*) The name and address of the solicitor, if any, acting for the respondent.

(*d*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*6*) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(*7*) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the

satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars ($210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

HOTEL DU GOUVERNEMENT A OTTAWA.

Vendredi, le 27e jour de décembre 1918.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

Au comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 20 décembre 1918, représentant que la compagnie dite "Canada Cement Company, Limited," a fait rapport de la découverte d'un gisement d'argile dans une partie de la subdivision légale 12 de la section 34, township 10, rang 6, à l'ouest du 4e méridien, comprenant une superficie de 21.26 acres, et que ladite argile a été trouvée convenable pour la fabrication du ciment :

Vu que cette argile, pour laquelle une demande de bail a été soumise, doit être employée comme un des ingrédients pour la fabrication du ciment et non pour la fabrication de la brique et autres produits de l'argile, le ministre demande l'autorisation de louer à la compagnie l'étendue de terrain demandée sous l'empire des dispositions des règlements régissant la cession à bail des terrains contenant du calcaire, du granit, de l'ardoise, du gypse, de la marne, du gravier, du sable ou toute pierre à bâtir, approuvés par arrêté en conseil du 13 mai 1910, et rétablis par arrêté en conseil du 16 août 1911. Ce bail ne sera pas sujet cependant aux dispositions de l'arrêté en conseil du 21 novembre 1912, qui traite de la cession à bail des terres fédérales contenant des gisements d'argile qui doit être employée dans la fabrication de la brique et autres produits de l'argile.

Le comité agrée cette recommandation et la soumet pour approbation.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, d'autoriser par les présentes le ministre de l'Intérieur à soustraire à l'application des dispositions des règlements régissant la concession des claims miniers de quartz sur les terres fédérales dans le Manitoba, la Saskatchewan, l'Alberta, les Territoires du Nord-Ouest et le Territoire du Yukon, établis par arrêté en conseil du 25 mai 1917, ainsi que des dispositions des règlements régissant les mines de placer du Manitoba, la Saskatchewan, l'Alberta et les Territoires du Nord-Ouest du Canada, établis par arrêté en conseil du 8 février 1909, cette partie des Territoires du Nord-Ouest située au nord du 65e parallèle de latitude nord et entre les 105e et 116e degrés de longitude ouest comprenant les îles du golfe Coronation et de l'anse Bathurst ainsi que le territoire adjoint.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

IL plaît à Son Excellence le Gouverneur général en Conseil, à la recommandation du ministre suppléant de l'Industrie et du Commerce et en vertu de l'autorité qui lui est conférée par la *Loi des mesures de guerre, 1914*, d'établir les règlements suivants concernant les marques de commerce, les dessins de fabrique et les droits d'auteur et ces règlements sont par les présentes faits et promulgués en conséquence :

Règlements.

1. "Ministre" signifie le Ministre de l'Industrie et du Commerce et comprend le sous-ministre de l'Industrie et du Commerce.

2. Le Ministre peut, en tout temps, tant que régiront les présents décrets et règlements, accorder une extension de la période prescrite par la *Loi des marques de commerce et dessins de fabrique* ou la *Loi des droits d'auteur* pour faire toute chose ou disposer tout document, selon que ledit Ministre jugera à propos, s'il est établi à sa satisfaction que le requérant ou le propriétaire, selon le cas, a été empêché de faire toute telle chose ou de déposer tout tel document du fait qu'il était en service actif ou forcé de s'absenter de ce pays, ou à cause de toute autre circonstance provoquée par la guerre actuelle, toutes raisons qui, dans l'opinion du Ministre, motiverait telle extension.

Cette extension, si elle est accordée après l'expiration de telle période, aura le même effet que si elle avait été accordée avant la fin de telle période, pourvu qu'elle soit expirée le ou après le 4e jour d'août 1914.

3. Le ministre peut refuser d'enregistrer la cession de toute marque de commerce, dessin de fabrique ou droit d'auteur faite par un sujet d'un Etat en guerre avec Sa Majesté et déposé le ou après le 4e jour d'août 1914, s'il n'est établi à sa satisfaction que cette cession a été faite de bonne foi et non pour éluder une loi ou restriction qui s'applique à tel sujet étranger en conséquence du fait qu'il est un ennemi.

4. L'expression "personne" dans les présents décrets et règlements comprend, outre l'interprétation que lui donne le paragraphe 20 de l'article 34 de la *Loi d'interprétation*, tout département du gouvernement.

5. Les présents décrets et règlements ont force de loi comme s'ils étaient entrés en vigueur le 4e jour d'août 1914.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que des changements dans le service transocéanique du Pacifique ont tellement réduit l'accommodation disponible sur les navires qu'il se trouve actuellement en Chine nombre de Chinois qui ont légalement le droit de revenir au Canada et ne peuvent obtenir un passage ;

Et attendu que cette situation est due aux conditions résultant de la guerre,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de l'Immigration et de la Colonisation et en vertu des dispositions de la *Loi des mesures de guerre de 1914*, d'etablir et promulguer par les présentes les règlements suivants :

> Tous les Chinois qui se sont inscrits à leur départ, entre le 15 novembre 1917 et le 15 novembre 1918, peuvent retarder leur retour au Canada sans en aucune manière affecter leur droit à la libre rentrée jusqu'à six mois après la publication dans la *Gazette du Canada* d'une proclamation déclarant que l'état de guerre n'existe plus.

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du ministre suppléant de la Justice, daté le 6 janvier 1919, représentant qu'il considère opportun d'attirer l'attention du public sur le fait que la police, tant provinciale que municipale, aussi bien que la police des divers comtés et districts, dans tout le Canada, s'est acquittée d très bon gré et très efficacement des nombreux devoirs additionnels qui lui ont été imposés par les lois d'urgence et les mesures de guerre du pays, y compris la tâche difficile des enquêtes, l'enregistrement des étrangers de nationalités ennemies, la protection des intérêts publics contre les activités ennemies et autres devoirs de même nature, et le Ministre est d'avis que ces services de la police locale, généralement donnés gratuitement, et avec des résultats tout à fait satisfaisants, devraient être l'objet d'une expression de gratitude publique pour le gouvernement.—

Par conséquent, le Ministre recommande que ce rapport, dès qu'il sera approuvé, soit publié dans la *Gazette du Canada* pour l'information du public.

Le comité agrée cette recommandation et la soumet pour approbation.

DEMANDES AU PARLEMENT.

SÉNAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDURE DU SÉNAT CONCERNANT LES BILS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre, si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée «partie défenderesse.»

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables on été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante jours premiers de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicil conjugale, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat, aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse, et donner dans cet avis au greffier du Sénat:

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat, doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

A. E. BLOUNT,
Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré dans la *Gazette du Canada;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada,* l doit en être publié un semblable, comme il suit:

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal,* —dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une *compagnie de télégraphe ou de téléphone,* —dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une *compagnie pour la confection de travaux quelconques,* dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une *compagnie de banque; une compagnie d'assurance;* une *compagnie de crédit;* une *compagnie de prêt;* ou une *compagnie industrielle,* sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les requérants devront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis,* que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de prolonger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs), d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit dans la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: *"Avis de bill privé";* ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes, mentionner en même temps et de la même manière les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, mais tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôts de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenue de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollars.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:

(*a*) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill, pour chaque suspension..........	100 00
(*b*) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième............	100 00

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de $300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant d ent n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accorde le pouvoir d'augmenter à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire, imposée sous l'empire des alinéas *b* ou *c* de l'article 3, ne sera pas exigée.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Minister of the Interior reports that it is considered advisable and in the public interest that certain areas on the shores of the Arctic Ocean, adjacent to the Coppermine River and Bathurst Inlet, which are reported to contain deposits of Native Copper, should be withdrawn from the provisions of the Mining Regulations in order that the deposit of Native Copper reported to exist in that region may be thoroughly examined,—

Therefore, His Excellency the Governor General in Council, is pleased to authorize and doth hereby authorize the Minister of the Interior to withdraw from the provisions of the regulations for the disposal of quartz mining claims on Dominion lands in Manitoba, Saskatchewan, Alberta, the North West Territories and the Yukon Territory, established by Order in Council dated the 25th of May, 1917, and from the provisions of the regulations governing placer mining in Manitoba, Saskatchewan, Alberta and the North West Territories of Canada, established by Order in Council dated the 8th of February, 1909, that portion of the North West Territories lying north of the 65th parallel of North Latitude, and between the 105th and the 116th degrees of West Longitude, comprising the islands in and the territory adjacent to Coronation Gulf and Bathhurst Inlet.

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Minister of Finance reports that it is now no longer necessary that the restrictions with respect to borrowing money prescribed by the Order in Council of the twenty-second day of December, 1917, (P.C. 3439) and the Orders in Council in amendment thereof, should continue in force,—

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 20th day of January, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 28th December, 1918, from the Minister of the Interior stating that the Canadian Pacific Railway Company has applied for the privilege of removing a quantity of earth from certain lands in the Elbow Forest Reserve for the purpose of filling in a large trestle on its right of way in the vicinity;

The Minister observes that an examination of the lands in question has shown that they consist of rolling sand hills, with no tree growth, and it is improbable, therefore, that the use of these lands for the purpose indicated will result in any very serious destruction,—

The Minister, therefore recommends that he be authorized, under the provisions of section 17 of the Forest Reserves and Parks Act, to issue a permit to the said company to remove such quantity of earth as may be required for the purpose above mentioned from the following lands in Township 24, Range 4, west of the 3rd Meridian:—

"A strip 200 feet wide along the east side of the right of way and a strip 400 feet wide along the west side of the right of way in the northeast ¼ of Section 5, comprising 37·5 acres more or less;

"A strip 100 feet wide along each side of the right of way in the southeast ¼ of Section 17, comprising ·12 acres;

"And a strip 100 feet wide on each side of the right of way extending a distance of approximately 1,200 feet north of the south boundary of the northeast ¼ of Section 17."

and that the royalty to be paid by the company for this privilege be fixed at the rate of one cent per cubic yard.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 14th day of January, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency the Governor General in Council, under and in virtue of the provisions of sections 34 and 76 of The Dominion Lands Act, is pleased to make the following regulations for the drainage of Dominion lands in the Provinces of Alberta and Saskatchewan, and the same are hereby made and established accordingly:—

PART 1.—*Small Drainage Projects.*

The Minister of the Interior may, subject to the provisions of The Irrigation Act, chapter 61, Revised Statutes of Canada, 1906, and the amendments thereto, authorize the sale or other disposal of the Dominion land comprised in any drainage project, the plans of which have been approved by him, provided:

(*a*) The area of land to be reclaimed in any such project shall not exceed two sections.

(*b*) The estimated cost of the works as shown by the report thereon prepared by an engineer of the Reclamation Service of the Department of the Interior shall not exceed two thousand dollars ($2,000), and

(*c*) The approval by the competent authority of the Government of the province in which the lands are situated has been given for the construction of the proposed works.

2. Application shall be made in writing to the Minister of the Interior, describing the land to be drained and the general nature and estimated cost of the proposed works.

3. An inspection and survey shall be made by an engineer of the Reclamation Service of the Department of the Interior, under the direction of the Minister of the Interior, to determine the feasibility of the proposed project and the nature and cost of the required works. The applicant may be required to deposit with the Minister a sum estimated to be sufficient to cover the cost of such inspection and survey and the preparation of the necessary plans.

4. If, as the result of such inspection and survey the project is found to be feasible and in the public interest, and within the limit of area and cost hereinbefore fixed, and the Minister of the Interior approves of the proposed project, he shall cause plans of the proposed works to be prepared and shall forward for the approval of the proper officer of the province in which the land is situated a copy of the engineer's report and a blue print of the plans of the proposed works, showing:—

(*a*) That adequate provision has been made for the disposal of the water to be drained away and for the protection of roads, highways, and other public works; and

(*b*) That agreement has been made between or among the applicants (if there be more than one) for sharing the cost of constructing the proposed works.

5. Upon the receipt of the approval of the Provincial Government, the Minister of the Interior may authorize the construction of the works and may enter into an agreement for the sale or the disposal otherwise of the vacant and available Dominion land included in the project, upon such terms and conditions as he considers advisable in the public interest; provided that no sale of land shall be made at a less rate than one dollar ($1) per acre.

6. The approval of the Minister of the Interior and of the competent authority of the Provincial Government, as hereinbefore set forth, shall entitle the applicant, or applicants, to exercise (under the provisions of "The Reclamation Act," of the Province of Alberta or of "The Reclamation Act, 1917," of the Province of Saskatchewan, as the case may be) all the powers respecting the expropriation of land required for any right of way for the proposed works that are, or may be exercised under the law of the province in which the land is situated, and in settling the damages with the owners of any such land all the provisions of the said provincial law shall apply. Any works so constructed shall thereafter be maintained in the same manner and subject to the same conditions as are prescribed by the Private Ditches Act of the Province of Alberta or of the Province of Saskatchewan, as the case may be, as if the said works had been constructed in accordance with such Act.

PART II.—*Drainage in Connection with Road Construction.*

1. When application is made to the Minister of the Interior by the Lieutenant Governor in Council of the province for the purchase of any swamp land or land covered by water, for reclamation by drainage in order to facilitate the construction, improvement, or maintenance of any public highway through the district in which the said land is situated, by the construction of drainage works on or through the said land, the Minister may, subject to the provisions of the Irrigation Act, Chapter 61, R.S.C. 1906, and the amendments thereto, sell to the Provincial Government such portion of the land to be so reclaimed as in his opinion will realize, when sold after reclamation, a sum sufficient to cover the cost of the drainage and road works. An agreement for the sale and purchase of the land shall be executed by and between the Minister of the Interior and the Provincial Government. No such sale shall be made at a less rate than one dollar ($1.00) per acre and each sale shall be subject, *inter alia* to the following conditions:—

(*a*) Any land so sold and purchased shall be offered for sale at public auction by the Provincial Govern-

ment within two years after the date of the completion of the drainage works. The sale shall be made under regulations similar to those prescribed by the Minister of the Interior for the sale of School Lands. The Provincial Government shall notify the Minister of the time and place of such sale and the Minister shall be represented thereat if he so desires.

(*b*) The purchase price of the land shall be paid by the province to the Minister of the Interior in five equal, annual instalments, the first of which shall become due and payable within thirty days of the date of the sale of the land at public auction, with interest at the rate of six per centum (6%) per annum on the unpaid principal and seven per centum (7%) per annum on all arrears of principal and interest.

(*c*) The proceeds of the sale of the land shall be applied by the Provincial Government towards the cost of the drainage and road work, and any surplus money remaining after the total cost of such works, including the purchase price of the land, shall have been recouped to the Provincial Government shall be paid to the Minister of the Interior annually on or before the 31st day of March.

(*d*) The expenses of the sale of the land and of the collection of the purchase price shall be considered as part of the cost of the said works.

(*e*) The drainage works shall, after construction be maintained in serviceable condition by or under the direction of the Provincial Government.

(*f*) Letters patent shall not issue for any land so sold until the full amount of the purchase price shall have been paid to the Minister of the Interior and until each and every condition of the sale shall have been fulfilled, but may thereafter be issued either to the nominees of the Provincial Government or to the said Government.

(*g*) There shall be submitted by the Provincial Government to the Minister of the Interior annually, on or before the 31st day of March, a complete statement of the nature and extent of the works constructed, and the cost thereof, in each and every such drainage project in connection with which any such sale of Dominion land has been made, and such statements shall be subject to verification by inspection of the said works and examination of the provincial records of cost by an officer or officers detailed thereto by the Minister of the Interior.

2. An inspection and survey of the land applied for shall be made under the direction of the government of the province in which the land is situated by an engineer or Provincial Land Surveyor, who shall prepare plans of the proposed works, with an estimate of the cost thereof and the proportionate cost and benefit to each parcel of land affected thereby, and such plans and estimates and statements of cost and benefit shall be submitted in duplicate, to the Minister of the Interior with the application for the purchase of the land and for permission to drain away any water.

PART III—*Dominion Land within Organized Drainage Districts.*

When in any drainage district organized under the provisions of the Drainage Act of the province there is any vacant and available Dominion land that will be benefited by the proposed drainage, and upon which, if privately owned, a proportion of the cost of the drainage works could properly be assessed, the Minster of the Interior may, subject to the provisions of the Irrigation Act, and the amendments thereto, upon receipt of application to that effect from the Government of the province, sell such land, or any part thereof, to the province, subject, *inter alia*, to the following conditions:

(*a*) The land shall be sold at a rate per acre to be mutually agreed upon, but no sale shall be made at a less rate than one dollar ($1.00) per acre.

(*b*) Ten per cent (10%) of the purchase price shall be paid to the Minister of the Interior within thirty days of the date upon which the land shall have been offered for sale, as set forth in the next succeeding paragraphs of these regulations, and the balance shall be paid in nine equal, annual instalments, the first of which shall become due and payable one year from the date upon which the land was offered for sale, with interest at the rate of six per centum (6%) per annum upon all unpaid principal and seven per centum (7%) per annum upon all arrears of principal and interest.

(*c*) The land so sold to the province shall be offered for sale at public auction by the Provincial Government within two years after the date of the completion of the drainage works, or within such extended period as may be authorized by the Minister of the Interior for that purpose. The sale shall be made under regulations similar to those prescribed by the Minister of the Interior for the sale of School Lands. The Provincial Government shall notify the Minister of the time and place of such sale and the Minister shall be represented thereat if he so desires.

(*d*) Title to the land shall remain in the Crown in the right of Canada until payment of the purchase price shall have been made in full and each and every condition of the sale shall have been fulfilled, and Letters Patent may then issue either to the nominees of the Provincial Government, or to the said Government. Should the Provincial Government desire to complete the purchase and acquire title to any part of the land sold before payment in full has been made for the whole area sold, payment in full shall be made for such part before Letters Patent may be issued for such part.

(*e*) The Provincial Government shall, before fixing the date of any sale, prescribe the conditions with respect to residence, cultivation or other utilization, upon which the land shall be offered for sale, but such conditions shall be subject to the approval of the Minister of the Interior, and no sale shall be made until such approval has been given.

(*f*) The proceeds of the sale by the Provincial Government of land so acquired shall be applied by the Provincial Government as follows:—

(1) To recoup to the province any and all expenditures made by it in connection with the organization of the drainage district and the construction of the drainage works thereon or in connection therewith, including the purchase price of the land, other than the proportionate cost assessed upon privately-owned land and remaining unpaid at that date.

(2) To cancel and remit the unpaid assessments charged against the aforesaid privately-owned land in the drainage district.

(3) To refund to the owners thereof any portion, or all, of the assessments previously paid on the said privately-owned land in the drainage district, and

(4) Any surplus remaining shall be applied towards the construction of roads and bridges in the rural municipality, or municipalities, in which the said drainage district is situated.

(*g*) An account shall be kept by the Provincial Government of the proceeds of all sales of Dominion land acquired in connection with each such drainage district, and of the disposition made thereof, and a detailed statement thereof and of the expense incurred by the province in connection with each such district shall be rendered to the Minister of the Interior annually, on or before the 31st day of March, until the proceeds of the sales of land in any such drainage district shall have been fully expended and accounted for.

2. The Provincial Government shall have an investigation made, in accordance with the provincial laws respecting drainage, and shall have a report and plans prepared, together with an estimate of the cost of the proposed works, the area and character of the land affected thereby, and the proportion of the cost to be assessed upon such parcel of land affected.

3. Such reports, plans, estimates of cost and proportionate assessment shall be forwarded to the Minister of the Interior, together with a separate statement of the Dominion land affected by the proposed works and the proportion of the cost of the works to

be assessed upon each parcel thereof, with a request that the said land, or such portion thereof as may be available, be sold to the Provincial Government in order to facilitate the organization of the drainage district and the undertaking of the necessary work.

4. If the plans of the proposed works and the estimated cost thereof are approved by him, the Minister of the Interior may, subject to the provisions of these regulations, sell to the Provincial Government the available Dominion land affected by the proposed works.

5. The organization of the drainage district shall then be completed in accordance with the provincial laws. In the event of failure to organize a drainage district through the unwillingness of the resident owners, or for any other cause, the agreement for sale shall not be executed and the application submitted by the province for the purchase of the land shall be cancelled.

6. Any land which at the time of the organization of the drainage district is held under entry but is unpatented, and which is subsequently abandoned by the entrant, shall not be liable for any portion of the cost of the works remaining unpaid at the date of the said abandonment. Such land shall, however, upon abandonment, be sold to the province at the same rate and subject to the same conditions as other available Dominion land within the said district ; provided that when such land is subsequently sold by the Provincial Government credit shall be given the purchaser for the amount of any drainage assessments paid by the previous entrant, and that the sale shall be subject to any such assessment remaining unpaid at the date of the sale.

PART IV.—*Drainage initiated by the Dominion Government.*

When, in the opinion of the Minister of the Interior, it is desirable in the public interest to drain lakes or swamps for the purpose of reclaiming swamp land or land covered by water, and where not less than one-half of the total land and water area in any such reclamation project in vacant and available Dominion land, the Minister may cause inspection and survey to be made to determine the feasibility of the proposed project, the area of land susceptible of reclamation, and the probable cost of the required works. Should any such reclamation project be found, as the result of such inspection and survey, to be feasible within reasonable limits of cost and desirable as a matter of public policy, the Minister may, subject to the appropriation by Parliament of money sufficient to cover the estimated cost thereof, cause the required works to be constructed in conformity with the drainage laws of the province in which the land is situated.

2. Such inspections and surveys as may be required to determine the feasibility of the proposed project and to design and lay out the required works and equitably assess the cost hereof upon the lands benefited shall be made by an engineer of the Reclamation Service of the Department of the Interior, under the direction of the Minister of the Interior, and the report of such engineer, and the plans, specifications, estimates, and assessments, prepared by him shall, after having been approved by the Minister, be dealt with in accordance with the drainage laws of the province in which the project is located.

3. Subject to the approval by the Lieutenant Governor in Council of the engineer's report, plans, specifications and assessments, and to the constitution of the drainage district, the work shall be carried out by the Reclamation Service, under the direction of the Minister of the Interior.

4. The proportion of the cost of the works assessed upon any land other than vacant Dominion land, comprised in any such drainage district, shall be collected annually by the Provincial Government in the manner prescribed by the provincial drainage laws and shall be remitted forthwith upon receipt thereof by the Provincial Treasurer, after deducting any necessary outlay by way of cost of collection, to the Minister of the Interior.

5. All vacant and available Dominion land so reclaimed shall be offered for sale at public auction within five years after the completion of the drainage works, upon such terms and conditions as may be fixed by the Minister of the Interior at the time of the sale upon either of the plans hereinafter set forth :

(*a*) Payment in cash of ten per centum (10%) of the purchase price at the time of sale and the balance in nine equal, annual payments, the first of which shall become due and payable one year from the date of the sale, with interest at six per centum (6%) per annum on the unpaid principal and seven per centum (7%) per annum on all arrears of principal and interest.

(*b*) Payment in cash of ten per centum (10%) of the purchase price at the time of sale and the balance in twenty (20) equal, annual payments of principal and interest on the amortization plan. Provided, however, that the Minister may set apart any portion or all of any land so reclaimed for Soldier Settlement in accordance with the laws and regulations respecting Soldier Settlement, and at a valuation to be fixed by the Minister.

6. The Minister of the Interior shall, before fixing the date of any sale, prescribe the conditions, if any, with respect to residence, cultivation or other utilization, upon which the land shall be offered for sale, and shall place an upset price upon each quarter-section or other parcel of land, and no parcel of land shall be sold for less than the price so fixed.

7. Any land which at the time of the organization of the drainage district is held under entry, but is unpatented, and which is subsequently abandoned by the entrant, shall be offered for sale at public auction in the manner and subject to the conditions prescribed in clauses 5 and 6 of this part, and subject to all unpaid assessments then due or to become due on account of the cost of the drainage works.

8. Letters patent shall not issue for any land so sold until the full amount of the purchase price shall have been paid and until each and every condition of the sale shall have been fulfilled. Provided that the purchaser shall have the right to complete payment and take title to the land at any time after four years from the date of the sale, subject to the fulfilment by him to the Minister's satisfaction of all the conditions thereof.

THE Committee of the Privy Council have had before them a report, dated 20th December, 1918, from the Minister of the Interior, stating that The Canada Cement Company, Limited, has reported the discovery of a deposit of clay on a portion of legal subdivision 12 of Section 34, Township 10, Range 6, west of the 4th Meridian, containing an area of 21·26 acres, which clay has been found to be suitable for use in connection with the manufacture of cement.

As the clay, for a lease of which application has been made, is to be used as one of the ingredients in the production of cement, and not for the manufacture of brick or other clay products, the Minister recommends that he be authorized to lease to the company the tract applied for under the provisions of the regulations for the leasing of lands containing limestone, granite, slate, gypsum, marl, gravel, sand or any building stone, approved by Order in Council dated the 13th of May, 1910, and re-established by Order in Council dated the 16th of August, 1911, but not subject to the provisions of the Order in Council dated the 21st day of November, 1912, which provides for the leasing of Dominion lands containing deposits of clay to be used for the manufacture of brick and other clay products.
